My Pants are Haunted! Scholastic
 Sneak a peek inside the NY Times
 bestselling diary of Jamie Kelly, who
 promises that everything she writes is true
 -- or at least as true as it needs to be. Dear
 Dumb Diary, Isabella is probably right. She
 almost always is. When I think back on all
 the things I've seen Angeline do, the one
 thing they have in common is that they're
 all dumb. (They're all strawberry-scented,
 too, but I think that's just her conditioner --

although her body might actually secrete
 its own strawberry scent.) But of all the
 dumb things she's ever done, this has got
 to be the dumbest. . . .

The Sense of an Ending Scholastic Inc.
 Middle schooler Jamie Kelly returns with
 another dumb diary: "You'll laugh out loud
 at what this girl has to say." —Knight
 Ridder Tribune Dear Dumb Diary, I went
 five whole days without seeing or hearing
 from Angeline. I was beginning to get used
 to it. It's true that I have learned to
 overlook many of Angeline's flaws, like her
 flawlessness, but she can still be difficult
 to be around. Like when she's lit perfectly,
 for example. To my extreme credit, I have
 learned to pretend to ignore Angeline's
 failure to not be perfect. Jamie Kelly is
 back with an all-new, all-funny diary! But
 she has no idea that anybody is reading it.
 So please, please, please don't tell her . . .

Diary of a Mad Diva Turtleback Books
 Jim Benton, bestselling author of *Dear
 Dumb Diary* and *Franny K. Stein*, brings us
 a fresh new middle grade novel about
 breaking all the rules! There's nothing Jake
 likes more than some good trash-picking,
 so when his elderly neighbors move out
 and leave an especially promising-looking
 pile of household refuse on the curb, he
 goes right for it. He only has the chance to
 grab one box before his mom catches him
 and orders him in for dinner, though.
 When mysterious goings-on begin to occur
 in the neighborhood, the trio investigates
 the hidden box from Jack's garage. In it,
 they find the Secret Parent's Handbook

and with it all the means to subvert the irrational rules and petty tyranny of their home lives. No more clean rooms! No more vegetables! No more brushed hair or washed hands! It's all videogames and junk food all the time! But the authorities - - and the resistance -- have taken notice of the strange goings-on in Jack and his friends' neighborhood. And they are closing in . . .

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped

in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

Bestselling author Jamie Kelly is back with an all-new, all-funny diary! But she has no idea that anybody is reading it. So please, please, please don't tell her. School's out for the summer, and that means no more Meat Loaf Thursdays, Sunday homework-cramming, or teachers (way way unsuccessfully) trying to act cool. It also means that certain Mackerel Middle Schoolers have a lot of time on their hands . . . and seriously empty pockets. Isabella is going to change all that. And Jamie and Angeline are going to help --- whether they like it or not. It's the best kind of teamwork: When a whole bunch of people work together to do something wrong, instead of doing it wrong one at a time.

My Pants Are Haunted ! Scholastic Paperbacks

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true -- or at least as true as it needs to be. They were just a soft, ordinary pair of thrift-shop jeans until Jamie Kelly tried them on . . . Then they became a tight, scratchy, slightly smelly, and utterly ordinary pair of thrift-shop jeans with an embarrassing haunting problem. Do the pants have the power to soothe a vengeful beagle, vanquish The Prettiest Girl in the World, or make the wearer irresistible to the eighth cutest guy in the grade? Are the haunted pants so dazzling they can hurt and maybe permanently damage the eyes of onlookers? Or are the haunted pants just, well, haunted (which is kind of gross when you think about it)?

Can Adults Become Human? (Dear Dumb Diary #5) Scholastic Inc.

Jamie Kelly writes in her diary about her new jeans, which seemingly cause events that affect both her popularity and her efforts to get close to the eighth cutest boy in school, Hudson Rivers.

'Watch closely,' said Mrs Jewls. 'You can learn much faster using a computer

instead of paper and pencil.' Then she pushed the computer out of the window. The children all watched it fall thirty floors. 'See?' said Mrs Jewls. 'That's gravity . . .' That's the way things happen at Wayside School. There are twenty-nine kids in Mrs Jewls' class and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved by Leslie's pigtails; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn a day at Wayside School into one madcap adventure after another.

Go Ask Alice Andrews McMeel Publishing

Bestselling author Jim Benton is back, continuing a new spin on a favorite series!

Dear Dumb Diary, Just when I was pretty sure we could let the Student Awareness Committee quietly die a dignified death like some majestic old elephant or the Square Dancing Club, Angeline has to be aware of something. Great. And, of course, it couldn't be something interesting like nail polish or why maybe there should be a special class in nail polish and how to get it out of your beagle's ear. (Mom, if you're reading this, I'm not admitting anything. Somebody else could have painted a heart in his ear.) Angeline just had to be aware of one of those THINGS THAT ADULTS LIKE.

Let's Pretend This Never Happened

HarperCollins

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true -- or at least as true as it needs to be. Jamie is crushing on Hudson. Someone too-gross-to-be- named is crushing on Jamie. And Hudson is crushing on . . . Princess Turd of Turdsylvania (a.k.a. The Prettiest Girl in the World). Middle school may be grim, but it's no fairy tale. And crazy doesn't even begin to cover it.

The Handbook Scholastic Inc.

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster

thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

Return to Mackerel Middle School with a special full-color extra-dumb diary from the New York Times–bestselling author! Life at Mackerel Middle School is as dumb as ever—but Jamie Kelly may have finally found the key to fame, fortune, and fabulousness. Together with Isabella and Angeline, she’s come up with a

moneymaking idea, and it has to do with food. Everyone likes food! They’re going to be rich! The only problem? They have to come up with something that people actually want to eat. Jamie has some sophisticated thoughts on food, like, “She was manipulating us like dough. Like the sweet, delicious dough that we are. And she was baking us into the type of delicious cookies you can only get from dough like us. And she was putting sprinkles of us on top of us, and—forget it. I’m hungry. I want some cookies.” This is sure to go well. Praise for Jim Benton’s books “An amusing antic sensibility.” —Publishers Weekly “Preteens will be onboard immediately.” —Kirkus Reviews
The Shadows Scholastic Inc.

Read the hilarious, candid (and sometimes not-so-nice), diaries of Jamie Kelly, who promises that everything in her diary is true...or at least as true as it needs to be. Her best friend's a backstabber. Her worst enemy is a sweetheart. And her dog is just waiting for the right moment to seek his revenge. Why should Jamie even bother going to school? Why not? After a run-in with Mega-Popular Angeline, aka Pure Evil, Jamie reforms her selfish ways & becomes the decent human being she never thought she could be. But she quickly realizes that helping others kind of stinks. Is someone trying to thwart her attempts at irresistible inner beauty? Or will Jamie finally achieve the "I'm an angel" glow she knows will make Hudson Rivers fall madly in love w/ her?
