This omnibus of two acclaimed novels is the story of Latro, a Roman mercenary who was fighting in Greece when he received a head injury that deprived him of his short-term memory but gave him in return the ability to see and converse with the supernatural creatures, the gods and goddesses, who invisibly inhabit the classical landscape. Latro forgets

everything when he sleeps. Writing down his experiences every day and reading his journal anew each morning gives him a poignantly tenuous hold on himself, but his story's hold on readers is powerful indeed.

*Healing for the Soul* Taylor & Francis  
Trouble Boys is the first definitive, no-holds-barred biography of one of the last great bands of the twentieth century: The Replacements. With full participation from reclusive singer and chief songwriter Paul Westerberg, bassist Tommy Stinson, guitarist Slim Dunlap, and the family of

late band co-founder Bob Stinson, author Bob Mehr is able to tell the real story of this highly influential group, capturing their chaotic, tragic journey from the basements of Minneapolis to rock legend. Drawing on years of research and access to the band's archives at Twin/Tone Records and Warner Bros. Mehr also discovers previously unrevealed details from those in the group's inner circle, including family, managers, musical friends and collaborators.

All Girls Simon and Schuster  
With 'Key Concepts in Popular Music', Roy

Shuker presents a comprehensive A-Z glossary of the main terms and concepts used in the study of popular music.

**After Dark** Music and Society

**The Hits Just Keep on Coming** Harper Collins

A new collection of interviews with over forty groundbreaking songwriters, published on the 25th anniversary of the original landmark volume *Documentary Editing* Hal Leonard Dolly Parton, *Songteller: My Life in Lyrics* is a landmark celebration of the remarkable life and career of a country music and pop culture legend. As told by Dolly Parton in her own inimitable words, explore the songs that have defined her journey. Illustrated throughout with previously unpublished images from Dolly Parton's personal and business archives. Mining over 60 years of songwriting, Dolly Parton highlights 175 of her songs and brings readers behind the lyrics. • Packed with never-before-seen photographs and

classic memorabilia • Explores personal stories, candid insights, and myriad memories behind the songs Dolly Parton, *Songteller: My Life in Lyrics* reveals the stories and memories that have made Dolly a beloved icon across generations, genders, and social and international boundaries. Containing rare photos and memorabilia from Parton's archives, this book is a show-stopping must-have for every Dolly Parton fan. • Learn the history behind classic Parton songs like "Jolene," "9 to 5," "I Will Always Love You," and more. • The perfect gift for Dolly Parton fans (everyone loves Dolly!) as well as lovers of music history and country Add it to the shelf with books like *Coat of Many Colors* by Dolly Parton, *The Beatles Anthology* by The Beatles, and *Born to Run* by Bruce Springsteen.

*Theft!* Chronicle Books

"I can't do this again," she cried. "I can't. It'll be like last time, and my life will be ruined. I just wanted to start over." "Shh. No, it won't. You have me." The last thing Eden Riske expected when she came home was the discernment of fellow teacher Austin Lowell. Football coach, history teacher, fitness buff, Austin is

strength and patience in a handsome package. However, it seems even his presence can't stop the rumors swirling around her or the hatred of someone determined to do her harm. But this job is supposed to be her salvation, her way out of her troubled past. Except now, everything is falling apart, and the one thing that might destroy her is the very secret she's held inside for so long. *Dolly Parton, Songteller* Reaktion Books

The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. *Our Band Could Be Your Life* is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith is an indie rock classic

in its own right. The bands profiled include: Sonic Youth Black Flag The Replacements Minutemen Husker Du Minor Threat Mission of Burma Butthole Surfers Big Black Fugazi Mudhoney Beat Happening Dinosaur Jr.

**Advanced techniques for the modern drummer** Hal Leonard Corporation

For the first time, rock music icon Gregg Allman, one of the founding members of The Allman Brothers Band, tells the full story of his life and career in *My Cross to Bear*. No subject is taboo, as one of the true giants of rock 'n' roll opens up about his Georgia youth, his long struggle with substance abuse, his string of bad marriages (including his brief union with superstar Cher), the tragic death of brother Duane Allman, and life on the road in one of rock's most legendary bands.

