Chekhovian  
evocation of  
the past, with  
that special  
unpretentious

charm that  
special works  
sometimes  
have.' NEW  
YORK TIMES  
At an auto-  
parts  
warehouse in  
Brooklyn, life  
seems frozen  
in time: as  
workers of  
every age  
commute in,  
nothing ever  
seems to  
change.  
Newcomer

Bert, only 18  
years old,  
hopes to  
escape this  
world,  
earnestly  
saving his  
wages for  
college... but  
can such a  
dream survive  
his  
workplace's  
haze of  
hopelessness,  
despondency  
and  
alcoholism? A

vivid rendering of life under the Great Depression, A Memory of Two Mondays perfectly captures the anxieties and concerns of the 1930s, autobiographically reflecting Miller's own experience as an 18-year-old in this period. This Methuen Drama Student Edition is edited by Stephen Marino, with commentary and notes that explore the play's production history (including

excerpts from an interview with director Rob Roznowski) as well as the dramatic, thematic and academic debates that surround it. **A Memory of Two Mondays** Grove/Atlantic, Inc. A Smithsonian Magazine Best History Book of 2018 The unknown history of two ideas crucial to the struggle over what America stands for In Behold, America, Sarah Churchwell offers a

surprising account of twentieth-century Americans' fierce battle for the nation's soul. It follows the stories of two phrases -- the "American dream" and "America First" -- that once embodied opposing visions for America. Starting as a Republican motto before becoming a hugely influential isolationist slogan during World War I, America First was always closely linked

with authoritarianism and white supremacy. The American dream, meanwhile, initially represented a broad vision of democratic and economic equality. Churchwell traces these notions through the 1920s boom, the Depression, and the rise of fascism at home and abroad, laying bare the persistent appeal of demagoguery in America and showing us how it was resisted. At a

time when many ask what America's future holds, Behold, America is a revelatory, unvarnished portrait of where we have been. **Critical Companion to Arthur Miller** A&C Black The collected essays of the "moral voice of [the] American stage" (The New York Times) in a Penguin Classics Deluxe Edition Arthur Miller was not only one of America's

most important twentieth-century playwrights, but he was also one of its most influential literary, cultural, and intellectual voices. Throughout his career, he consistently remained one of the country's leading public intellectuals, advocating tirelessly for social justice, global democracy, and the arts. Theater scholar Susan C. W. Abbotson introduces this

volume as a selection of Miller's finest essays, organized in three thematic parts: essays on the theater, essays on specific plays like *Death of a Salesman* and *The Crucible*, and sociopolitical essays on topics spanning from the Depression to the twenty-first century. Written with playful wit, clear-eyed intellect, and above all, human dignity, these essays offer unmatched

insight into the work of Arthur Miller and the turbulent times through which he guided his country. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and

disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. *The Creation of the World and Other Business* Syracuse University Press  
THE STORIES:  
The first play, *I CAN'T REMEMBER ANYTHING*, is a gentle, poignant

study of two old friends, an elderly man and woman, who live in nearby houses and often take their meals together. She is a wealthy widow whose life seems to have come to a stop

'An essential addition to the body of Arthur Miller's work ... an arresting self-portrait'  
Guardian  
'Reading the book feel[s] like gaining privileged access to Miller ...

Fascinating and salutary'  
Daily Telegraph  
During his lifetime the great American playwright Arthur Miller published two highly regarded collections of stories: *I Don't Need You Any More* (1967) and *Homely Girl, a Life* (1995). Shortly after his death in 2005 a final collection, *Presence* (2007), appeared. Now, all eighteen of these stories are gathered together in

one volume for the first time, including the six from *Presence*. In his plays Miller took on the big themes of the day, putting stories of the Depression, wartime deceit and the McCarthy era on stage with an energy and passion not seen before and rarely since. In these stories he turns his attention to smaller, more intimate themes, informed by an unusual sensuality and delicacy. This

essential collection offers a fresh perspective of the great writer and his work, with his famously profound insight, humanism, empathy and wit.

