The Comprehensive Bible, Etc. [Edited by William Greenfield.]

This classic Bible study help gives you a concordance, chain-reference system, topical Bible, and commentary all in one. Complete with over 500,000 Scripture references and parallel passages, this reference work contains the most exhaustive listing of biblical cross

references available anywhere. Turn to any Bible passage and you will find chapter synopses, key word cross-references, topical references, parallel passages, and illustrative notes that show how the Bible comments on itself. This resource reveals how Scripture interprets itself on every verse, topic and important word: from biblical promises, doctrines and historical issues to prophecies and their fulfillment, supplies lists of verses that shed biblical light on the intent of each passage and dates at the top of each page furnish a chronological framework for biblical people, places and events. This is a hardcover reprint edition from Hendrickson Publishers and can be used with any Bible translation.
