Battle Mage Tor Books

The Secret Skin by Wendy N. Wagner is a sawmill gothic that begins with June Vogel's return to Storm Break, her family's estate. Things in the great house aren't what they used to be. And when her brother returns with his new bride, deceit and betrayal threaten to destroy everything she loves.

Odin's Child Macmillan

Originally appearing in the Dangerous Women anthology and now available as a solo ebook, *Shadows for Silence in the Forests of Hell* is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson's Mistborn series and the #1 New York Times bestselling *Stormlight Archive*. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: "Don't kindle flame, don't shed the blood of another, don't run at night. These things draw shades." Silence Montane has broken all three rules on more than one occasion. And to protect her family from a murderous gang with high bounties on their heads, Silence will break every rule again, at the risk of becoming a shade herself.

This discounted Mistborn ebook bundle includes: *Alloy of Law*, *Shadows of Self*, *The Bands of Mourning* From #1 New York Times bestselling author Brandon Sanderson, the Mistborn: Wax & Wayne series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. Waxillium Ladrian, a rare Twinborn, can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughts, Wax has been forced by family tragedy to return to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties and dignity incumbent upon the head of a noble house. Or so he thinks, until he learns the hard way that the mansions and elegant tree-lined streets of the city can be even more dangerous than the dusty plains of the Roughts. The Palm-wine Drinkard and His Dead Palm-wine Tapster in the Dead's Town Macmillan
 WINNER, 2013 Hugo Award for Best Novella! From #1 New York Times bestselling author Brandon Sanderson, *The Emperor's Soul* showcases a fascinating magic system as the clock ticks down for a condemned criminal. When Shai is caught replacing the Moon Scepter with her nearly flawless forgery, she must bargain for her life. An assassin has left the Emperor Ashrahan without consciousness, a circumstance concealed only by the death of his wife. If the emperor does not emerge after his hundred-day mourning period, the rule of the Heritage Faction will be forfeit and the empire will fall into chaos. Shai is given an impossible task: to create—to Forge—a new soul for the emperor in less than one hundred days. But her soul-Forgery is considered an abomination by her captors. She is confined to a tiny, dirty chamber, guarded by a man who hates her, spied upon by politicians, and trapped behind a door sealed in her own blood.

Shai's only possible ally is the emperor's most loyal councillor, Gaotona, who struggles to understand her true talent. Time is running out for Shai. Forging, while deducing the motivations of her captors, she needs a perfect plan to escape... -----
 "Sanderson proves to be an exceptionally talented writer in the pages of this book. Complex as some of the background is, he never gets bogged down filling in details for the reader. Instead we learn everything we need seamlessly as the story unfolds. His prose is lyrical without ever getting in its own way ... His characters are fascinating and fully realized. ... The Emperor's Soul is one of those rare high fantasies that feels fresh and is filled with a sense of wonder." —Charles de Lint, *Fantasy & Science Fiction* -----

The Discord of Gods marks the epic conclusion to Jenn Lyons's *Chorus of Dragons* series, closing out the saga that began with *The Ruin of Kings*, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var's final plans to enslave the universe are on the cusp of fruition. He believes there's only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the 'pawn' category means Kihrin must pretend to be everything the prophecies threatened he'd become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin's goals are complicated by the fact that not all of his 'act' is one. His intentions may be sincere, but he's still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he's now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of which means he's running out of time. After all, some stars fade — but others explode. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Hero of Ages Tor Books

Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria’s magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people’s problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria’s annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn’t made for his sake, and in a world of magic even a time traveler isn’t safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

What the Storm Means: Prologue to the Gathering Storm

Dragonsteel, LLC

From #1 bestselling author Brandon Sanderson and Janci Patterson comes the second of three Skyward series novellas, each told from the perspective of a different member of the team back on Detritus. Read Alanik’s story between Starsight and Cytonic. “Don’t trust their lies. Don’t trust their false peace.” That is the warning that Alanik of the planet ReDawn gave the human pilot Spensa after Alanik’s ship crash-landed on Detritus. While accepting an invitation to meet with her people’s enemy, the Galactic Superiority, Alanik heard Spensa’s cry for help across the vastness of space, and she used her cytonic powers to hyperjump her ship to the source of that cry. What she found there was a shock—a whole planet of free humans fighting against the Superiority. Were they the allies her people desperately needed? When she recovered from her injuries and met the friendly humans Jorgen and FM of Skyward Flight, she found that her warning to Spensa had gone unheeded by the government of Detritus, and they were considering a peace overture from the Superiority. Now having returned to ReDawn, Alanik is dismayed to learn that her own people are falling into the exact same trap. The faction in ReDawn’s government that wants to appease the Superiority has gained the upper hand. With Alanik’s mentor, Renakin captured, she has no one to turn to but Jorgen, FM, and their friend Rig. An ancient technology may have the power to save both of their planets from disaster, but can they discover its secrets before it’s too late? The Cycle of Arawn: The Complete Trilogy Tor Books

Note: This novella is included in Arcanum Unbounded: The Cosmere Collection, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). Mistborn: Secret History is a companion story to the original Mistborn Trilogy. As such, it contains huge spoilers for the books Mistborn (The Final Empire), The Well of Ascension, and The Hero of Ages. It also contains very minor spoilers for the book The Bands of Mourning. Mistborn: Secret History builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn’t the place to start your journey into

Mistborn. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story’s existence is, in a way, a spoiler. There’s always another secret.

Dragonsbane (Winterlands, Book 1) Simon and Schuster

The #1 New York Times bestseller! From the #1 New York Times bestselling author of the Reckoners series, the Mistborn trilogy, and the Stormlight Archive comes the second book in an epic series about a girl with a secret in a dangerous world at war for humanity’s future. All her life, Spensa dreamed of becoming a pilot and proving herself a hero like her father. She made it to the sky, but the truths she learned there were crushing. The rumors of her father’s cowardice are true—he deserted his Flight during battle against the Krell. Worse, though, he turned against his team and attacked them. Spensa is sure that there’s more to the story. And she’s sure that whatever happened to her father that day could happen to her. When she made it outside the protective shell of her planet, she heard the stars—and what they revealed to her was terrifying. Everything Spensa has been taught about her world is a lie. Humankind has always celebrated heroes, but who defines what a hero is? Could humanity be the evil the galaxy needs to be protected from? Spensa is determined to find out, but each answer she discovers reveals a dozen new questions: about the war, about her enemies, and even, perhaps, about Spensa herself. But Spensa also discovered a few other things about herself—and she’ll travel to the end of the galaxy to save humankind if she needs to. “Sanderson delivers a cinematic adventure that explores the defining aspects of the individual versus the society. . . . Fans of Sanderson will not be disappointed.” --SLJ “It is impossible to turn the pages fast enough.” --Booklist “He’s simply a brilliant writer. Period.” --Patrick Rothfuss, author of the New York Times bestseller The Name of the Wind, on Brandon Sanderson.

The shocking conclusion to Brandon Sanderson’s Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. Alcatraz Versus the Knights of Crystallia Wraithmarked Creative, LLC

This classic novel tells the phantasmagorical story of an alcoholic man and his search for his dead palm-wine tapster. As he travels through the land of the dead, he encounters a host of supernatural and often terrifying beings - among them the complete gentleman who returns his body parts to their owners and the insatiable hungry-creature. Mixing Yoruba folktales with what T. S. Eliot described as a ‘creepy crawly imagination’, “The Palm-Wine Drinkard” is regarded as the seminal work of African literature.
