"Like a sunset streaked across fresh snow, the colors of this story are as cozy as its message of taking care of others--and the planet." -Foreword Reviews, **STARRED REVIEW** "The author expertly balances humor, suspense, and whimsy, fleshing out complex characters in just a few pages. The illustrations employ a gorgeous

color palette that perfectly reflects the pastel hues of the Arctic, backgrounding the slapstick." --Kirkus Reviews  
Lonely Poe and hangry Lars strike a deal in this humorous picture book about an unlikely friendship! This is Poe. She lives alone in the Arctic where it's nice and cold. . . . Poe is a resourceful and creative girl living in the snowy Arctic. Although she enjoys her life, Poe longs for company. But everything changes one day when Lars, a grumpy and hungry polar bear who is quite the poor hunter, crashes into her home, destroying it. Poe offers to bring him food and, in

exchange, Lars must repair her home. Will Lars deliver on his end of the bargain, or does he see something else on the menu? Kids will love this hilarious and brilliantly illustrated tale about an unconventional friendship!

Coloring books for kids is an activity that is educational and fun at the same time. These books usually have large pictures and clear contours, specifically designed to make coloring easier for children. The designs often vary, from cute cartoon

characters, cute animals, to charming natural landscapes. Bright and varied colors dominate the pages, awakening children's creativity and imagination. The coloring process can help them develop fine motor skills, improve focus, and teach them about color selection and coordination. Apart from that, coloring can also be a relaxing activity for children, helping them deal with stress or anxiety in a fun way. Coloring books often also contain educational elements, such as numbers, letters, or other concepts embedded in the images. By coloring these books, children can not only express themselves but also learn while playing, making it an ideal combination for their all-round development.

My gym shorts burrow into my butt crack like a frightened groundhog. Don't you want to read a book that starts like that?? Lupe Wong is going to be the first female pitcher in the Major Leagues. She's also championed causes her whole young life. Some worthy...like expanding the options for race on school tests beyond just a few bubbles. And some not so much...like complaining to the BBC about the length between Doctor Who seasons. Lupe needs an A in all her classes in order to meet her favorite pitcher, Fu Li Hernandez, who's Chinacan/Mexinese just like her. So when the horror that is square dancing rears its head in gym? Obviously she's not gonna let that slide. Not since Millicent Min, Girl Genius has a debut novel introduced a character so memorably, with such humor

and emotional insight. Even square dancing fans will agree... [Dia de Los Muertos](#) ColoringArtist.com Coloring books for kids is an activity that is educational and fun at the same time.
