Comics

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic

proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. Trapped in a town surrounded by madmen, Rick must find a way out

or die trying. Meanwhile, back at the prison, the rest of the survivors come to grips with the fact Rick may be dead, and a major turning point in the series is reached. Reprint Edition **The Walking Dead #12** St. Martin's Griffin Robert Kirkman's The Walking Dead: Invasion, the latest novel in the New York Times bestselling series! A must-have companion for

viewers of the original hit TV show, *The Walking Dead*.

Police officer Rick Grimes and a few human survivors battle hordes of decomposing zombies.

Crossover #12 Image Comics

The epic finale to Robert Kirkman and Jay Bonansinga's New York Times bestselling Governor storyline! The *Walking Dead* original novel series, set in the universe of Robert Kirkman's iconic comic

book, continues with *The Fall of the Governor*. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC's blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes the gripping third novel in this richly woven, page-turning literary saga, which began with *The Walking Dead: Rise of the Governor*. In *Rise of the Governor*, uber-villain Philip Blake journeyed

from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In *The Road to Woodbury*, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever tightening barricades. And now, in *The Fall of the Governor*, the Governor's descent into madness finally erupts in a tour de

force of action and horror. Beloved characters from the comic book, including Rick, Michonne, and Glenn, finally make their entrance onto this nightmarish stage, and fans of The Walking Dead will see these characters in a whole new light. Simmering grudges boil over into unthinkable confrontations, battle lines are drawn, and unexpected twists seal the fates of the innocent and guilty alike.

Walking Dead: Search and Destroy Macmillan

Robert Kirkman's The Walking Dead: Invasion

Image Comics

In this riveting, "gory, and action-packed" (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman's The Walking Dead series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what remains of the Chinese

government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming

factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join

the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers heading their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges

before it's too late. Given "two decaying thumbs up," (Jonathan Mayberry, author of *Rot & Ruin*), this book is sure to get your heart racing and leave you wanting more!

The Walking Dead Vol. 14 Image Comics

The conclusion of the *Walking Dead* trilogy follows an epic showdown between evil governor Philip Blake and Rick Grimes

The Walking Dead Macmillan

An all-new Marvel Comics graphic novel starring the *Fantastic Four*, written and illustrated by renowned artist Alex Ross

It's a rainy night in Manhattan and not a creature is stirring except for . . . Ben Grimm. When an intruder suddenly

appears inside the Baxter Building, the *Fantastic Four*—Mister Fantastic (Reed Richards), the Invisible Woman (Susan Storm Richards), the Human Torch (Johnny Storm), and the Thing (Ben Grimm)—find themselves surrounded by a swarm of invading parasites. These carrion creatures composed of Negative Energy come to Earth using a human host as a delivery system. But for what purpose? And who is behind this untimely invasion? The *Fantastic Four* have no

choice but to journey into the Negative Zone, an alien universe composed entirely of anti-matter, risking not just their own lives but the fate of the cosmos! Fantastic Four: Full Circle is the first longform work written and illustrated by acclaimed artist Alex Ross, who revisits a classic Stan Lee–Jack Kirby story from the 1960s and introduces the storyline for a new generation of readers. With bold, vivid colors and his trademark visual storytelling, Ross takes Marvel’s first team of

super heroes to places only he can illustrate. The book also features a special poster jacket, with the front flap unfolding to reveal an all-new fully painted origin story of the Fantastic Four. Welcome to the Negative Zone and MarvelArts—a new collaborative line of books between Marvel Comics and Abrams ComicArts—where nothing is impossible and anything can happen! **Robert Kirkman's The Walking Dead: Typhoon** Image Comics From the mind of Robert

