BLACK LESTER

Anti-slavery Monthly Reporter Penguin

He'd Better Watch Out by Janelle Denison Amanda Creighton has always been the epitome of good—until the day her inner vixen convinces her to tease the office bad boy with a gift he can't possibly resist.... The Nights Before Christmas by Isabel Sharpe When her Secret Santa leaves Cathy Ann Johnson barely-there lingerie, she can't help but think the gift comes with an invitation to model it. So she seduces Santa—the wrong Santa.... Mistletoe Madness by Jennifer LaBrecque Tatiana Allen believes in giving her job as a restaurant critic her all. Heck, she's even working

over the holidays! So how does she end up with Cole in her stocking?

A Knights Bridge Christmas Ascension

"Readers will easily fall for Sophie and Ned in their gaslit surroundings." -Library Journal, starred review A Courtship of Convenience Sophie Appersett is quite willing to marry outside of her class to ensure the survival of her family. But the darkly handsome Mr. Edward Sharpe is no run-of-the-mill London merchant. He's grim and silent. A man of little emotion—or perhaps no emotion at all. After two months of courtship, she's ready to put an end to things. A Last Chance for Love But severing ties with her taciturn suitor isn't as straightforward as Sophie envisioned. Her parents are outraged. And then there's

Charles Darwin, Prince Albert, and that dratted gaslight. What's a girl to do except invite Mr. Sharpe to Appersett House for Christmas and give him one last chance to win her? Only this time there'll be no false formality. This time they'll get to know each other for who they really are.

Cody Westin had been a man on a mission since the moment his wife, Cassie, walked away under a cloud of secrecy. She had her reasons, but a Westin never gives up without a fight. So when, after six long months, he was reunited with the woman he'd sworn to love, honor and cherish, it was her very pregnant belly and the fact that she'd been accused of unspeakable crimes that made him realize just how much had changed. Knowing she'd be safer by his side, they headed back to Wyoming and the life Cassie seemed desperate to leave behind. Unfortunately, danger followed, and now Cody not only had a marriage to protect, but the lives of those who mattered most. Would the trouble bring them closer together--or tear their newfound family apart?

Wilt on High HarperCollins UK

Wilt is back - in form, and in a good deal of trouble. Henry Wilt is still teaching at the Fenland Tech, attempting to drill English into plasterers, dozing through tedious committee meetings and occasionally getting mildly plastered in 'The Pig in a Poke' with one of his few bearable colleagues. But the even tenor of his days is rudely interrupted when the shadow of drug dealing flickers across the Tech. Suddenly Wilt becomes the target of suspicion.

His colleagues believe him to be responsible for triggering a departmental inquiry, and his old adversary Inspector Flint, knowing that he's guilty of something, sees a chance to settle a number of scores. What starts with an accusation of voyeurism in the staff lavatory (of the wrong gender to boot) leads, more or less directly, to a massive confrontation at a nearby US airbase with the forces of law and order on both sides and Wilt in his usual place - in the middle.

Good Judgment Harlequin

The Seventeenth Sharpe Novel Sees Sharpe Returning From India To London To Join The Newly Formed Green Jackets. Sharpe, Though A Little More Comfortable With His New Officer Rank, Is Sure That This New Unit Is Of Lower Status, And That He Has Failed. His Ship Home Is Shipwrecked: He Is Captured By Pirates, But Fighting Free With A Few Companions, Finds Himself On A British Navy Ship Heading To Join Nelson'S Fleet. And There, In October 1805, He Finds Himself Involved In The Great Sea Battle, And Discovers New Skills In Fighting On Sea

My First Interactive Mass Book Harlequin

Winner of the National Book Critics Circle Award "Impeccably researched and seductively readable...tells the story of Sam Sharpe's revolution manqué, and the subsequent abolition of slavery in Jamaica, in a way that's acutely relevant to the racial unrest of our own time." —Madison Smartt Bell, author of *All Souls' Rising* The final uprising of enslaved people in Jamaica started as a peaceful labor strike a few days shy of Christmas in 1831. A harsh crackdown by white militias quickly sparked a full-blown revolt, leaving hundreds of plantation houses in smoking ruins. The rebels lost their daring bid for freedom, but their

headline-grabbing defiance triggered a decisive turn against slavery. *Island on Fire* is a dramatic day-by-day account of these transformative events. A skillful storyteller, Tom Zoellner uses diaries, letters, and colonial records to tell the intimate story of the men and women who rose up and briefly tasted liberty. He brings to life the rebellion's enigmatic leader, the preacher Samuel Sharpe, and shows how his fiery resistance turned the tide of opinion in London and hastened the end of slavery in the British Empire. "Zoellner's vigorous, fast-paced account brings to life a varied gallery of participants...The revolt failed to improve conditions for the enslaved in Jamaica, but it crucially wounded the institution of slavery itself." —Fergus M. Bordewich, *Wall Street Journal* "It's high time that we had a book like the splendid one Tom Zoellner has written: a highly readable but carefully documented account of the greatest of all British slave rebellions, the miseries that led to it, and the momentous changes it wrought." —Adam Hochschild, author of *Bury the Chains*

Don't miss Tess Sharpe's new novel, *6 Times We Almost Kissed (and One Time We Did)*. The truth won't let her go. Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina---and about the secret they shared.

