Lowen
Ashleigh is a
struggling
writer on the
brink of
financial ruin
when she
accepts the

job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to

uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for

Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

**Yes No
Maybe So**
Simon and Schuster
If he had been with me everything would have been different... I wasn't with Finn on that

August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...
Verity Simon and Schuster
 A funny and

intimate look at fatherhood from the actor and writer/director of *The Boss* and *Tammy* that combines stories about his own larger-than-life dad and how his experiences raising two daughters with his wife, Melissa McCarthy, who also penned the *Foreword*, are shaped by his own childhood. Though he's best known for his appearances in the movie *Enough Said*, as well as his

hilarious role as Air Marshall Jon in *Bridesmaids*, Ben Falcone isn't a big shot movie star director at home. There, he's just dad. In this winning collection of stories, Ben shares his funny and poignant adventures as the husband of Melissa McCarthy, and the father of their two young daughters. He also shares tales from his own childhood in Southern Illinois, and life with his father—an outspoken,

brilliant, but unconventional. I man with a big heart and a somewhat casual approach to employment named Steve Falcone. Ben is just an ordinary dad who has his share of fights with other parents blocking his view with their expensive electronic devices at school performances. Navigating the complicated role of being the only male in a house full of women, he finds himself growing more and more

concerned as he sounds more and more like his dad. While Steve Falcone may not have been the briefcase and gray flannel suit type, he taught Ben priceless lessons about what matters most in life. A supportive, creative, and downright funny dad, Steve made sure his sons' lives were never dull—a sense of adventure that carries through this warm, sometimes hilarious, and poignant

memoir. **WEIRD** Penguin An Instant New York Times Bestseller and #1 Indie Bestseller! A William C. Morris YA Debut Award Finalist An Asian Pacific American Librarians Association Honor Book Two friends. One fake dating scheme. What could possibly go wrong? Frank Li has two names. There's Frank Li, his American name. Then there's Sung-Min Li, his

Korean name. No one uses his Korean name, not even his parents. Frank barely speaks any Korean. He was born and raised in Southern California. Even so, his parents still expect him to end up with a nice Korean girl—which is a problem, since Frank is finally dating the girl of his dreams: Brit Means. Brit, who is funny and nerdy just like him. Brit, who makes him laugh like no one else. Brit . . . who is white. As

Frank falls in love for the very first time, he's forced to confront the fact that while his parents sacrificed everything to raise him in the land of opportunity, their traditional expectations don't leave a lot of room for him to be a regular American teen. Desperate to be with Brit without his parents finding out, Frank turns to family friend Joy Song, who is in a similar bind. Together, they

come up with a plan to help each other and keep their parents off their backs. Frank thinks he's found the solution to all his problems, but when life throws him a curveball, he's left wondering whether he ever really knew anything about love—or himself—at all. In this moving debut novel—featuring striking blue stained edges and beautiful original endpaper art by the author—David Yoon takes on the question

of who am I?
with a result
that is
humorous,
heartfelt, and
ultimately
unforgettable.

Evolution
Book of 2020
A bold, epic
account of

how the co-
evolution of
psychology
and culture
created the
peculiar
Western mind
that has
profoundly
shaped the
modern world.
Perhaps you
are WEIRD:
raised in a
society that is
Western,
Educated,
Industrialized,
Rich, and
Democratic. If
so, you're
rather
psychological-
ly peculiar.
Unlike much
of the world
today, and
most people
who have ever
lived, WEIRD
people are
highly

individualistic,
self-obsessed,
control-
oriented,
nonconformist
, and
analytical.
Their focus on
themselves—t
heir
attributes,
accomplishme
nts, and
aspirations—o
ver their
relationships
and social
roles. How did
WEIRD
populations
become so
psychological-
ly distinct?
What role did
these
psychological
differences
play in the
industrial
revolution and
the global
expansion of

