“Engrossing . .  
. . beautifully  
written and  
carefully  
crafted . . . [a]  
work that  
explores the  
healing power  
of truth.”—The  
Boston Globe

For seventeen  
years, a rural  
community in  
Kansas has  
faithfully  
tended the  
grave of an  
anonymous  
teenage girl  
christened the  
Virgin of Small  
Plains. And  
some claim  
that, perhaps  
owing to the  
girl’s  
intervention,  
strange  
miracles and

unexplainable  
healings have  
occurred.  
Slowly, word  
of the legend  
spreads. But  
what really  
happened in  
that snow-  
covered field  
almost two  
decades ago,  
when the girl’s  
naked, frozen  
body was  
found? Why  
did young  
Mitch  
Newquist

disappear the day after the shocking discovery, leaving behind his distraught girlfriend, Abby Reynolds, and their best friend, Rex Shellenberger ? Now Mitch has returned to Small Plains, reigniting simmering tensions and awakening secrets. Never having resolved her feelings for Mitch, Abby is determined to uncover the startling truth about his departure. The three former friends

must confront the ever-unfolding consequences of the night that forever changed their lives—and the life of their small town. Praise for *The Virgin of Small Plains* “Nancy Pickard . . . has evolved into a writer of substantial literary power. . . . [She] has fashioned a novel that accurately reflects the secrets and silences locked deep within the hearts of all small-town Midwesterners .”—The Denver Post

“Tantalizing . . . Pickard writes with insight and compassion about an unresolved crime that continues to haunt a farming community.”—The New York Times Book Review “A class act . . . Pickard has a talent for adding depth to a story that conveys a sense of place and history.”—Orlando Sentinel “Crisply written, this new novel about loss of faith, trust, and innocence is utterly

absorbing."—Tucson Citizen

 FBI agent Chase Bracken has the unsavoury job of tracking down a rogue agent. His only solid lead is the guy's sister, sexy Dr. Dee Romine. Working undercover, Bracken will do anything to get his man...or woman. Including making love to the delectable doctor. Dee is overwhelmed by the new

"high school coach" in town. Chase seems to have infiltrated her life, her senses, her body...in a short time. She's breaking her own rules and letting emotion sway her. And Dee's certain he's doing the same. Yet something doesn't add up. Could she be sleeping with the enemy?  
**They Called Us Enemy - Expanded Edition**  
 Vintage  
 The New York Times bestselling graphic

memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal

rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation

centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the

seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime. **The Dream and Its Amplification** Scholastic Inc. "Dr. Isla Cooper must travel to Port Lucy in Jamaica to locate the witch that placed a spell on her--one that puts her

into a death-like sleep every night--before the spell becomes permanent"--

 It was meant to be a great day. Several centuries into the future, the world has finally come together under a single government, the Executive Committee.

They provide for the rest of humanity, most of whom live in huge arcologies - enormous tower block cities. The New Argo, has been sent to colonise a distant planet - code-named Gamma Six. The day it got there should have been a great one for humanity. Instead, upon reaching the planet, the New Argo blows up. But why don't the members of the Executive Committee want to investigate? And what

really happened to the New Argo? These are the questions that Lize Carr, youngest member of the Committee, wants answered. When she employs private detective Kem Logan to investigate she unwittingly starts a chain of events that will mean danger for a great many people, including Kem and herself.

#### A Novel

Harper Collins Treating such issues as animal sex, species politics, environmental justice, lesbian space and "gay" ghettos, AIDS literatures, and queer nationalities, this lively collection asks important questions at the intersections of sexuality and environmental studies.

Contributors from a wide range of disciplines present a focused engagement with the critical, philosophical, and political dimensions of sex and nature. These discussions are particularly relevant to current debates in many disciplines, including environmental studies, queer theory, critical race theory, philosophy, literary criticism, and politics. As a whole, Queer

Ecologies stands as a powerful corrective to views that equate "natural" with "straight" while "queer" is held to be against nature.

Proper Romance  
Steampunk  
A longtime Nantucket resident is trying to make the best of a lonely summer. Her spirited

granddaughter is learning what she wants out of life. Unforgettable surprises await them both in this magical, multigenerational novel from New York Times bestselling author Nancy Thayer. "Readers come to Nancy Thayer novels for the idyllic Nantucket beaches and lifestyle, but they stay for the characters."—Mary Alice Monroe Eleanor Sunderland

loves living on Nantucket in a gorgeous cliffside home that has been in her family for decades. Yet this year she can't help but feel a bit isolated, even as the island comes alive with summer travelers. Her best friend has skipped town, leaving Eleanor lonely and feeling nostalgic about her family's weekend trips to the island, made less frequently in the years since her husband's passing. Now her money-

driven children complain and beg her to sell her beloved home for a steep payout. Hoping to kick the season off on a good note, Eleanor decides her seventieth birthday may be the perfect occasion for a much-needed reunion. Fresh from her college graduation, Eleanor's granddaughter, Ari, has just ended an engagement. She longs for a change of scenery and to escape from her parents'

snobbish expectations. Taking advantage of her newfound freedom, she heads to Nantucket to clear her head before graduate school, moving in with her grandmother and taking a job at the local beach camp. As she watches Eleanor begin to form a bond with an old acquaintance, Ari herself becomes smitten with a friend's charming older brother. But just as grandmother

and granddaughter fall into a carefree routine, a few shocking discoveries throw them off course. Eleanor and Ari learn to lean on each other through every new challenge they face in life and love, in this tale filled with Nancy Thayer's signature Nantucket magic. "Nancy Thayer's Family Reunion is a wonderful slice of life."—New York Times bestselling author Brenda

