ALLEN FULLER

Illusionology Harper Collins

Tricia Levenseller, author of *Daughter of the Pirate King*, is back with an epic YA tale of ambition and love in *The Shadows Between Us*... “They’ve never found the body of the first and only boy who broke my heart. And they never will.” Alessandra is tired of being overlooked, but she has a plan to gain power: 1) Woo the Shadow King. 2) Marry him. 3) Kill him and take his kingdom for herself. No one knows the extent of the freshly crowned Shadow King’s power. Some say he can command the shadows that swirl around him to do his bidding. Others say they speak to him, whispering the thoughts of his enemies. Regardless, Alessandra

knows what she deserves, and she’s going to do everything within her power to get it. But Alessandra’s not the only one trying to kill the king. As attempts on his life are made, she finds herself trying to keep him alive long enough for him to make her his queen—all while struggling not to lose her heart. After all, who better for a Shadow King than a cunning, villainous queen? “Tricia Levenseller’s latest, *The Shadows Between Us*, is a decadent and wickedly addictive fantasy, full of schemes and court intrigue, and delightful descriptions of food, which I am always a fan of.” —Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series

Wings HarperCollins Australia

Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible,

Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

"Utterly sublime . . . Aduatells a gripping story of war, migration and family, exposing us to the pain and hope that reside in each encounter" (Maaza Mengiste, author of *The Shadow King*). Adua, an immigrant from Somalia, has lived in Italy nearly forty years. She came seeking freedom from a strict father and an oppressive

regime, but her dreams of becoming a film star ended in shame. A searing novel about a young immigrant woman's dream of finding freedom in Rome and the bittersweet legacies of her African past. "Lovely prose and memorable characters make this novel a thought-provoking and moving consideration of the wreckage of European oppression." —Publishers Weekly (starred review) "Igiaba Scego is an original voice who connects Italy's present with its colonial past. *Adua* is an important novel that obliges the country to confront both memory and truth." —Amara Lakhous, author of *Dispute over a Very Italian Piglet* "This book depicts the soul and the body of a daughter and a father, illuminating words that are used every day and swiftly emptied of meaning: migrants, diaspora, refugees, separation, hope, humiliation, death." —Panorama "A memorable, affecting tale . . . Brings the decolonialization of Africa to life . . . All the more affecting for being told without sentimentality or self-pity." —ForeWord Reviews "Deeply and thoroughly researched . . . Also a captivating read: the novel is sweeping in its geographical and temporal scope, yet Scego nonetheless renders her complex protagonists richly and lovingly." —Africa Is a Country *Hush, Hush* Penguin

We live in a broken world. Amid the daily realities of sickness and isolation, disappointment and pain, it can be profoundly difficult to grasp the real goodness of God. But this is where God breaks into our darkness with beauty. In the wonder of creation, in art or film, story or song, in the kindness of his people and the good they create, God breaks into our pain in a tangible way, teaching us to trust his kindness and hope for his healing. Beauty is a voice singing into our suffering, beckoning us toward restoration.

In *This Beautiful Truth*, Sarah Clarkson shares her own encounters with beauty in the midst of her decade-long struggle with mental illness, depression, and doubt. In a voice both vulnerable and reflective, she paints a compelling picture of the God who reaches out to us in a real and powerful way through the "taste and see" goodness of what he has made and what he continues to create amid our darkness. "To recognize and trust God's gift in pain," she writes, "empowers us to create and love as powerful witnesses to God's healing love in a hopeless world." If you want to renew your capacity to recognize and encounter God's beauty in your life, this hope-filled book will show you the way.

Twilight Phantasies e-artnow

Sixteen-year old Nora finds forbidden love with a fallen angel, the New York Times Bestseller, now in paperback!

Mrs. Dalloway بلومانيا للنشر والتوزيع

A brainy, shy high school outcast interning at a Chicago hotel discovers that the hotel staff has an evil agenda planned for her classmates on prom night.

This Beautiful Truth Penguin

The glamorous life of an international flight attendant can be anything but, as Vera Hanson discovered the morning one of her crew members was found murdered in a Paris hotel room. That morning began to put into focus some of the experiences of Vera's thirty year airline career, which she had purposely been avoiding. It caused her to look more deeply into the questions surrounding 9/11 that never made sense to a flight attendant, but that no one had seriously investigated. With the help of her pilot friend Jim Bowman, they embark on a cross country journey employing their wisdom, experience and intense research to

uncover the mysteries of what really happened to the four airplanes and the people on them that fateful day. Written as a novel, *Methodical Illusion* has been excruciatingly researched from an insider's perspective, utilizing proprietary knowledge of airplanes, universal FAA protocols, standardized flight crew procedures and all hijacking policies. The results are the never before revealed answers to the daunting questions everyone has had, but few have dared ask aloud for fear of the repercussions that undoubtedly follow. Rebekah Roth is right on target with her mind blowing research which is guaranteed to open your eyes.

Adua Baker Books

#1 NEW YORK TIMES BESTSELLER! *ONCE UPON A BROKEN HEART* marks the launch of a new series from Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in true love and happy endings . . . until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game — and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy.

Illusions New Vessel Press

Strange, wondrous things happen in these two short stories, which are both the perfect introduction to Gabriel García Márquez, and a wonderful read for anyone who loves the magic and marvels of his novels. After days of rain, a couple find an old man with huge wings in their courtyard in 'A Very Old Man with Enormous Wings' - but is he an angel? Accompanying 'A Very Old Man with Enormous Wings' is the short story 'The Sea of Lost Time', in which a seaside town is brought back to life by a curious smell of roses.

