### **Satires of Juvenal** BRILL

Around the world, parties of the left and center-left have been struggling, losing ground to right-wing parties and various forms of reactionary populism. This book brings together a range of leading academics and experts on social democratic politics and policy to offer an international, comparative view of the changing political landscape. Using case studies from the United Kingdom, Germany, Spain, France, Australia and New Zealand contributors argue that despite different local and specific contexts, the mainstream center-left is beset by a range of common challenges. Analysis focuses on institutional and structural factors, the role of key individuals, and the atrophy of progressive ideas as interconnected reasons for the current struggles of the center-left.

**Property Tax Policies and Administrative Practices in Canada and the United States** SAGE Publications, Incorporated  
 Kassin and Wrightsman's book concentrates on the single most important determinant of verdicts -- the evidence and court procedure. It is divided into four parts: (1) an overview and historical perspective; (2) seven substantive topics like eyewitness accounts, confessions, and character evidence; (3) an examination of the major stages of trial procedure; and (4) a provocative discussion of the role that psychology does, and

should, play in the judicial process. Written in non-technical language, this book should have a broad appeal to students, researchers and litigants alike. `Chapters are extremely well written and documented. The work is highly recommended for advanced undergraduates, graduate students and legal profess

 The contributions of Bernard Weiss to the study of the principles of jurisprudence (uṣūl al-fiqh) are recognized in a series of contributions on Islamic legal theory. These thirteen chapters study a range of Islamic texts and employ contemporary legal, religious, and hermeneutical theory to study the methodology of Islamic law. Contributors include: Peter Sluglett, Ahmed El Shamsy, Éric Chaumont, A. Kevin Reinhart, Mohammad Fadel, Jonathan Brockopp, Christian Lange, Raquel M. Ukeles, Paul Powers, Robert Gleave, Wolfhart Heinrichs, Joseph Lowry, Rudolph Peters, Frank E. Vogel

**It's an Eloise Thing You Wouldn't Understand** Springer Science & Business Media  
 Addressing the specific issues surrounding wrongful convictions and their implications for society, *Convicted but Innocent* includes: survey data concerning the possible magnitude of the problem and its causes; fascinating actual case samples; detailed analyses of the major factors associated with wrongful conviction; discussion of public policy implications; and recommendations for reducing the occurrence of such convictions. The authors maintain that while no system of justice can be perfect, a focus on preventable errors can substantially reduce the number of current conviction injustices.

**Convicted but Innocent** Penguin UK  
 Following the terrorist attacks of September 11, 2001, the Central Intelligence Agency embarked on a highly classified program of secret detention and extraordinary rendition of terrorist suspects. The program was designed to place detainee interrogations

beyond the reach of law. Suspected terrorists were seized and secretly flown across national borders to be interrogated by foreign governments that used torture, or by the CIA itself in clandestine 'black sites' using torture techniques. This report is the most comprehensive account yet assembled of the human rights abuses associated with secret detention and extraordinary rendition operations. It details for the first time the number of known victims, and lists the foreign governments that participated in these operations. It shows that responsibility for the abuses lies not only with the United States but with dozens of foreign governments that were complicit. More than 10 years after the 2001 attacks, this report makes it unequivocally clear that the time has come for the United States and its partners to definitively repudiate these illegal practices and secure accountability for the associated human rights abuses.

A HILARIOUS COMPILATION OF THE WORST JOB APPLICATIONS IMAGINABLE - A PERFECT STOCKING FILLER OR OFFICE SECRET SANTA GIFT THIS CHRISTMAS. Ever read a truly terrible job application? Or perhaps slightly exaggerated the truth on one of your own... We've all been there - but these are worse. So much worse. From overly-honest cover letters, embarrassing typos, and mortifying personal revelations, to awkward interview questions, misplaced self-confidence, and, of course, outright lies. This hilarious collection of shockingly dreadful job applications, crap CVs and excruciating interviews will have you laughing out loud, while also making you feel so much better about yourself - because at least you weren't ever this bad . . . Application for Employment I refer to the recent death of the Technical Manager at your company and hereby apply for the replacement of the deceased manager. Each time I apply for a job, I get a reply that there is no vacancy but in this case I have caught you red-handed and you have no excuse because I even attended the funeral to be sure that he was truly dead and buried before applying. Attached to my letter is a copy of my CV and his death certificate. The Interview: Q. Is there anything about this job that you feel you might not be very good at? A. Dealing with people. Q. What person, living or dead, would you most like to meet? A. The living one.
