HESTER RIVERS

9 Days Simon and Schuster
'Zesty' Daily Mail 'A real gem of a book'
Stylist A wickedly funny tale of two rebellious sisters in 1940s Rio de Janeiro Euridice is bright and ambitious. But this is Brazil in the 1940s, and society expects her to be a loving wife and mother. While Antenor is busy congratulating himself on his excellent catch, Euridice spends her humdrum days ironing his shirts and removing the lumps of onion from his food, dreaming of the success she could have made of herself – as a writer, dressmaker or culinary whizz – in another life. Her free-spirited sister Guida, on the other hand, is the kind of person who was 'born knowing everything'. When she returns from her failed elopement with stories of heartbreak and loss, the lives of Euridice and her husband are thrown into confusion, with disastrous consequences. *The Invisible Life of Euridice Gusmao* is a darkly comic debut, bursting with vibrant Brazilian spirit and unforgettable characters – a jubilant novel about the emancipation of women.

Honey, Let's Go! This hilarious handbook translates hundreds of outrageous phrases from English into Spanish, French, German, Italian, Japanese, Portuguese, and Russian. There are sections on: • Night Life: "Are there any gay bars around here?" • Shopping: "Those shoes! I must have those shoes!" • Opening Lines: "I am a flight attendant/choreographer/actor/owner of a greeting card store." • Dining Out: "You've had worse things in your mouth!" • Parting Glances: "I never meant to hurt you." With *How to Say "Fabulous!" in 8 Different Languages*, you'll always know how to speak the native tongue!

Calling the toughest canine questions! Owing a dog is one of life's great joys, but sometimes the challenges it brings can make even the most devoted dog lovers panic, throw up their hands, or feel completely overwhelmed. Before you get to the end of your leash, turn to this friendly and relatable reference that's the next best thing to talking to a dog-owning friend who's seen it all. In *Oh My Dog*, animal rights activist Beth Ostrosky Stern has compiled tips and invaluable advice from experts—and from her own experience as dogowner—to sooth concerns, answer questions big and small, and help you and your dog get the most out of your relationship. From the moment you even consider getting a dog, to caring for your old friend when his puppy years are far behind him, *Oh My Dog* covers every angle of dog ownership, including: •

Which breeds would be good match for me? • What do I look for in a vet? • How do I make sure our first night together is as stress-free as possible? • What activities will help me bond with my dog? • Is my dog showing sign of illness? • What should I know before I head to a doggie day care or park? • How do I read pet food labels? • What should I do in an emergency? Choc full of informative side bars, questionnaires, to-do lists, and much, much more, *Oh My Dog* is the answer-filled field guide for anybody who owns a dog or is considering getting one.

••••• Beth Ostrosky Stern

The Complete Peanuts 1999-2000

Simon and Schuster

From well-known Brazilian playwright Francisco Azevedo, a heartwarming debut novel about three generations of a family whose kitchen contains the secret ingredient for happiness—sure to appeal to fans of *Like Water for Chocolate*. Once upon a time there was some rice. Rice planted in the earth, fallen from the sky, and gathered up from the stone. Rice that doesn't spoil, it came from far away, by ship with three exuberant young people filled with dreams... *Once Upon a Time in Rio* is a spellbinding family saga beginning with José Custódio and Maria Romana and their search for a prosperous future. As newlyweds, José and Maria immigrated to Brazil at the beginning of the twentieth century, accompanied by a special gift. During

the dinner preparations to celebrate their centenary wedding anniversary, their eldest son Antonio, already a grandfather, looks back at the lives of his parents, his aunt, his brothers, their children and grandchildren, as well as his own. Antonio knows that family is a difficult dish to get right and that happiness must be cooked up day by day; however, what separates his family from any other is its possession of a secret ingredient for happiness: the sack of magical rice given to his parents on their wedding day. With the help of the rice, whose magic is as old as fire and time, Antonio's family has been guided through the most trying of life's tribulations. Lyrically written, *Once Upon a Time in Rio* bares the fragile yet strong nature of the human spirit and with great insight captures the solace provided by loved ones in times of need. Already an international bestseller, this is a beautifully told tale about the wisdom of past generations and the inextricable ties of family.

A cartoon story of Snoopy, Peanuts' dog, who sees himself as a famous World War I flying ace.

Paperbound Books in Print Owl Books Celebrates the friendship enjoyed by Snoopy, Charlie Brown, and the whole Peanuts gang.

CD-ROMs in Print R. R. Bowker

A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl

champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

The Publishers Weekly RP Minis

Self-supporting ministers are wonderfully non-standard. They are deployed in a wide variety of ways and have a range of motivations, working patterns and training needs. Sometimes underused or overworked, they may feel unrecognized and under-supported. As the Church turns increasingly to its volunteer ministers, however, there are encouraging signs that SSMs are being given more creative opportunities than in the past. 'This handbook is full of sound common sense. . . [it] is both an encouragement and a challenge in the task of re-imagining ministry today.'

