incredibly life-giving  
and spiritually fulfilling,  
yet lonely and difficult.  
“We Pray with Her”  
means supporting all

established and just  
starting up the ladder,  
who are leading the  
charge in today’s  
culture. It is a

commitment to let them know that they are not alone, and that we are praying with along with them. In a world of glass ceilings, harassment, and “boy’s clubs,” women often encounter obstacles when they seek to forge ahead in their work to leave a positive mark through their labor, personal efforts, and causes. Women business leaders, political candidates, clergy, and trailblazers of all kinds need the support and encouragement of their fellow women. We are not intended to walk through life alone, and by raising each other up in prayer we will in turn be inspired in our own efforts, grow in our faith, be understanding of shortfalls, and celebrate successes

along with our fellow women. This inspiring devotional is a collection of 100 entries written by the women of WePrayWithHer, a grassroots movement turned online collective of women faith leaders, explores themes such as call, vocation, persistence, resistance, and struggle. Whether you’re a woman leader looking for personal inspiration, in a supportive role to a leader, an aspiring leader, or a woman who wants to support her sisters in Christ, you’ll find a home within these pages. Join the movement with your prayers, by mentoring, and through daily acts of solidarity with the women in your life and community. In these

readings you'll be emboldened to support one another as we strive to live the life to which God has called us.

Overnight your life can change in the blink of an eye! Fear and alarm can set in causing your faith to be tested. The one thing we can always count on in times of unforeseen circumstances is for prayer to remain a vital lifeline that helps us to sustain and strengthen our relationship with God. Yet in times of crisis, fear, and uncertainty can cause our faith to be tested causing us to lose sight of what we need to petition God for. During these times we often struggle with our thoughts, feelings, and

emotions when communicating with God. "WARRING WOMEN ARISE AND PRAY", is an anthology overflowing with heartfelt, and insightful supplications that will promote your communication with God to higher levels. The prayers within these pages: requests for you, your family, community, business, and so much more, will encourage you and others through challenging and despairing times, renew and restore hope, and lead the world into the peace of God's presence. The inspirational authors herein have revealed their hearts to remind you that when you trust and depend on God, He will not allow negative circumstances to

overcome you. So, if you are ready to experience deeper more purposeful encounters with God this anthology is validation that you too can join the masses of warring women who arise and pray! Philippians 4:6 "Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God."

The Praying Wives Club

Bethany House

"The prayer of a righteous person is powerful and effective", James 5:16, NIV. What would happen if the women alive in this generation invested time into praying for men? So I present before women the challenge, will you commit to pray for the men? This book is more than just a good read or another book to check off the list. It is a starting point for the Holy Spirit to stir within you your own prayers and is full of deliberate prayer actions: compilations of prayers, songs, Bible

verses, blank pages to write out your own specific prayers or to take notes. This book is designed to be interactive. Cover the men, call out God destiny over them, not who they are now, but who God says they are. Pray against division of the women and men; pray for unity and teamwork. The prayers in this book are for ALL men! We all have men in our lives: husbands, sons, fathers, grandpas, uncles, nephews, cousins, students, co-workers, neighbours, political leaders, just to name some. This book is an invitation for women to do their part: start praying and standing in faith for the Holy Spirit to do his part.