Kirkman, the legendary comic book auteur and creator of The Walking Dead, comes the complete e-book collection of WALKING DEAD novels steeped in the terrifying mythos of the Eisner Award winning comic. The first volume, THE WALKING DEAD: RISE OF THE GOVERNOR, explores the heart-wrenching and horrifying origin of the comic world's most infamous villain: Philip Blake, AKA The Governor. Following Blake and his ragtag band of survivors as they carve

out a terrifying path through infested subdivisions and rotting cities, RISE OF THE GOVERNOR is a fever dream of a road trip that explores the making of a super-villain, culminating in a mind-bending twist-ending. The second volume in the series, THE WALKING DEAD: THE ROAD TO WOODBURY, delves even deeper into the dark heart of the Governor, taking readers through the fractured looking glass of a small town turned into a deadly dictatorship. As seen

through the eyes of a troubled bystander, Lilly Caul, this rotting utopia crumbles under the weight of its own excesses and lurid pastimes. The final installments, THE WALKING DEAD: FALL OF THE GOVERNOR: PARTS ONE and TWO, ties all the narrative strands and back stories together in a roller-coaster finale that spans two books—an epic conclusion that resonates for fans of the comic series in startling ways. Every dark promise made during the Governor's rise

to power now pays off in a series of terrifying, dramatic confrontations. When collected as a set, these four installments tell a heart-wrenching and terrifying saga of apocalyptic horror as well as human behavior in the extreme.

"An interesting look at the universe that you already know and you might learn some things about your favorite characters you never knew." -FANBOLT
The Walking Dead Deluxe #1 Image Comics

Out of the ashes of a devastated Woodbury, Georgia, two opposing camps of ragtag survivors develop - each one on a collision course with the other. Underground, in the labyrinth of ancient

tunnels and mine shafts, Lilly Caul and her motley crew of senior citizens, misfits, and children struggle to build a new life. But a secret ambition still burns in Lilly's heart and soul. She wants her beloved town of Woodbury back from the plague of walkers, and now the only thing that stands in her way currently roams the wasted backwaters of Georgia... Way out in the hinterlands, amidst the rising tide of walkers that seem to be pushing in from all directions, the

psychotic Reverend Jeremiah Garlitz rebuilds his army of followers with a diabolical secret weapon. He has designs on the destruction of Lilly and her crew - the very people who vanquished his cultish church - and now, for the first time, he has the means to bring a special brand of hell down upon the tunnel dwellers. The final confrontation between these two human factions unleashes an unthinkable weapon - forged from the monstrous hordes of undead, perfected by a

madman, and soaked in the blood of innocents.

The Walking Dead #192 Macmillan

This special Artist Proof edition collects the monumental ALL OUT WAR story arc all in one volume—as seen through artist CHARLIE ADLARD's raw pencils. Read the story in a whole new way, never before collected together in one single volume. Collects THE WALKING DEAD #115-126.

The Walking Dead: The Fall of the Governor: Part Two Image Comics

Robert Kirkman's *The Walking Dead: Search and Destroy!* The latest in Jay Bonansinga's New York Times bestselling series! What could possibly go wrong? For one brief moment, it seems Lilly and her plague-weary band of survivors might just engineer a better tomorrow. Banding together with other small town settlements, they begin a massive project to refurbish the railroad between Woodbury and Atlanta. The safer travel will begin a new post-apocalyptic era of trade,

progress, and democracy. Little do they know, however, that trouble is brewing back home ... Out of nowhere, a brutal new faction has attacked Woodbury while Lilly and the others have been off repairing the railroad. Now the barricades are burning. Adults have been murdered, children kidnapped. But why? Why subject innocent survivors to such a random, unprovoked assault? Lilly Caul and her ragtag posse of rescuers will soon discover the chilling answers to these

questions and more as they launch a desperate mission to save the kidnapped children. But along the way, the dark odyssey will take them into a nightmarish series of traps and hellish encounters with incomprehensible swarms of undead. And as always, in the world of the *Walking Dead*, the walkers will prove to be the least of Lilly's problems. It's what the human adversaries have in store for her that will provide Lilly's greatest challenge yet.