A band of renegades led by Sharpe's vicious enemy, Obadiah Hakeswill, holds a group of British and French women hostage on a strategic mountain pass. Outnumbered and attacked from two sides, Sharpe must hold his ground or die in the attempt.

Sharpe's Gold Simon and Schuster

Engage children in the Mass and inspire them to love the Holy Eucharist. Beautiful artwork and hands-on activities like wheels, flaps, and tracing invite children into the beauty of the Mass.

Simple explanations and prayers of the Mass provide a deeper understanding for little ones. Written by a Catholic mother, this sturdy, interactive board book will help Catholics teach their children about the mysteries of God's love in the Mass. Children ages 3 and up will be delighted to have their own book at church, which will help them learn the order of the Mass, follow along with the prayers, and discover the wonders that happen at every Mass.

Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record HarperCollins UK

Major Sharpe should be fighting the French -- but his worst enemies are in England. . . Major Richard Sharpe's men were in mortal danger -- not from the French, but from the bureaucrats of Whitehall. Unless reinforcements could be brought from England, the depleted South Essex would be disbanded, their troops scattered throughout the army. Determined not to see his regiment die, Sharpe returns to England and uncovers a nest of well-bred, high-ranking traitors, any one of whom could utterly destroy his career with a word, or a stroke of the pen. Sharpe is forced into the most desperate gamble of his life -- and not even the influence of the Prince Regent may be enough to save him. . .

SHARPE'S ASSASSIN, the brand new novel in the global bestselling series, is available to buy now

Sharpe's Company: The Siege of Badajoz, January to April 1812 (The Sharpe Series, Book 13) Doubleday Books for Young Readers

Good Judgment, based upon the author's experience as a lawyer,

law professor, and judge, explores the role of the judge and the art of judging. Engaging with the American, English, and Commonwealth literature on the role of the judge in the common law tradition, *Good Judgment* addresses the following questions: What exactly do judges do? What is properly within their role and what falls outside? How do judges approach their decision-making task? In an attempt to explain and reconcile two fundamental features of judging, namely judicial choice and judicial discipline, this book explores the nature and extent of judicial choice in the common law legal tradition and the structural features of that tradition that control and constrain that element of choice. As Sharpe explains, the law does not always provide clear answers, and judges are often left with difficult choices to make, but the power of judicial choice is disciplined and constrained and judges are not free to decide cases according to their own personal sense of justice. Although *Good Judgment* is accessibly written to appeal to the non-specialist reader with an interest in the judicial process, it also tackles fundamental issues about the nature of law and the role of the judge and will be of particular interest to lawyers, judges, law students, and legal academics.

A Holiday By Gaslight Random House

Reprint of the original, first published in 1898.

Sharpe's Company HarperCollins UK

For anyone who's ever asked "Why can't we have a Christmas tree?" comes a lighthearted story about being Jewish during the holiday season—by actress Amanda Peet! Rachel Rosenstein is determined to celebrate Christmas this year—and the fact that her family is Jewish is not going to stop her. In a series of

hilarious and heartwarming mishaps, Rachel writes a letter to Santa explaining her cause, pays him a visit at the mall, and covertly decorates her house on Christmas Eve (right down to latkes for Santa and his reindeer). And while Rachel may wrestle with her culture, customs, and love of sparkly Christmas ornaments, she also comes away with a brighter understanding of her own identity and of the gift of friends and family. Inspired by actress Amanda Peet's experience with her own children, *Dear Santa, Love, Rachel Rosenstein* is sure to be a new holiday classic! "Will help introduce young readers to other cultures while allowing them to preserve the magic of their own."—Booklist "Actress Peet and her friend/coauthor Troyer, both newcomers to children's books, handle Rachel's obsession and her family's strong sense of religious identity with equal empathy and humor."—Publishers Weekly "There's lots of humor in the text and in the lively, scribbly, colorful illustrations. But the authors wisely don't gloss over Rachel's feelings—which can be common for anyone who doesn't celebrate Christmas that time of year, a notion that steers the text toward a happy, multi-culti ending."—The Horn Book

Island on Fire Harper Collins

"It was a bloody awful shot," Sharpe said. "My mother could lay a gun better than that." "I didn't think you had a mother," Private Garrard said. "Everyone's got a mother, Tom." "Not Sergeant Hakeswill," Garrard said, then spat a mix of dust and spittle. . . .

"Hakeswill was spawned of the devil." Richard Sharpe—Soldier, hero, rogue—the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles, whose green jacket he proudly wears.

Sharpe's Revenge Little, Brown Books for Young Readers
Richard Sharpe triumphs in the last battle of the war, only to find himself in worse peril when charged to recover Napoleon's treasure. It is 1814. There are rumours that Napoleon is dead, or has run away, but Sharpe has one last, battle to fight before he can lay down his sword - it is the battle for Toulouse. Little does he know it will be one of the bloodiest conflicts of the war. But Sharpe's war is not only the battle. Accused of stealing Napoleon's treasure, Sharpe must discover the unknown enemy who has tried to frame him - and his revenge is ingenious and devastating. Soldier, hero, rogue - Sharpe is the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles whose green jacket he proudly wears.

Westin Family Ties HarperCollins UK

With Wellington outnumbered, the bankrupt army's only hope of avoiding, collapse is a hidden cache of Portuguese gold. Only Captain Richard Sharpe is capable of stealing it-and it means turning against his own men.
