---

**Spiritual Friendship** Moody Publishers  
Dietrich Bonhoeffer, one of the most influential Christian martyrs in history, bequeathed to humanity a legacy of theological creativity and spirituality that continues to intrigue people from a variety of backgrounds. *Life Together* gathers Bonhoeffer's 1938 reflections on the character of Christian community, based on the common life that he and his seminarians experienced at the Finkenwalde Seminary and in the "Brother's House" there. The stimulus for the writing of *Life Together* was the closing of the preacher's seminary at Finkenwalde by the Nazis. While Bonhoeffer wrote with his own seminary community in mind, he intended *Life Together* to have a more universal impact, and spoke of a mission and responsibility of the church as a whole. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by Geoffrey B. Kelly to clarify the theological meaning and social importance of Bonhoeffer's work.

**Sally's Baking Addiction** Harper Collins

Bonhoeffer says spiritual care is a function of the congregation and that it is an aspect of the broader, more encompassing activity of proclamation. In *Spiritual Care*, we are confronted with the awesome truth that in speech God's presence is known and that speech is also our own; in silence God's presence is known and that silence is also our own. The text demands us to consider how the gospel message is brought to people in the midst of their personal

lives, and his message and counsel use the tools given within the traditional life of the church so that such grace becomes enacted, enfleshed, and incarnate in the Christian community.

**Creation and Fall Temptation**

Fortress Press

Author A. J. Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different "types," the Enneagram has become a popular tool for self-awareness and improvement. But in this book, Sherrill goes deeper, exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation. Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity, personality, discipleship, spiritual practices, evangelism, and the Bible. Using this fresh approach, Sherrill shows how our true identity is that of a beloved child of God. Recognizing that, we can move confidently into the world expressing this identity through our unique personality. Through Sherrill's detailed spiritual exploration of each type, readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely. Foreword by Chuck DeGroat.

Keys to Bonhoeffer's Haus Fortress Press

It is no secret that isolation is one of the key ailments of our age. But less explored is the way the church as it is frequently practiced contributes to this isolation instead of offering an alternative. With the help of Dietrich Bonhoeffer, this book argues for a renewed vision of the church community as a theological therapy to cultural, moral, and sociological isolation. It offers an account of how familiar church practices, such as Scripture reading,

worship, prayer, and eating, contribute to community formation in the body of Christ.

*Gospel Wakefulness (Foreword by Ray Ortlund)* Fortress Press

Whether in our careers, churches, schools or families, busyness is the norm, and anything less makes us feel unproductive and anxious. John Koessler understands that rest is not automatic or easy to attain. With honest, biblical reflections on trends in our culture and churches, he presents a unique perspective on how pursuing rest leads us to the heart of God.

**Life Together** A&C Black

We may know the gospel. We may believe it—even proclaim it. But we also may assume the gospel and become lethargic. In this book Jared Wilson seeks to answer the central question, how do we experience and present the gospel in a fresh, nonroutine way in order to prevent ourselves and others from becoming numb? His answer may be surprising: "by routinely presenting the unchanging gospel in a way that does justice to its earth-shaking announcement." We don't excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting-edge, dramatic rhetoric, but by passionately and faithfully proclaiming the same truths we have already been given in Scripture. Wilson's book will stir churches to live out the power of the gospel with a fervent, genuine zeal. After an explanation of the term "gospel wakefulness," Wilson unpacks implications for worship, hyper-spirituality, godly habits, and sanctification, as well as other aspects of church life. Pastors, church leaders, and all in ministry, especially those who are tired or discouraged, will be uplifted,

emboldened, and empowered by this book.

Life Together Crossway

Dietrich Bonhoeffer was just thirty-nine years old when he was executed by the Nazis in 1945, yet his influence on Christian theology and life has been enormous. "A testament to freedom" takes readers along a biographical-historical journey that follows Bonhoeffer through the various stages of his life and career, including his final years in the underground resistance against the Nazi government and his subsequent martyrdom. This book features previously untranslated writings, sermons, and selections from his letters spanning his entire pastoral-theological career, including his prison letters

**5 Minutes in Church History** Baker Academic

Perhaps Dietrich Bonhoeffer's most radical book, this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years.

Bonhoeffer on the Christian Life

Broadleaf Books

The youth ministry focus of Dietrich Bonhoeffer's life is often forgotten or overlooked, even though he did much work with young people and wrote a number of papers, sermons, and addresses about or for the youth of the church. However, youth ministry expert Andrew Root explains that this focus is central to Bonhoeffer's story and thought. Root presents Bonhoeffer as the forefather and model of the growing theological turn in youth ministry. By linking contemporary youth workers with this epic theologian, the author shows the depth of youth ministry work and underscores its importance in the church. He also shows how Bonhoeffer's life and thought impact present-day

youth ministry practice.