 Romance  
 In the years after World War II, a rich father and his daughter unknowingly marry a man and woman who have loved each other in the past. When the father and daughter learn the truth, one of them forgives but the other cannot.  
**The History of Tom Jones, a Foundling** St  
 Martins Press  
 In the witty, sizzling finale to award-

winning author Nancy Herkness's Wager of Hearts series, a haunted writer conquers his demons with the help of a feisty muse and a passion that doesn't play by the book. Gavin Miller, the billionaire author of a bestselling thriller series, struggles with a grim secret: he hasn't written a word in more than a year. Writer's block is killing his spirit and jeopardizing his contracts with his publisher and

his Hollywood producers. Prodded by his agent, Gavin reluctantly agrees to see Allie Nichols, a sassy physical therapist tasked with treating the novelist's severe neck and shoulder pain—and maybe his writer's block, too. The tempestuous Gavin and no-nonsense Allie soon find themselves entangled in a steamy affair that sparks Gavin's creativity again. But their manipulative ex-lovers and

Gavin's lingering childhood scars threaten their happily ever after. Can Gavin and Allie find their way to love when the stakes are high and the obstacles are overwhelming?

### **The Founders**

Simon and Schuster  
 \* Instant Bestseller \*  
 New York Times Editors' Choice \* "A gripping account of PayPal's origins and a vivid portrait of the geeks and contrarians

who made its meteoric rise possible" (The Wall Street Journal)—including Elon Musk, Amy Rowe Klement, Peter Thiel, Julie Anderson, Max Levchin, Reid Hoffman, and many others whose stories have never been shared. "Deeply reported and bracingly written, this book is an indispensable guide to modern innovation and entrepreneurs hip." —Walter Isaacson, New York Times bestselling

author of Code Breaker Today, PayPal's founders and earliest employees are considered the technology industry's most powerful network. Since leaving PayPal, they have formed, funded, and advised the leading companies of our era, including Tesla, Facebook, YouTube, SpaceX, Yelp, Palantir, and LinkedIn, among many others. As a group, they have driven

twenty-first-century innovation and entrepreneurs hip. Their names stir passions; they're as controversial as they are admired. Yet for all their influence, the story of where they first started has gone largely untold. Before igniting the commercial space race or jumpstarting social media's rise, they were the unknown creators of a scrappy online payments start-up called PayPal. In

building what became one of the world's foremost companies, they faced bruising competition, internal strife, the emergence of widespread online fraud, and the devastating dot-com bust of the 2000s. Their success was anything but certain. In *The Founders: The Story of PayPal and the Entrepreneurs Who Shaped Silicon Valley*, award-winning author and biographer Jimmy Soni explores

PayPal's turbulent early days. With hundreds of interviews and unprecedented access to thousands of pages of internal material, he shows how the seeds of so much of what shapes our world today—fast-scaling digital start-ups, cashless currency concepts, mobile money transfer—were planted two decades ago. He also reveals the stories of countless individuals

who were left out of the front-page features and banner headlines but who were central to PayPal's success. Described as “an intensely magnetic chronicle” (*The New York Times*) and “engrossing” (*Business Insider*), *The Founders* is a story of iteration and inventiveness—the products of which have cast a long and powerful shadow over modern life. This narrative illustrates how this rare

assemblage of talent came to work together and how their collaboration changed our world forever. *The Bad Seed* Entangled: Lovestruck Now reissued – William March's 1954 classic thriller that's as chilling, intelligent and timely as ever before. This paperback reissue includes a new P.S. section with author interviews, insights, features, suggested reading and more. What happens to

ordinary families into whose midst a child serial killer is born? This is the question at the center of William March's classic thriller. After its initial publication in 1954, the book went on to become a million-copy bestseller, a wildly successful Broadway show, and a Warner Brothers film. The spine-tingling tale of little Rhoda Penmark had a tremendous impact on the thriller genre

and generated a whole perdurable crop of creepy kids. Today, *The Bad Seed* remains a masterpiece of suspense that's as chilling, intelligent, and timely as ever before. *Sleeping with the enemy* Ballantine Books For the Colleys of southeastern Missouri, the War between the States is a plague that threatens devastation, despite the family's avowed neutrality. For eighteen-year-

old Adair Colley, it is a nightmare that tears apart her family and forces her and her sisters to flee. The treachery of a fellow traveler, however, brings about her arrest, and she is caged with the criminal and deranged in a filthy women's prison. But young Adair finds that love can live even in a place of horror and despair. Her interrogator, a Union major, falls in love with her and vows to return

for her when the fighting is over. Before he leaves for battle, he bestows upon her a precious gift: freedom. Now an escaped "enemy woman," Adair must make her harrowing way south buoyed by a promise . . . seeking a home and a family that may be nothing more than a memory. **No One Knows** Harper Collins Fix the past. Save the future. Dak, Sera, and Riq involve

themselves in one of the most bizarre spy missions in history . . . and the outcome of World War II hangs in the balance. *George and Lizzie Simon & Schuster* Sara Burney, a young woman driven to the brink of despair by her abusive husband, decides to lose herself, take her destiny back into her own hands, and forge a new identity. Hoping that he won't find her. Infinity Ring
