Cassia Spohn and Katharine Tellis assess the criminal justice system's response to sexual assault, exploring the complex dynamics that shape the actions of police and prosecutors. The authors draw on unparalleled access to Los Angeles detectives, prosecutors, and case

files to make sense of the factors that affect the outcomes of sexual assault claims. Following cases from victim report, to police investigation, to the decision to charge or not to charge, they provide new insights into why shockingly few sexual assault claims lead to an eventual criminal conviction.

The nationwide lockdown in 2020 to curb the spread of Covid-19 left millions of migrant labourers without jobs, food and shelter.

Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Ritesh, Ashish, Ram Babu, Sonu, Krishna, Sandeep and Mukesh-migrants from Bihar-undertook a similar journey on their bicycles that lasted for seven days and seven nights. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled hunger, exhaustion and fear, was documented by National Award-winning filmmaker Vinod Kapri. 1232 km is a story of the extraordinary courage of seven men in the face of tremendous odds.

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry

name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like *Johny Mera Naam*, *Jugnu*, *Andaz*, *Seeta Aur Geeta*, *Sholay* and, more recently, *Baghban*, she received critical acclaim for her performances in *Lal Patthar*, *Khushboo*, *Kinara*, *Meera*, *Ek Chadar Maili Si* and *Razia Sultan*. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: *Beyond the Dream Girl* covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema

icons, someone who has truly lived life on her own terms.

*LEGEND OF LAKSHMI PRASAD* HarperCollins I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject -Mating habits of gay chimpanzees in West Africa- at PANU University, the best University in India and possibly the

best University in the world. My idols are -Faizal Guru-, -Janab Kasab Sahib-, -Focus Carat-, -Baba Badkar-, -Zakir Nalayak-, -Gharkha Dutt-, -Dr. Kana Ayyub- and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc. Imagine a day, when all deprived people can take part in active politics and -Make Communism Great Again- thanks to my -one lakh per month- pension idea.

"Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue \* Marie Claire \* Glamour \* Essence \* Oprah Daily \* Entertainment Weekly \* Bustle \* PopSugar \* CrimeReads \* and more! An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be "the one"

(perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her "urban vibe." Her husband thinks they're trying for a baby. She's not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, *Wahala* (trouble) is an unforgettable novel from a brilliant new voice. [Theravada Buddhism in Japan](#) Avery's Printing and Bagels  
Leading clinical psychologist Lisa Damour identifies the seven key

phases marking the journey from girlhood to womanhood, and offers practical advice for those raising teenage girls. We expect an enormous amount from our teenage girls in a world where they are bombarded with messages about how they should look, behave, succeed. Yet we also speak as though adolescence is a nightmare rollercoaster ride for both parent and child, to be endured rather than enjoyed. In *Untangled*, world authority and clinical psychologist Lisa Damour provides an accessible, detailed, comprehensive guide to parenting teenage girls. She believes there is a predictable blueprint for how girls grow; seven easily recognisable 'strands' of transition from childhood through adolescence and on to adulthood. Girls naturally develop at different rates, typically on more than one front, and the transition will be unique to every girl. Each chapter describes a phase, such as 'contending with adult authority' and 'entering the romantic world', with hints and tips for parents and daughters, and a 'when to worry' section. Damour writes

sympathetically and clearly, providing a practical and helpful guide for any parent, and for teenage girls too. *Thirteen Reasons Why* Blurb

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement

current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"-- Publisher's description.
