Turtledove,  
Alan Smale's  
gripping  
alternate  
history series  
imagines a  
world in which  
the Roman

Empire has  
survived long  
enough to  
invade North  
America in  
1218. Now the  
stunning story  
carries hero  
Gaius  
Marcellinus  
deeper into  
the culture of

an extraordinary people—whose humanity, bravery, love, and ingenuity forever change his life and destiny. In A.D. 1218, Praetor Gaius Marcellinus is ordered to conquer North America and turning it into a Roman province. But outside the walls of the great city of Cahokia, his legion is destroyed outright; Marcellinus is the only one spared. In the months and years that follow, Marcellinus

comes to see North America as his home and the Cahokians as his kin. He vows to defend these proud people from any threat, Roman or native. After successfully repelling an invasion by the fearsome Iroqua tribes, Marcellinus realizes that a weak and fractured North America won't stand a chance against the returning Roman army. Worse, rival factions from within threaten to

tear Cahokia apart just when it needs to be most united and strong. Marcellinus is determined to save the civilization that has come to mean more to him than the empire he once served. But to survive the swords of Roma, he first must avert another Iroqua attack and bring Cahokia together. Only with the hearts and souls of a nation at his back can Marcellinus hope to know triumph. Praise for Alan

Smale and Eagle in Exile “In Alan Smale, speculative fiction has been dealt a winning hand. Part historian, part anthropologist, part scientist, Smale is a Renaissance man with a storyteller’s gift for letting tireless research inform the narrative without overwhelming it. Smale entertains, educates, and enraptures.”—Myke Cole, author of *Javelin Rain* “[Eagle in

Exile] has the pace and scope of a Michener or Uris epic. . . . Smale’s action scenes slash across page after page, intense and bloody. . . . Grab your dagger and sword, for the battle continues.”—Kirkus Reviews (starred review) “Warfare, political conflict, family strife—these are all presented in an epic scope where any decision or wrong move can forever change society.”—Tec

h Times “Thoroughly believable . . . Marcellinus is a complicated man, a hero we can all get behind.”—Historical Novels Review [My Little Book of Bald Eagles](#) Pinnacle Books This beautiful tapestry of traditional tales, history, folk arts, and dance offers you a glimpse into the living legacy of Mexican folklore. After an overview of Mexico's history from the Mesoamerican indigenous era to modern

times, Vigil explores the fascinating traditions of Oaxacan wood carving, Huichol bead and yarn art, folk masks, folklorico dance costumes, and Mexican folklore. A collection of tales follows, including classic tales, pourquoi creation tales from native people of pre-Hispanic Mexico, and tales from the Spanish colonial era of Mexican history-trickster tales, adventure and wonder

stories, and animal fables. Lively reading for older students and adults, the tales may also be used for read-alouds with younger students. With 15 of the 44 tales presented in Spanish as well as in English, this is an excellent resource for Spanish classes and for Spanish-speaking readers. The fascinating background material also makes the book an excellent source for reports and

research. Color plates [The Wheel Of Time](#) Simon and Schuster In this collector's guide, retired chief engraver of the Philadelphia Mint and designer of the reverse side of the American silver eagle bullion coin, John M. Mercanti, details the history and development of the American silver eagles program as well as other U.S. bullion coins and medals. [Literary News](#)

Ballantine Books John Creedon has always been fascinated by place names, from growing up in Cork City as a young boy to travelling around Ireland making his popular television show. In this brilliant new book, he peels back the layers of meaning of familiar place names to reveal stories about the land of Erin and the people who walked it before us. Travel the highways,

byways and boreens of Ireland with John and become absorbed in the place names, such as 'The Cave of the Cats', 'Artichoke Road', 'The Eagle's Nest' and 'Crazy Corner'. All hold clues that help to uncover our past and make sense of that place we call home, feeding both mind and soul along the way. *Gifts of an Eagle* Harper Collins Encompasses each of the world's currently

recognized eagle species, from the huge Steller's Sea Eagle that soars above Japan's winter ice floes to the diminutive Little Eagle that hunts over the Australian outback **The Eagles' Brood** David C Cook After the Romans withdraw from Britain, chaos breaks out. Fortress of Eagles  
Del Rey  
New York Times Bestseller: The “extraordinary” true story of a golden eagle adopted by a California ranching family, and how she changed their lives (Delia Ephron). In 1955, Ed Durden brought a baby golden eagle home to his ranch in California, where she would stay for the next sixteen years. As her bond with Ed and the Durden family grew, the eagle, named Lady, displayed a

fierce intelligence and strong personality. She learned quickly, had a strong mothering instinct (even for other species), and never stopped surprising those who cared for her. An eight-week New York Times bestseller, *Gifts of an Eagle* is a fascinating up-close look at one of the most majestic creatures in nature, as well as a heartwarming family story and “an affectionate,

unsentimental tribute” (Kirkus Reviews). *Carnage of Eagles Triumph Books* Presents the story of St. Nicholas, in the form of a fictional open letter, and explains the inspiration behind the Christmas tradition of Santa Claus, and the spirit of gift giving. **The Eagle and the Rose** Gill & Macmillan Ltd *Dare to Soar* is the perfect gift for an Eagle Scout. This book commends

the Eagle Scout on their accomplishment while challenging the new Eagle Scout to go on to be all they can be. To take the lessons learned along the Eagle Trail to another level, and to live a life of accomplishment. The book contains eight challenges to the Eagle Scout (“8 Eagle Scout Dares”), along with inspirational messages, facts, quotes and stories all targeted for the Eagle Scout. Dare to

Soar invites Eagle Scouts to strive to be nothing less than great in every way. *Eagles* UNC Press Books In THE EAGLE AND THE ROSE, Rosemary Altea tells the remarkable story of awakening to her psychic gifts as a medium and healer. As simple and honest as the story is remarkable, THE EAGLE AND THE ROSE describes how Rosemary Altea is chosen to be the voice of the spirit world; how she is taken under the wing of a Native American spirit guide named Grey Eagle and taught to use her astonishing power to heal, go astral-travelling, and perform soul rescue. Grey Eagle calls Rosemary "his Rose" as he helps nurture her gift. In the casebook section of THE EAGLE AND THE ROSE are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor,

constant companion, and friend. His spirit pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, "We are all souls and must treat each other with kindness." We are not human beings having a spiritual experience.

We are spiritual beings having a human experience. Soaring Bald Eagles Del Rey In the conclusion to the "Eagles" series, gunslinger Falcon MacCallister searches the Oklahoma Panhandle for outlaws who had ambushed a small wagon train, and comes across a storm of greed and thievery surrounding construction of a new railway. *Annotated*

*Cases, American and English* Vision This is the story of rescue in the steamy, bloody jungles of Vietnam. First as peter pilot and then as full-fledged aircraft commander, W.T. Grant routinely flew McGuire rig extractions under enemy fire, inserts into combat zones exploding with mortar shells, and night operations in the enemy-infested A Shau Valley. Though the 17th Assault Helicopter

Company eventually became B Compnay, 101st Aviation Battalion, the Kingsmen will always be remembered for their courage....

 One of Rosemary Sutcliff's acclaimed books set in Roman Britain. The Eagle of the Ninth tells the story of a young Roman officer who sets out to discover the

truth behind the mysterious disappearance of the Ninth Legion, who marched into the mists of northern Britain and never came back.  
 Rosemary Sutcliff spent most of her life in a wheelchair, suffering from the wasting Still's disease. She wrote her first book for children, The Queen's Story, in 1950 and went on to become a highly respected name in the field of

children's literature. She received an OBE in 1975 and died at the age of 72 in 1992.