Miller Plays: 3  
Bloomsbury Publishing Perspectives on America's greatest living playwright that explore his longstanding commitment to forging a uniquely American theater Arthur Miller's America collects new writing by

leading international critics and scholars that considers the dramatic world of icon, activist, and playwright Arthur Miller's theater as it reflects the changing moral equations of his time. Written on the occasion of Miller's 85th year, the original essays and interviews in Arthur Miller's America treat the breadth of Miller's work, including his early political writings for the campus newspaper at

the University of Michigan, his famous work with John Huston, Clark Gable and Marilyn Monroe on The Misfits, and his signature plays like Death of a Salesman and All My Sons. The American Clock Basic Books Arthur Miller is one of the most important and enduring playwrights of the last fifty years. This new edition of The Theater Essays has been expanded by nearly fifty

percent to include his most significant articles and interviews since the book's initial publication in 1978. Within these pages Miller discusses the roots of modern drama, the nature of tragedy, and the state of contemporary theater; offers illuminating observations on Ibsen, Strindberg, Chekhov, O'Neill, and Williams; probes the different approaches and attitudes

toward theater in Russia, China, and at home; and, of course, provides valuable insights into his own vast dramatic corpus. For this edition the literary chronology and cast and production information have been updated, and an extensive new bibliography has been added. The Theater Essays confirms Arthur Miller's standing as a brilliant, eloquent

commentator on drama and culture. No one interested in theater should be without this definitive collection. Arthur Miller's America Viking Adult Victor, a New York cop nearing retirement, moves among furniture in the disused attic of a house marked for demolition. Cabinets, desks, a damaged harp, an overstuffed armchair - the relics of a lost life of affluence he's finally come to

sell. But when his brother Walter, who he hasn't spoken to in years, arrives, the talk stops being just about whether Victor's been offered a fair price for the furniture, and turns to the price that one and not the other of them paid when their father lost both his fortune and the will to go on ...

Presence  
Dramatists Play Service, Inc.  
A master dramatist's humorous retelling of the biblical

creation story as a parable for our time Breathing new life into timeless biblical tales, Arthur Miller charmingly reimagines the Book of Genesis from the temptation of Adam and Eve to the fraternal tragedy of Cain and Abel. In the beginning, God, generally satisfied with his creation, is nonetheless perplexed by Adam and Eve—why won't they multiply? It takes wily Lucifer to

interest them in anything more than playing handball in the Garden of Eden, but their new knowledge comes at a price. The first family is exiled from paradise—just as Lucifer is banned from heaven—and a fallen, morally ambiguous state becomes the destiny of humankind. Though The Creation of the World and Other Business was Arthur Miller's first Broadway comedy, it is full of the

searching insight and sparkling dialogue that distinguish his best dramas. *The American Clock* Penguin Interviews with Miller and his essays provide an insight into his dramatic works and the man behind the works.

### **Conversations with Arthur Miller**

Da Capo Press  
 THE STORY: In the detention room of a Vichy police station in 1942, eight men have been picked up for questioning. As they wait

to be called, they wonder why they were chosen. At first, their hopeful guess is that only their identity papers will be *On Politics and the Art of Acting* Penguin  
 'It is Mr. Miller's notion, potentially a great one, that the Baums' story can help tell the story of America itself during that traumatic era.'  
 NEW YORK TIMES When the stock market crashes, the once-financially comfortable

Baum family lose everything and are forced to leave their lofty home in Manhattan to live with relatives in Brooklyn: how can their pride, purpose and artistic endeavours survive such a sudden and shocking reversal of fortune? A sweeping, hard-hitting look at the Great Depression of the 1930s, *The American Clock* is a vaudevillian celebration of American resilience and optimism in

the face of national crisis, and was performed on Broadway in 1980. This Methuen Drama Student Edition is edited by Jane K. Dominik, with commentary and notes that explore the play's production history (including excerpts from interviews with designers of the 1980 Broadway production) as well as the dramatic, thematic and academic debates that surround it.

Solo! Penguin  
 THE STORY:  
 During the war Joe Keller and Steve Deever ran a machine shop which made airplane parts. Deever was sent to prison because the firm turned out defective parts, causing the deaths of many men. Keller went free and made a lot of money. The Arthur Miller's America Penguin UK Christopher Bigsby explores the entirety of Arthur Miller's work, including plays, poetry,

fiction and films, in this comprehensive and stimulating study. Drawing on interviews conducted over the last twenty years, on unique rehearsal material and research archives, he paints a compelling picture of how Miller's works were influenced by and created in the light of events of the twentieth and twenty-first centuries. This is an enjoyable insight into a great

