The hilarious and heartwarming companion to international bestselling author Liz Climo's You're Mom From new dads to those who've been around the block, dads who go to work to those who are at home, and all the dads in between, You're Dad is a touching tribute to fathers everywhere. With humor, heart, and adorable drawings, Liz Climo celebrates fatherhood in all its shapes and sizes (and species). Featuring different types of dads and the paths they can travel, Climo's whimsical animal illustrations take us through the adventures of fatherhood, commemorating the laughter and the tears as well as the stumbles and the triumphs. Perfect for dads, the dad-like, any and all parents, and the people who love them, this sweet collection of fatherly love will move and delight.

The Devil's Choir W H Allen

A Frequency Dictionary of French is an invaluable tool for all learners of French, providing a list of the 5000 most frequently used words in the language. Based on a 23-million-word corpus of French which includes written and spoken material both from France and overseas, this dictionary provides the user with detailed information for each of the 5000 entries, including English equivalents, a sample sentence, its English translation, usage statistics, and an indication of register variation. Users can access the top 5000 words either through the main frequency listing or through an

alphabetical index. Throughout the frequency listing there are thematically-organized lists of the top words from a variety of key topics such as sports, weather, clothing, and family terms. An engaging and highly useful resource, the Frequency Dictionary of French will enable students of all levels to get the most out of their study of French vocabulary. Former CD content is now available to access at www.routledge.com/9780415775311 as support material. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research work. Deryle Lonsdale is Associate Professor in the Linguistics and English Language Department at Brigham Young University (Provo, Utah). Yvon Le Bras is Associate Professor of French and Department Chair of the French and Italian Department at Brigham Young University (Provo, Utah).

Manhattan's Babe Polygon

One night in a Parisian nightclub and the aftermath of a marriage provide the stories for these two novels by Frederic Beigbeder, award-winning author of 'Windows on the World'.

Welcome to Dunder Mifflin Abrams

11 September 1683, Rome. The citizens of the city wait anxiously for the outcome of the battle for Vienna as Ottoman forces lay siege to the defenders of Catholic Europe. Meanwhile, a suspected outbreak of plague causes a famous Roman tavern to be placed under quarantine. One of its detainees, the mysterious Atto Melani, a spy in the service of France, discovers a secret passage leading deep into the Roman underworld. A plot to assassinate the pope and plans to use the plague as a weapon of mass destruction in the battle between Islam and the West are discovered.

Meticulously researched and brilliantly conceived, *Imprimatur* contains startling revelations that have been concealed for centuries, drawing on original papers discovered in the Vatican archives. A thriller in the vein of Umberto Eco's *The Name of the Rose*, this novel sheds new light on the power struggles of 17th-century Europe, the repercussions of which are still felt today. First published to great controversy in Italy in 2002, *Imprimatur* was boycotted by the Italian press and publishing world. Despite this, the novel has gained European bestseller status; it has been translated into 20 languages with editions published in 45 countries. Over 1 million copies have been sold to date.

[Book of Enigmas](#) Flatiron Books

Very young children are introduced to the beautiful story that changed the world, the birth of the Savior at Christmas. With glorious illustrations by the acclaimed children's book artist Maite Roche, the little ones see and learn about the Wise Men who followed the star to Bethlehem, the sheep and donkeys, the angels and the shepherds, and the Baby Jesus and his Mother Mary, born in the humble stable in Bethlehem.

How to Traumatize Your Children Skyhorse

NEW YORK TIMES BESTSELLER ● From the bestselling author of *The Sisterhood*, a riveting novel about the daughter of author Leo Tolstoy, based on original letters and diary entries ● A treat for lovers of historical fiction 1909, Russia. 39-year-old Tatiana has all the reasons to be happy: her father is possibly the world's greatest living author; her financial future is secure, and she is in love. Yet her father, 70-year-old Leo Tolstoy, opposes the marriage. This is not the first time he had scared away four of Tatiana's suitors. In fact, her father does not see why she should marry and enslave herself to a man. Yet Tatiana knows that she is not getting any younger. Having dedicated her life to her father's career and to the raising of her ten siblings, she feels now is her time to spread her wings. The only question is whether she has any? With courage, grace, and powerful insight, bestselling author Caroline Dubois captures the epic panorama of pre-revolution Russia and illuminates an intimate part of history seldom seen: the daughter's struggle. A heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. "Dubois skillfully weaves Tolstoy's daughter's tale with the correspondence of a yet-to-be-known shy Indian lawyer, Mahatma Gandhi. Through Gandhi's eyes, the daughter is to learn a valuable lesson in forgiveness."-*The New Yorker* "A gem... Entirely original, *Her Father's Daughter* is a book you set aside like a fine wine and wait for the chance to reopen and savor it."-BookPage "Historical fiction at its best."-*Bustle*