*The Daily Adventures of Mixerman* Da Capo Press, Incorporated

The classic jazz independence book is now new and improved and with online audio! Jim Chapin, known as the Father of Jazz Independence," has written one of the most popular drumset books of all time. This classic work should be in every drummer's library as there is always

something new to learn and develop from this masterful book. Whether for a beginner or an accomplished drummer, this system will greatly improve independence and coordination, sticking, power, speed, and endurance on the drumset. Dedicated to Sanford Moeller, this book proves Jim's teaching techniques like no other."

*Club Cultures* Chicago Review Press

Van Halen are known for classic songs like "Runnin' with the Devil," "Panama," and "Jump," but also for the drama surrounding the exits of its former members. While many have attempted to discover the secrets of Van Halen through an analysis of their musical role models, John Scanlan looks at deeper aesthetic and philosophical influences in Van Halen, a groundbreaking account of this extraordinary band. Following the band's pursuit of the art of artlessness, Scanlan describes how they characterize what historian Kevin Starr terms "Zen California"—a state of mind and way of being that above all celebrates the now, and in rock and roll terms refers to the unregulated expenditure of energy and youthful exuberance destined to

extinguish itself. Scanlan sheds light on key events and influences—the decaying of Hollywood in the 1970s; Ted Templeman’s work as a producer at Sunset Sound Studios; Top Jimmy, a blues rock singer who performed at the Zero Zero club; and the building of Eddie Van Halen’s Hollywood Hills studio in 1983—that show how 1970s California was the only time and place that Van Halen could have emerged. Along the way, Scanlan also explores the relationship between David Lee Roth and Eddie Van Halen, the climate of Southern California and its relation to a sense of cultural exuberance, the echoes of Beat aesthetics in David Lee Roth’s attitude to time, Eddie Van Halen’s bebop sensibility, and the real roots of the so-called “Brown” sound. An illuminating look at a classic rock group and the cultural moment in which they came of age, *Van Halen* is a book for fans of the band and the history of rock and roll.

*Van Halen* Macmillan Higher Education (Book). This lively blast from the past peels back the many layers of the Top 40 phenomenon: the DJs, fans, singles, jingles, dedications, contests, requests

and more. The book features interviews with such renowned radio personalities and programmers as Casey Kasem, Dick Clark, Wolfman Jack, "Cousin Brucie" Morrow, Gary Owens and many others, and includes an exclusive CD with "airchecks" rare recordings from 16 legendary DJs on actual Top 40 broadcasts so that readers can hear the crazed, creative and compelling voices that made Top 40 so memorable. Also includes lots of fantastic black-and-white photos to help readers put faces to the voices they know so well, a bibliography and index, and a special Top of the Pops section featuring the Number One records of Top 40 radio from 1957 through 1997 as calculated by the staff of Gavin.

**Popular Music** Hachette UK

This book tells the history of the London black music culture that emerged in post-colonial London at the end of the twentieth century; the people who made it, the racial and spatial politics of its development and change, and the part it played in founding London's precious, embattled multiculturalism. It conceives of the linked scenes around black music in London, from ska, reggae and soul in the

1970s, to rare groove and rave in the 1980s and jungle and its offshoots in the 1990s, to dubstep and grime of the 2000s, as demonstrating enough common features to be thought of as one musical culture, an Afro-diasporic continuum. Core to this idea is that this dance culture has been ignored in history and cultural theory and that it should be thought of as a powerful and internationally significant form of popular art.

**Bossa Nova** University of Texas Press  
Emerging focuses on the skills necessary for academic writing in any discipline—and offers concrete strategies for improving those skills. Author Barclay Barrios uses an inquiry-based approach to help students understand and write about a variety of texts, while innovative assignment sequences explore the important but unsettled issues that shape our lives, such as How is technology changing us?, How can you make a difference in the world?, and a central question of our time, How can we get along? Thought-provoking, contemporary readings help students address those questions in meaningful ways. Fifteen new readings and updated writing assignments keep Emerging in

tune with current ideas that will challenge students to think beyond their own experiences—and beyond the classroom.

**Comfortably Numb** "O'Reilly Media, Inc." In this book, veteran music producer Richard James Burgess gives readers the tools they need to understand the complex field of music production. He defines the many roles that fall to the music producer by focusing first on the underlying theory of music production, before offering a second section of practical aspects of the job.