playwright that will interest both theatregoers and students of modern drama. *No Villain* Infobase Publishing The ultimate gift for any theater lover: the essential American playwright in a three-volume deluxe collector's boxed set. Over the course of his nearly seventy-year career, Arthur Miller (1915-2005) reshaped and permanently expanded the range of the American

theatre. Winner of the Pulitzer Prize and multiple Tony Awards, he crafted a body of work--searing, courageous, and profoundly honest--that forms an essential part of our national literature. Now, to celebrate his centennial, The Library of America and acclaimed playwright Tony Kushner present a definitive three-volume edition of Miller's collected plays--all the works that

established him as the indispensable voice of the twentieth century stage--in a deluxe boxed set. Here are *All My Sons*, *Death of a Salesman*, *The Crucible*, *A View from the Bridge*, *After the Fall*, *Incident at Vichy*, *The American Clock*, *The Archbishop's Ceiling*, *The Last Yankee*, *Broken Glass*, *Finishing the Picture*, and many other works. Also included is Miller's novella *The Misfits*, based

on the screenplay he wrote for his wife, Marilyn Monroe, and Miller's incisive prose reflections on his art. As a special feature the boxed set reproduces Tony Kushner's memorable 2005 eulogy of Miller. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently

in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries. Behold, America Penguin This critical introduction to Arthur Miller

provides an indispensable aid for students and general readers to understand the depth and complexity of some of America's most important dramatic works. Beginning with a discussion of his life, this work traces not only Miller's theatrical career, but his formulative experiences with the Great Depression, the Holocaust, and the House Un-American Activities

Committee. Detailed discussions of eight important plays are organized around the social and moral themes Miller derived from such events; these themes are evident in such works as *Death of A Salesman*, *The Crucible*, *A View from the Bridge*, and *All My Sons*. By placing Miller, within the context of his times, this discussion reveals how he was influenced by and reacted to the major

events in his own life and in American culture. Analysis of his more recent works such as *The American Clock*, *Broken Glass* and *The Ride Down Mt. Morgan* illustrate the consistency of Miller's strong moral vision, and his continuing innovative contributions to American theatre. A fascinating biographical chapter takes readers from Miller's childhood, through the Depression years, through three

marriages; and from his theatrical apprenticeship, to eventual fame and critical acclaim for his plays and other literary and cinematic projects. The literary heritage chapter outlines Miller's literary and dramatic precursors, and considers the major aspects of his dramatic impact. The six chapters discussing his major plays are systematically presented to allow the reader to

easily grasp the intricacies of their plots, characterizations, stylistic devices, and themes. In addition, each chapter offers a view of the social and/or historical context that influenced the plays' thematic development, as well as an alternate critical reading that demonstrates the richness of Miller's work. Lastly, the bibliography provides information on Miller's published works, including his

screenplays and essays, biographical information, selected general criticism, and both contemporary reviews and critical studies of the plays discussed. *Broken Glass* Dramatists Play Service, Inc. "The greatest American dramatist of our age" - Evening Standard In this third volume of collected works, three of Arthur Miller's stage plays from the early 1980s are brought

together in a new edition. Expanding on the themes and explorations of his earlier work, this volume also contains an introduction from the playwright himself, as well as an afterword by acclaimed Miller scholar Christopher Bigsby. A sweeping, hard-hitting look at the Great Depression of the 1930s, *The American Clock*(1982) is a vaudevillian celebration of American resilience and

optimism in the face of national crisis, and was later performed on Broadway. Set in an Eastern European capital, *The Archbishop's Ceiling* (1984), examines the relationship between four writers, and the erosion of personal integrity during the cold war: a thrilling study of the effects of surveillance and political pressure on an individual's actions Also included is a revised version of *Two-Way Mirror* (1984):

a double bill for a man and a woman, consisting of two short plays - *Elegy for a Lady* and *Some Kind of Love Story*. These fantastic two-handers explore the nuances in relationships, and have come to be recognised as some sort of coded epitaph to the tumult and tragedy of Miller's marriage to Marilyn Monroe Freshly edited and featuring a bold new design, this updated

edition of Arthur Miller Plays 3 is a must-have for theatre fans and students alike. *After the Fall* Infobase Publishing At once witty, wise and deeply provocative, *On Politics and the Art of Acting* is essential reading for everyone seriously interested in the American political scene."--BOOK JACKET.