[Reclaiming the Classroom](#) HarperCollins

Women are leading the fight against feminism and women's rights. The question is, why? From pop icons to working mothers, women are abandoning feminism in unprecedented numbers. Even scarier, they are also leading the charge to send it to its grave. Women head anti-feminist PR campaigns; they support anti-feminist politicians; they're behind more than 70 lawsuits across North America to silence the victims of campus rape; they participated in Gamergate, the violent, vitriolic anti-women-in-technology movement; and they're on the front lines of the fight to end reproductive rights. Everywhere we turn, there's evidence anti-feminist bombs have exploded, sometimes detonated by the unlikeliest suspects. Between women who say they don't need feminism and women who can't agree on what feminism should be, the challenges of fighting for gender equality have never been greater. *F-Bomb* takes readers on a witty, insightful, and deeply fascinating journey into today's anti-feminist universe as investigative journalist and feminist Lauren McKeon explores generational attitudes, debates over inclusiveness, and differing views on the intersection of race, class, and gender. She asks the uncomfortable question: If women aren't connecting with feminism, what's wrong with it? And she confronts the difficult truth: For gender equality to prevail, we first need to understand where feminism has gone wrong and where it can go from here. In a world where sexual harassment allegations regularly dominate news coverage and in which 53 percent of white women voted for Donald Trump, *F-Bomb* presents urgent and necessary discussion on women's lives today. This book is not authorized by and has no relationship to the WMC *FBomb*, an inclusive feminist blog that has been publishing since 2009. See www.womensmediacenter.com/fbomb.

No Word from Gurb NYU Press

The best part of Christmas is getting to hear one of Uncle Paul's stories. This year, Uncle Paul treats the kids—and us—to the story of the real-life boy who inspired the beloved *Spirou*. It's 1929. Ptirou is a circus acrobat who, while the world's economy is crashing, sees his own world fall apart. Orphaned, and possessing only his skill, a bottle of perfume, and an inherited dream, Ptirou sets out for New York and new adventures. With saboteurs on one side, the lovely Juliette on the other, and his own knack for mischief, Ptirou finds adventure aboard an ocean liner before it's even left port.

[Her Father's Daughter](#) SAGE Publications Limited

This book focuses on hope as a religious phenomenon, as the inspiration for various kinds of millenarianism, their cults of possession and utopian experiments. Drawing in particular on anthropology and the sociology of religion, the author presents a survey of millenarianism in many cultures, including Judaism, Islam and the early Christians. He also considers more recent millenarianisms such as the Fifth Monarchy Men, the Mormons, the Doukhobors and 'Black Messiah' movements in the Third World. He goes on to indicate the relationships between revolutionary ideologies and religious messianism, and points to the contrast between older movements, which were predominantly religious, and more recent forms of millenarianism, which tend to be social in character. He stresses, however, that both have or had a common aim -- the achievement of a perfect society.

Pigs in Hiding Routledge

The *Mirth of Nations* is a social and historical study of jokes told in the principal English-speaking countries. It is based on use of archives and other primary sources, including old and rare joke books. Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups. In this way, he achieves an appreciation of the unique characteristics of the humor of each nation or group. A tightly argued book,

The *Mirth of Nations* uses the comparative method to undermine existing theories of humor, which are rooted in notions of hostility, conflict, and superiority, and derive ultimately from Hobbes and Freud. Instead Davies argues that humor merely plays with aggression and with rule-breaking, and that the form this play takes is determined by social structures and intellectual traditions. It is not related to actual conflicts between groups. In particular, Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self-mocking as many writers since Freud have suggested. Rather Jewish jokes, like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self-awareness. The volume shows that the forty-year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles. Jokes are not serious and are not a form of determined aggression against others or against one's own group. The *Mirth of Nations* is readable as well as revisionist. It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner. Its rich use of examples of all kinds of humor entertains the reader, who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular. The book will appeal to general readers as well as those in cultural stu

The Christmas Star New Directions Publishing

See the Grishaverse come to life on screen with the Netflix series, *Shadow and Bone* -- Season 2 streaming now! Meet Kaz Brekker and his crew:

Jesper, Inej, Wylan, and the star-crossed Nina and Matthias, on the heist of a lifetime in *Six of Crows* from #1 bestselling author, Leigh Bardugo.

