CALLAHAN ARIANA

Early Negro American Writers Les Hommes bons
 This collection of the most interesting and important Negro American writings up to the close of the Civil War is of both literary and social interest, being a contribution to the history of the Negro as well as a literary work. In preparing the biographical and critical sketches, the editor has shown rare judgment in selecting pertinent and complete facts about the writers represented here. Originally published in 1935. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Globalization from Below Watson-Guptill Publications

Presenting the first systematic empirical research on the global justice movement, *Globalization from Below* analyzes a movement from the viewpoints of the activists, organizers, and

demonstrators themselves. The authors traveled to Genoa with anti-G8 protesters and collected data from more than 800 participants. They examine the interactions between challengers and elites, and discuss how new models of activism fit into current social movement work.

Radio Amateur Callbook 1997 PUQ

French Philosophy of the Sixties Librinova

Sociologists and political scientists from Europe and the US explore how global issues are transforming local and national activism and the interactions between local, national, and supranational movement organizations. In addition to describing recent events, they adapt concepts and hypotheses developed in the social movement literature of the past

Les Hommes bons Sierra Club Adventure Travel G

A very deep and essentially hostile critique of French postmodernist philosophy, beginning with an analysis of the May 1968 student uprising in France, examining its relationship to French philosophy of the sixties, and following these themes in

separate chapters on Fourcault, Derrida, Bourdieu, and Lacan. A translation from the first French edition of 1985. Paper edition (unseen), \$13.95. Annotation copyrighted by Book News, Inc., Portland, OR

U of Minnesota Press

When the eldest son of an attractive family kills a security guard and promptly takes flight, the brother and mother he leaves behind are not ostracized. They become media darlings and when the second murder occurs they are fully-fledged stars.

Transnational Protest and Global Activism Rowman & Littlefield

Nous connaissons tous, avec plus ou moins de détails, l'histoire des Aztèques, des Incas ou encore des Mayas : les sacrifices humains, les cités d'or, les pyramides, les conquêtes tragico-épiques d'Hernan Cortez ou de Francisco Pizarro à la tête d'une poignée d'hommes. Pourtant, lorsque Christophe Colomb « découvrit » les Amériques, il ne rencontra aucun de ces peuples. Dans l'archipel des Lucayes, puis à Cuba et enfin sur l'île d'Ayiti, où sera fondée la colonie espagnole de Santo Domingo, les habitants s'appelaient les Taïnos : Les hommes bons. À travers l'histoire de Mabó, de sa fille Guanina et de leurs semblables, Les hommes bons nous plonge au cœur d'une civilisation oubliée, effacée en quelques décennies par l'avidité, la violence, les maladies et l'esclavage.