The Real Latin Book Oxford University Press

Bossa nova is one of the most popular musical genres in the world. Songs such as "The Girl from Ipanema" (the fifth most frequently played song in the world), "The Waters of March," and "Desafinado" are known around the world. Bossa Nova—a number-one bestseller when originally published in Brazil as *Chega de Saudade*—is a definitive history of this seductive music. Based on extensive interviews with Antonio Carlos Jobim, João Gilberto, and all the major musicians and their friends, *Bossa Nova* explains how a handful of Rio de Janeiro teenagers

changed the face of popular culture around the world. Now, in this outstanding translation, the full flavor of Ruy Castro's wisecracking, chatty Portuguese comes through in a feast of detail. Along the way he introduces a cast of unforgettable characters who turned Gilberto's singular vision into the sound of a generation.

The Vanishing Point Oxford University Press, USA

Based on the critically acclaimed podcast that has broken down hundreds of Top 40 songs, *Switched On Pop* dives in into eighteen hit songs drawn from pop of the last twenty years--ranging from Britney to Beyoncé, Kelly Clarkson to Kendrick Lamar--uncovering the musical explanations for why and how certain tracks climb to the top of the charts. In the process, authors Charlie Harding and Nate Sloan reveal the timeless techniques that animate music across time and space.

The Penderyn 2020 Music Book Prize (UK edition) Living Blues Critics Choice Best Blues Book of 2019 Living Blues Readers Choice Best Blues Book of 2019 Certificate of Merit in the Best Historical Research in

Recorded Blues, Soul, Gospel, or R&B category from ARSC (Association for Recorded Sound Collections) An essential story of blues lore, black culture, and American music history Robert Johnson's recordings, made in 1936 and 1937, have profoundly influenced generations of singers, guitarists, and songwriters. Yet until now, his short life—he was murdered at the age of 27—has been poorly documented. Gayle Dean Wardlow has been interviewing people who knew Johnson since the early 1960s, and he was the person who discovered Johnson's death certificate in 1967. Bruce Conforth began his study of Johnson's life and music in 1970 and made it his mission to fill in what was still unknown about him. In this definitive biography, the two authors relied on every interview, resource, and document, much of it material no one has seen before. This is the first book about Johnson that documents his lifelong relationship with family and friends in Memphis, details his trip to New York, uncovers where and when his wife Virginia died and the impact this had on him, fully portrays the other women Johnson was involved with and tells exactly how and

why he died and who gave him the poison that killed him. Up Jumped the Devil will astonish blues fans worldwide by painting a living, breathing portrait of a man who was heretofore little more than a legend.

*Trouble Boys* Psychology Press

Documentary Editing offers clear and detailed strategies for tackling every stage of the documentary editing process, from organizing raw footage and building select reels to fine cutting and final export.

Written by a Sundance award-winning documentary editor with a dozen features to his credit and containing examples from over 100 films, this book presents a step-by-step guide for how to turn seemingly shapeless footage into focused scenes, and how to craft a structure for a documentary of any length. The book

contains insights and examples from seven of America's top documentary editors, including Geoffrey Richman (*The Cove, Sicko*), Kate Amend (*The Keepers, Into the Arms of Strangers*), and Mary Lampson (*Harlan County U.S.A.*), and a companion website contains easy-to-follow video tutorials. Written for both practitioners and enthusiasts, *Documentary Editing* offers unique and invaluable insights into the documentary editing process.

**Metal on Ice** Hal Leonard Corporation

As jazz enters its second century it is reasserting itself as dynamic and relevant. Boston Globe jazz writer and Emerson College professor Bill Beuttler reveals new ways in which jazz is engaging with society through the vivid biographies and

music of Jason Moran, Vijay Iyer, Rudresh Mahanthappa, The Bad Plus, Miguel Zenón, Anat Cohen, Robert Glasper, and Esperanza Spalding. These musicians are freely incorporating other genres of music into jazz—from classical (both western and Indian) to popular (hip-hop, R&B, rock, bluegrass, klezmer, Brazilian choro)—and other art forms as well (literature, film, photography, and other visual arts). This new generation of jazz is increasingly more international and is becoming more open to women as instrumentalists and bandleaders. Contemporary jazz is reasserting itself as a force for social change, prompted by developments such as the Black Lives Matter, #MeToo movements, and the election of Donald Trump.
