No Old Testament book has exerted a greater influence on the formation of both Jewish and Christian thought and practice than Deuteronomy. It presents the final message of Moses to the people of Israel, providing foundational theology for the rest of Scripture. When we read Deuteronomy today, we hear Moses address us as a future generation of the covenant people of God. The challenges and needs faced by the Israelites still resonate with believers in every new era. Raymond Brown's *The Message*

of Deuteronomy guides Christians to hear and appreciate the timeless relevance of this ancient message.

Brown's compilation of historical and biblical background complements his even-handed, insightful commentary while maintaining a readable style. Uncover the choice between blessings and curses, life and death laid out in Deuteronomy. This revised edition of a classic *Bible Speaks Today* volume features lightly updated language, current NIV Scripture quotations, and a new interior design.

Deuteronomy

21:10-34:12, Volume

6B Westminster John Knox Press

As the last installment of R.J. Rushdoony's commentary series on

the Pentateuch, it stands as one of the more dynamic expositions in the series in that it addresses God's demands upon man, family, church, and state. In short, Deuteronomy is the defining volume on theocracy, and could easily stand alongside Rushdoony's Institutes of Biblical Law in its equally comprehensive application of Biblical law. If you desire to understand the core of Rushdoony's thinking, this commentary on Deuteronomy is one volume you must read. The covenantal structure of this last book of Moses, its detailed listing of both blessings and curses, and its strong presentation of godly theocracy provided Rushdoony with a solid

foundation from which to summarize the central tenets of a truly Biblical worldview—one that is solidly established upon Biblical Law, and one that is assured to shape the future. This is why the book of Deuteronomy is central to a gospel of victory in time and eternity. The redemptive power of Christ and the gift of the Holy Spirit are the enabling forces for a people to once again live faithful to God's covenant—and Deuteronomy provides the details for that covenant. Rushdoony's study of Deuteronomy represents a sizable deposit into securing the obedience of the church.

In this commentary Ian Cairns presents

Deuteronomy as a slowly evolving, complex composite — as legal code, as treaty text or covenant, as Moses' farewell speech, and as the final volume of the Pentateuch. Despite Deuteronomy's structural complexity, however, Cairns shows how the theme "Word and Presence" permeates the entire book: God is the living Presence who can be encountered and known through his word addressed to each generation in turn. This commentary is unique in its emphasis on the theology of Deuteronomy (e.g., law as "humane instruction") as well as in its modern applications and illustrations from non-Western cultures.

Deuteronomy (Understanding the Bible Commentary Series)

Zondervan Academic Deuteronomy is a book about a community being prepared for a new life. Hardship and the wilderness lie behind; the promised land lies ahead. But in the present moment, there is a call for a new

commitment to God and a fresh understanding of the nature of the community of God's people. Though the scene is set more than three thousand years in the past, Deuteronomy is still a book of considerable contemporary relevance. The book of Deuteronomy, however, is not only a book of contemporary relevance. It has been, and continues to be, one of the most important and debated works in modern biblical scholarship. - Author's preface.

Deuteronomy 21:10-34:12 Zondervan Academic

This milestone commentary by Jack Lundbom is intended for any and all readers who want to better know and understand the key Pentateuchal book of Deuteronomy, which has had a huge influence on both Judaism and Christianity over the centuries. For Jews Deuteronomy contains the Decalogue and the Shema -- Hear, O Israel, the Lord our God is one (6:4) -- supplemented by a code of primal legislation.

Deuteronomy is much

cited in the New Testament and has come to occupy an important place in the life and doctrine of the Christian church. It lifts up important wisdom themes such as humane treatment and benevolence to the poor and needy and is rich in theology, calling repeatedly on Israel to reject other gods and worship the Lord alone as holy. Besides drawing on language, archaeology, and comparative Near Eastern material, Lundbom's commentary employs rhetorical criticism in explicating the biblical text. Lundbom also cites later Jewish interpretation of the book of Deuteronomy and makes numerous New Testament connections. An appendix contains all

citations of Deuteronomy in the New Testament.

**Layman's Bible
Commentary Vol. 2**

Zondervan Academic

When Jesus was asked which is the greatest commandment, he cited a passage from Deuteronomy 6 as the fundamental and first tenet of Scripture. The purpose of Deuteronomy is to teach the people of God how to behave in every area of life. And the two main principles of that teaching are to fear God and to obey his commandments. Using his own translation from the original Hebrew, Dr. John Currid ably demonstrates that the book of Deuteronomy is an official document ratifying the formal covenant relationship between God as the sovereign King and his covenant people,

Israel. At the close of the forty years of wandering in the wilderness, and on the eve of the entry into the promised land, Moses summons the Israelites to a solemn reaffirmation and ratification of the covenant first made at Sinai and promises great blessings to the people if only they will remain faithful to the covenant and obey God's Word. Christians too need to remember that God has made a covenant with the church. And, therefore, we need to ask the question: What does Yahweh your God ask from you? The answer is found in Deuteronomy: we need to fear God; we need to walk in his way; we need to love him; we need to serve him; and we need to keep his

command-ments. And, like Israel of old, if we live in obedience to the Word of God then we shall be wise and understanding and, indeed, God will greatly bless his people if they obey his Word. - Publisher.
