Broken Idols of the English Reformation Simon and Schuster
 Society columnist Nora Blackbird is thrust into the world of celebrity tabloid gossip when a billionaire buys the farm.... Nora's assigned to write a profile on billionaire fashion designer Swain Starr, who recently retired to build a high-tech organic farm with his new wife, Zephyr, a former supermodel. But before Nora can get the story, the mogul is murdered. And now her boss wants her to snap up an exclusive on who killed Starr before the cops do. But solving this murder won't be easy with a family as colorful as Nora's. Mick, her sort-of husband, is associating with unsavory characters from his past. Her sister Libby is transforming into a stage mom for her diabolical twins. And Emma, the youngest Blackbird, is mysteriously kicked out of the house by Mick. Nora's home life may be hogging the spotlight, but there's also a matter of Starr's missing pig, which just might be the key to solving this mystery and the way Nora can bring home the bacon....

Finnegans Wake by James Joyce - Delphi Classics (Illustrated) Arcadia

Why were so many religious images and objects broken and damaged in the course of the Reformation? Margaret Aston's magisterial new book charts the conflicting imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images, rails and screens to bells, organs and stained glass windows. She explores the motivations of those who smashed images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity. She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge in the long term new generations of new believers. Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning. Idol-breaking with its emphasis on the treacheries of images fundamentally transformed not only Anglican ways of worship but also of seeing, hearing and remembering.