Theologian of Resistance Fortress Press  
 Jesus died with a psalm on his lips. For millennia, humans have been shaped by the Psalms. And before the Nazis banned him from publishing, German theologian Dietrich Bonhoeffer published this book on the Psalms. What comfort is found in the Psalter? What praise, and what challenge? What threat? In the pages of *Psalms: The Prayer Book of the Bible*, discover the richness this book of Scripture held for Bonhoeffer, and learn to pray psalms along with Christ. First published in 1940, this classic reveals how the Psalms are essential to the life of the believer and offers Bonhoeffer's reflections on psalms of thanksgiving, suffering, guilt, praise, and lament. Now with an introduction by Walter Brueggemann and excerpts from the Psalms, Bonhoeffer's timeless work offers contemporary readers ancient wisdom and resources for the living of these days. Includes a biographical sketch of Bonhoeffer written by his friend and biographer Eberhard Bethge.

**The Good and Beautiful God** Simon and Schuster

WHAT MAKES A COMMUNITY EXTRAORDINARY? When people live in community moved by the gospel and marked by the Spirit, great things happen. They commit to one another. They grieve together, sing together, eat, pray, and play together. They love, serve, honor, encourage, and provide for each other gladly. And they live on mission together. Hearts are healed, walls come down, and outsiders come in. No competition. No pretense. No vain conceit. Just full hearts breaking bread and giving freely. It is nothing short of amazing. Most of us live in a shadow of what God intended for us. Life in Community calls us into the light.

Reclaiming Scripture's stunning vision of gospel-centered community, it inspires us to live in love unbounded. Read it, live it, and join the movement: Help unleash the power of extraordinary community.

6-Week group study included.

Life Together Zondervan

The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan "black lives matter." The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God's Word as the solution. Kingdom Race Theology helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice.

*Letters and Papers from Prison* Harper San Francisco

This short book is a reflection on life as an intentional Christian community, written by Bonhoeffer during his time as a head of the Illegal Seminary of the Confessing Church in Finkenwalde (Eastern Prussia).

From Isolation to Community Crossway  
 After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer

continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in *Life Together* we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. *Life Together* is bread for all who are hungry for the real life of Christian fellowship.

*Dietrich Bonhoeffer 1906-1945* Vintage  
This book opens a window into the lives and extraordinary witness of a Christian couple whose faithful life of service has earned the moniker of Ethiopia's Bonhoeffer. In Part One, the reader encounters the extant writings of Gudina Tumsa. Gudina's ideas were by no means silenced by his murder. If anything, quite the opposite, as is so often the case with martyrs. Part Two is a highly personal account of Gudina and Tsehay's life, witness, and sufferings. Aud Saeveras, a Norwegian missionary working with her husband in Ethiopia, got to know Tsehay during her many years in prison, often bringing her food. After Tsehay was finally released, Saeveras encouraged her to report the truth about what had happened. The result was this memoir, first written in Norwegian, then translated into German, and now for the first time in English. Saeveras frames the story, but most of the words are Tsehay's. This collection concludes with an essay by Samuel Yonas Deressa on the impact that Gudina's vision has had on the EECMY

and the formation of the Gudina Tumsa Foundation with its various scholarly and development activities. Gudina lives on in the many Ethiopian Christians who continue to be inspired by his life and witness.

*Theological Education at Finkenwalde*  
Brazos Press

Eloquent, incisive, encouraging, and challenging--Bonhoeffer invites readers to find in the Psalm both a path toward rest in God and a call to Christ-like living as followers of the Lord Jesus.

**Life Together - new edition**

InterVarsity Press

Christianity Today Book Award Winner  
Friendship is a relationship like no other. Unlike the relationships we are born into, we choose our friends. It is also tenuous--we can end a friendship at any time. But should friendship be so free and unconstrained? Although our culture tends to pay more attention to romantic love, marriage, family, and other forms of community, friendship is a genuine love in its own right. This eloquent book reminds us that Scripture and tradition have a high view of friendship. Single Christians, particularly those who are gay and celibate, may find it is a form of love to which they are especially called. Writing with deep empathy and with fidelity to historic Christian teaching, Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship. He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith. This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships.

*The Cost of Discipleship* SCM Press

Turning to the Gospels, James Bryan Smith invites you to compare your ideas about God with what Jesus himself reveals about his Father. In this Good and Beautiful Series book, Smith leads you through a process of spiritual formation that includes activities aimed at making these new narratives real in your body and soul as well as your mind.

### **The Enneagram for Spiritual**

**Formation** Race Point Publishing  
Written on the back of Bonhoeffer's experience as head of the German 'confessing church' seminary in Finkenwalde.

**Bonhoeffer's Seminary Vision** Brazos Press

Winner, Christianity Today 2015 Book Award in History/Biography Shortlisted for the PEN/Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945, Dietrich Bonhoeffer, the German pastor, theologian, and anti-Hitler conspirator, has become one of the most widely read and inspiring Christian thinkers of our

time. With unprecedented archival access and definitive scope, Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe. From his brilliant student days in Berlin to his transformative sojourn in America, across Harlem to the Jim Crow South, and finally once again to Germany where he was called to a ministry for the downtrodden, we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ. We witness his growing convictions and theological beliefs, culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler. Bringing to life for the first time this complex human being—his substantial flaws, inner torment, the friendships and the faith that sustained and finally redeemed him—Strange Glory is a momentous achievement.