The Knowledge Illusion Bloomsbury Publishing USA

Fairytales aren't supposed to end in murder She's hiding a dangerous secret. He'll stop at nothing to keep her safe...but can he stop himself from killing her? An emotional, tension-filled forbidden romance that will keep you on the edge of your seat until the very last page... Jenna wasn't going to let the darkness of her past prevent her from building the life she's always wanted, so she put herself through college and moved to the magnificent city of Chicago. But just when she thought all her dreams were coming true, a shocking incident shattered her fairy-tale life and now, she's hiding a terrible secret-a secret that could cost her everything. Damian is as gorgeous as he is mysterious, keeping his own dark secrets from everyone he meets. He never thought he'd care about anything again...until he meets Jenna. He knows letting her get close to him will put her in danger, but when he suspects Jenna's in trouble, there's only one thing that matters: protecting her at all costs. Thrust into a terrifying nightmare where a threat looms in every shadow, Jenna and Damian find themselves in a race for survival. Soon, everyone Jenna loves is in peril, and only the ultimate sacrifice

can save them... This book contains sensitive subject matter.

Wings of Fire Simon and Schuster

Read the follow-up to the action-packed adventure that Dan Santat called "An-edge-of-your-seat thriller!" It's been a peaceful three months since Hannah Morgan and Ever Barnes saved their beloved Oskars, and activated the powers of their city's Megantic. Ever now lives with the Morgan family and the two children watch over and learn more about Oskar (the Megantic) every day. But their conflict-free days come to an abrupt end when Mr. Morgan is captured while on a family trip to nearby Alexios, and the kids get into a spat with a group of street magicians who con Hannah out of her pocket money. Chifa and Tanan were never planning to make friends while performing their tricks, but when Hannah and Ever learn of their connection to Vash, they realize there's much more at stake than a few coins. If Hannah and Ever want to find out what Vash is hiding and save both Oskars and Alexios before time runs out, they'll have to learn to trust Chifa and Tanan, and most importantly, find a way to work together.

Paradise Lost. Book 10 HarperCollins Children's Books

Cynicism has become almost a cliché. It pervades the culture and defines the age--and threatens to derail faith. Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith, but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible: the prophet, the sage, the tragic poet. These all find their fulfillment in Jesus, and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling--hopeful realism.

A Court of Wings and Ruin Feiwel & Friends

Sarah J. Maas hit the New York Times SERIES list at #1 with A Court of Wings and Ruin!

The Book of Lies Flatiron Books

The Book of Lies was written by English occultist and teacher Aleister Crowley under the pen name of Frater Perdurabo. As Crowley describes it: "This book deals with many matters on all planes of the very highest importance. It is an official publication for Babes of the Abyss, but is recommended even to beginners as highly suggestive." The book consists of 91 chapters, each of which consists of one page of text. The chapters include a question mark, poems, rituals, instructions, and obscure allusions and cryptograms. The subject of each chapter is generally determined by its number and its corresponding Qabalistic meaning.

Heir of Fire John Wiley & Sons

From the New York Times bestselling author of the Legend series I am tired of being used, hurt, and cast aside. Adelina Amouteru is a survivor of the blood fever. A decade ago, the deadly illness swept through her nation. Most of the infected perished, while many of the children who survived were left with strange markings. Adelina's black hair turned silver, her lashes went pale, and now she has only a jagged scar where her left eye once was. Her cruel father believes she is a malfetto, an abomination, ruining their family's good name and standing in the way of their fortune. But some of the fever's survivors are rumored to possess more than just scars—they are believed to have mysterious and powerful gifts, and though their identities remain secret, they have come to be called the Young Elites. Teren Santoro works for the king. As Leader of the Inquisition Axis, it is his job to seek out

the Young Elites, to destroy them before they destroy the nation. He believes the Young Elites to be dangerous and vengeful, but it's Teren who may possess the darkest secret of all. Enzo Valenciano is a member of the Dagger Society. This secret sect of Young Elites seeks out others like them before the Inquisition Axis can. But when the Daggery find Adelina, they discover someone with powers like they've never seen. Adelina wants to believe Enzo is on her side, and that Teren is the true enemy. But the lives of these three will collide in unexpected ways, as each fights a very different and personal battle. But of one thing they are all certain: Adelina has abilities that shouldn't belong in this world. A vengeful blackness in her heart. And a desire to destroy all who dare to cross her. It is my turn to use. My turn to hurt.

Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country`S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam`S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

Identity and Violence Candlewick Press (MA)

In this brilliant critique, Terry Eagleton explores the origins and

emergence of postmodernism, revealing its ambivalences and contradictions. Above all he speaks to a particular kind of student, or consumer, of popular "brands" of postmodern thought.

The Illusions of Postmodernism Universities Press

Transform common people into superheroes, movie stars, witches -- whatever illusion you want to create. Creative costuming is all in the details. One garment can take on many totally different looks depending on how you accessorise it. Over the years, the author has learned all the tricks about how anyone can turn leftover clothing into fabulous costumes. This book's numerous drawings explain in detail the costuming process of 'turning straw into gold'. It shows you how to design illusions that you never thought possible. Yes, you can easily do all this -- and at a minimum expense! This is another Barb Rogers must have book for your library of costume ideas.

The Last Illusion Harper Collins

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.
