As a child in a small rural village in Sierra Leone, Mariatu Kamara lived peacefully surrounded by family and friends. Rumors of rebel attacks were no more than a distant worry. But when 12-year-old Mariatu set out for a neighboring village, she never arrived. Heavily armed rebel soldiers, many no older than children themselves, attacked and tortured Mariatu. During this brutal act of senseless violence they cut off both her hands. Stumbling through the countryside, Mariatu miraculously survived. The sweet taste of a mango, her first food after the attack, reaffirmed her desire to live, but the challenge of clutching the fruit in her bloodied arms reinforced the grim new reality that stood before her. With no parents or living adult to support her and living in a refugee camp, she turned to begging in the streets of Freetown. As told to her by Mariatu, journalist Susan McClelland has written the heartbreaking true story of the brutal attack, its aftermath and Mariatu's eventual arrival in Toronto where she began to pull together the pieces of her broken life with courage, astonishing resilience and hope.

Yr Oesoedd Canol

The Sleeping Bard

Reproduction of the original: Phases of Irish History by Eoin MacNeill

Cymru yn yr oesoedd canol

New edition of a history of Wales. Includes a Postscript written in the context of the millennium as a fixed point in the development of Welsh identity. Emyr Humphreys shows how literature in Wales has reshaped and reasserted Welsh identity in the face of English cultural imperialism. Figures such as Taliesin (a sixth century

poet), Myrddin (Merlin), the bards of medieval princes, Dr John Dee, Iolo Morganwg, Mabon, Lloyd George, Saunders Lewis have all redefined the image of Wales in their own historical periods. Wales has been, in turn, a bastion of British Christianity, the basis of Tudor imperialism, a haven for Romantics, a leader of Liberalism and Socialism, and the inspiration for twentieth

century Welsh nationalism. Tracing the links in this chain Humphreys identifies a situation increasingly common in Europe and elsewhere: the preservation of a national past in the context of an international future. His book reflects the vital relationship between literature and identity, between poetry and politics. *Credeau y byd*