Robert Atwell, Bishop of Exeter

TV Guide Ten Speed Press

"A fascinating, informative and highly entertaining expedition through the highways and byways of dogdom."

—John Bradshaw, *New York Times* bestselling author of *Dog Sense* A charming meditation on the relationship between humans and dogs, drawing upon history, science, art, and personal experience to illuminate a magical bond that has endured millennia—from the *New York Times* bestselling author of *Just My Type*. "Ludo is now an elderly

gentleman, and we would do almost anything to ensure his continued happiness. We schedule our days around his needs—his mealtimes, his walks, the delivery of his life-saving medication (he has epilepsy, poor love). We spend a bizarrely large amount of our disposable income on him, and he never sends a card of thanks. When he's not with us for a few days, the house feels extraordinarily empty. I feel so fortunate to know him." Ludo is a dog—Simon Garfield's beloved black Labrador retriever, one of millions of canines who have become integral parts of our lives. But how did the dog become top dog? How did these faithful animals come to assist us not only in hunting, but in bomb disposal and cancer detection—and ultimately become our closest companions? *Dog's Best Friend* examines how this bond developed over the centuries, and how it has transformed countless lives, both human and canine. Garfield begins with the earliest visual representations—dogs depicted in ancient rock art—and ends at the laboratory that first sequenced the canine genome. Along the way, we meet the legendary Corgis of Buckingham Palace, the dogs of the Soviet space program, the world's first labradoodle, and a border collie that can identify more than a thousand different plush toys. Garfield reveals the secrets of the world's best dog trainers, takes us inside the wild world of dog breeding and dog shows, and unearths the deep psychological roots of the human-dog link. And Ludo pops his snout in from time to time as well. A celebration of this deep interspecies connection, delivered with Simon Garfield's inimitable wit, *Dog's Best Friend* offers delights and insights for anyone who has ever loved a dog.

Snoopy and the Red Baron Simon and Schuster

Peanuts is the most popular comic strip in the history of the world. Its characters -- Charlie Brown, Snoopy, Lucy, Linus, Schroeder, and so many more -- have become dearly loved icons for generation after generation. Now Charles Schulz's classic, Peanuts, will be reprinted in its entirety for the first time. In these beautifully produced editions, the strip will be presented in full in chronological order. They will be the ultimate books for Peanuts' fans the world over. These first volumes will be of particular fascination to Peanuts aficionados. Many of the strips from the series' first two or three years have never been collected before, in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know. And Snoopy debuts as a puppy!

A book of hilarious and ingenious comic drawings from the popular 30 Rock star and "World Champion" comedian Judah Friedlander, hailed by Tina Fey as "one of the all-time great weirdos." Most Americans know Judah Friedlander from his role as Frank Rossitano on 30 Rock and from appearances in films like *American Splendor* and *The Wrestler*. But long before he became a film and TV star and stand-up comic Friedlander drew stuff. Now, in this quirky, hilarious, and surprisingly profound collection of drawings, Friedlander shows a new side to his "terrifically entertaining" (New York Times) comedy. Whether imagining George Washington in Las Vegas, plastic surgery for imperfect triangles, and the Keystone Pipeline as a sex act, Friedlander's "Joodles" push boundaries as they explore the absurdities of American life, sex, and even history and human rights. *If the Raindrops United* is a milestone in the career of one of America's most inventive comedians. Praise for *If the Raindrops United*: "Judah has drawn a weird and funny book in the grand '70s tradition of B. Kliban! I think this book will probably fix the world." -- Tina Fey "Some people meditate. Some people masturbate. But if you don't have

the time or patience for either of those, I recommend reading *If the Raindrops United* to calm down, have a little laugh, or a big think." -- Susan Sarandon "I've known Judah for many years and I still don't understand how his mind works, but it sure works. Seriously strange. Seriously funny. A National Treasure. Sadly, I need to get a restraining order against him." -- Paul Giamatti "Judah thank you for writing a funny twisted book. It is such an easy read. Even dum dums like me can enjoy it!!! Buy this book." -- Dave Attell "Judah's drawings are deceptively simple, yet they become more compelling with every page. His talent as an actor/writer/comedian is further conveyed in ANOTHER medium. He's a Quadruple Threat. He wears many hats. Literally." -- Janeane Garofalo "Reading Judah Friedlander's new book is a lot like hanging out with Judah himself: occasionally baffling, frequently thought-provoking, but, most of all, consistently hilarious!" --Mick Foley "To compare Judah Friedlander to a great cartoonist like Jim Davis would be a compliment to Jim Davis." -- Wyatt Cenac "Another hit from *The World Champ* tackling the signs and symbols you frequently question while dropping hot lava in your American Standard VorMax." -- Eddie Huang