Ketterdam: a bustling hub of international trade where anything can be had for the right price—and no one knows that better than criminal prodigy Kaz Brekker. Kaz is offered a chance at a deadly heist that could make him rich beyond his wildest dreams. But he can't pull it off alone. . . . A convict with a thirst for revenge. A sharpshooter who can't walk away from a wager. A runaway with a privileged past. A spy known as the Wraith. A Heartrender using her magic to survive the slums. A thief with a gift for unlikely escapes. Six dangerous outcasts. One impossible heist. Kaz's crew is the only thing that might stand between the world and destruction—if they don't kill each other first. *Six of Crows* by Leigh Bardugo returns to the breathtaking world of the Grishaverse in this unforgettable tale about the opportunity—and the adventure—of a lifetime. While it's inevitable that all of us will traumatize our children, even the most committed parents have lacked guidance to do so deliberately and effectively. Whether you want to traumatise your kids the same way your parents used to or use a different approach, this book shows you the way.

[The Tongue of Adam](#) Carlton Publishing Group

A playful and erudite look at the origins of language In the beginning there was one language—one tongue that Adam used to compose the first poem, an elegy for Abel. “These days, no one bothers to ask about the tongue of Adam. It is a naive question, vaguely embarrassing and irksome, like questions posed by children, which one can only answer rather stupidly.” So begins Abdelfattah Kilito’s *The Tongue of Adam*, a delightful series of lectures. With a Borgesian flair for riddles, stories, and subtle scholarly distinctions, Kilito presents an assortment of discussions related to Adam’s tongue, including translation, comparative religion, and lexicography: for example, how, from Babel onward, can we explain the plurality of language? Or can Adam’s poetry be judged aesthetically, the same as any other poem? Drawing from the commentators of the Koran to Walter Benjamin, from the esoteric speculations of Judaism to Herodotus, *The Tongue of Adam* is a nimble book about the mysterious rise of humankind’s multilingualism.

[A Frequency Dictionary of French](#) Abrams

A collection of the stories, legends, and rituals surrounding Christmas, featuring colorfully illustrated lithographs. This festive follow-up to *The Little Book of Saints* and *The Little Book of Angels* explores the wonderful rituals and rich history surrounding Christmas. From the story of the nativity to the legends that have inspired beloved holiday traditions (like why Father Christmas arrives through the chimney), this collection includes Christmas customs from around the world. Beautifully illustrated with color lithographs taken from missals and prayer books, this joyful little book is a Christmas treasure for the whole family to gather around year after year.

[Garbage Pail Kids](#) RP Minis

New York Times Bestseller! A compendium about tiny ripples that created big waves in history. What was Hitler’s real name? Which famous artist was mistakenly thought to be stillborn, until his uncle revived him by blowing cigar smoke in his face? And what were Albert Einstein’s last words? Hilarious, fascinating, and a roller coaster of dizzying historical what-ifs and lesser-known anecdotes, *Napoleon’s Hemorrhoids* is a potpourri for serious historians and casual history buffs that reveals how much of history turned out to be the consequences of fortune, accident, or luck. Here, you’ll learn that Communist jets were two minutes away from opening fire on American planes during the Cuban missile crisis, when they had to turn back as they were running out of fuel. You’ll discover that before the Battle of Waterloo, Napoleon’s painful hemorrhoids prevented him from mounting his horse to survey the battlefield. You’ll learn that Nixon’s White House taping system was accidentally revealed by an aide, causing his downfall in the Watergate scandal. You’ll discover how Coca-Cola’s most famous advertisement, launched in 1971 was inspired by an unplanned all-night layover at an Irish airport. (And . . . no one actually knows Einstein’s last words. They were in German, a language his nurse did not speak.) A treasure trove of astonishing anecdotes about the tiny ripples that created big waves in history, *Napoleon’s Hemorrhoids* reveals how our most famous incidents, best-loved works of art, and most accepted historical outcomes are simply twists of fate.

Holiday in a Coma National Geographic Books

Set during the summer of 1941, this illustrated novel is a nostalgic, fictionalized account of the true-life love story of up-and-coming writer S.D. Salinger and beautiful socialite, Oona O'Neill, daughter of the great America playwright.
