FARLEY DALE

The 100. Day 21 Galera

A frenética continuação do livro que inspirou o seriado de TV homônimo Vinte e um dias se passaram desde que os cem escolhidos chegaram à Terra com a missão de recolonizar o planeta, e até agora não há nenhum sinal da Colônia. Eles acreditam ser os únicos humanos em solo terrestre, porém uma descoberta aterrorizante ameaça os novos colonos. Diante de um inimigo desconhecido, Wells assume a liderança, se esforçando para manter o grupo unido e Clarke vai à procura de outros sobreviventes. Octavia continua desaparecida e Bellamy está determinado a encontrá-la a todo custo. Enquanto isso, nas naves, a situação é bastante crítica. O oxigênio está acabando em Walden, e Glass e Luke criam um plano para entrar em Phoenix ilegalmente. Mas, mesmo que funcione, a solução é apenas temporária e a sobrevivência da Colônia está ameaçada. Em Dia 21, a sobrevivência atinge um novo patamar. À medida que os segredos impensáveis são

revelados, os cem percebem que tudo aquilo em que acreditavam era menti

It's been 21 days since the hundred landed on Earth. They're the only humans to set foot on the planet in centuries... or so they thought. Book 2 in The 100 series, now a popular show on the CW network. Facing an unknown enemy, Wells attempts to keep the group together. Clarke strikes out for Mount Weather, in search of other colonists, while Bellamy is determined to rescue his sister, no matter the cost. And back on the ship, Glass faces an unthinkable choice between the love of her life and life itself. In this pulse-pounding sequel to The 100, secrets are revealed, beliefs are challenged, and relationships are tested. And the hundred will struggle to survive the only way they can--together.

The orientation of a tunnel entrance with respect to the burst point of a bomb plays a major part in determining the strength propagated through the tunnel. Data from tunnels oriented face-on and side-on to blast wave are compared to a shock tube with an area change at the diaphragm. The analogy permits data to be extrapolated to high shock strengths.

Día 21 (Los 100 2)

Now a major TV series on E4. In this pulse-pounding sequel to Kass Morgan's The 100, secrets are revealed, beliefs are challenged, and relationships are tested. And the hundred will struggle to survive the only way they can - together. It's been 21 days since The 100 landed on Earth. Hospital Corps Handbook, United States Navy, 1923

Nadie ha puesto los pies en la tierra en siglos... hasta ahora. Acosados por un enemigo desconocido, los cien lucharán para sobrevivir de la única manera posible: permaneciendo unidos. Día 5 Bajo la amenaza de un enemigo desconocido, Wells intenta mantener a los cien unidos, decidido a proteger a los últimos humanos sobre la Tierra. Día 11 A bordo de la nave, Glass se enfrenta a la terrible decisión de elegir entre el amor y su propia vida. Día 17 En el bosque hostil, Bellamy hará todo lo posible por rescatar a su hermana Octavia, cueste lo que cueste. Día 21 Clarke se pregunta si los cien están por fin a salvo o si simplemente están esperando a que se cumpla su condena de muerte... Reseñas: «Oscura y fascinante... Una mezcla entre El señor de las

moscas y Los Juegos del Hambre». Booklist «[...] es fácil dejarse atrapar por su tensión in crescendo, al estilo de El señor de las moscas, mientras los jóvenes crean una nueva sociedad en una maltratada Tierra y los ardientes romances penden de un hilo». Publishers Weekly