Europe during the last few centuries? In *The WEIRDest People in the World*, Joseph Henrich draws on cutting-edge research in anthropology, psychology, economics, and evolutionary biology to explore these questions and more. He illuminates the origins and evolution of family structures, marriage, and religion, and the profound impact these cultural transformations had on human

psychology. Mapping these shifts through ancient history and late antiquity, Henrich reveals that the most fundamental institutions of kinship and marriage changed dramatically under pressure from the Roman Catholic Church. It was these changes that gave rise to the WEIRD psychology that would coevolve with impersonal markets, occupational specialization, and free competition—l

aying the foundation for the modern world. Provocative and engaging in both its broad scope and its surprising details, *The WEIRDest People in the World* explores how culture, institutions, and psychology shape one another, and explains what this means for both our most personal sense of who we are as individuals and also the large-scale social, political, and

economic forces that drive human history. Includes black-and-white illustrations.

The Last Thing He Told Me

Hogarth

Told in alternating timelines, **THE THINGS WE LEAVE UNFINISHED** examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over

after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking

writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished.

Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows

all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career. *"Being Weird Is a Wonderful Thing"* Zondervan #1 NEW YORK TIMES BLOCKBUSTER * REESE WITHERSPOON BOOK CLUB PICK * NOW AN APPLE TV+

LIMITED SERIES STARRING JENNIFER GARNER * MORE THAN 2 MILLION COPIES SOLD The "page-turning, exhilarating" (PopSugar) and "heartfelt thriller" (Real Simple) about a woman who thinks she's found the love of her life—until he disappears. Before Owen Michaels disappears, he smuggles a note to his beloved wife of one year: Protect her. Despite her confusion and fear, Hannah

Hall knows exactly to whom the note refers—Owen’s sixteen-year-old daughter, Bailey. Bailey, who lost her mother tragically as a child. Bailey, who wants absolutely nothing to do with her new stepmother. As Hannah’s increasingly desperate calls to Owen go unanswered, as the FBI arrests Owen’s boss, as a US marshal and federal agents arrive at her Sausalito home

unannounced, Hannah quickly realizes her husband isn’t who he said he was. And that Bailey just may hold the key to figuring out Owen’s true identity—and why he really disappeared. Hannah and Bailey set out to discover the truth. But as they start putting together the pieces of Owen’s past, they soon realize they’re also building a new future—one neither of them could have

anticipated. With its breakneck pacing, dizzying plot twists, and evocative family drama, *The Last Thing He Told Me* is a “page-turning, exhilarating, and unforgettable” (PopSugar) suspense novel.

Introduction to

Probability

Workman Publishing Company
A book about the power of love and resistance from New York Times bestselling authors Becky

Albertalli and Aisha Saeed. YES Jamie Goldberg is cool with volunteering for his local state senate candidate—as long as he’s behind the scenes. When it comes to speaking to strangers (or, let’s face it, speaking at all to almost anyone) Jamie’s a choke artist. There’s no way he’d ever knock on doors to ask people for their votes...until he meets Maya. NO Maya Rehman’s

having the worst Ramadan ever. Her best friend is too busy to hang out, her summer trip is canceled, and now her parents are separating. Why her mother thinks the solution to her problems is political canvassing—with some awkward dude she hardly knows—is beyond her. MAYBE SO Going door to door isn’t exactly glamorous, but maybe it’s not the worst thing in the world. After

all, the polls are getting closer—and so are Maya and Jamie. Mastering local activism is one thing. Navigating the cross-cultural crush of the century is another thing entirely. *Be Weird* Random House Trade Paperbacks Conversations made up entirely of inside jokes. Netflix passwords, bizarre dreams, even French fries, all shared without a second thought. From husband-wife

team Brooke Barker and Boaz Frankel, here's that rare relationship book that captures the rituals and mini universe (Population: 2) that a couple can create together, in a sweet, small package with all the humor, charming illustrations, and endearing quiriness that makes their It's Different Every Day Page-A-Day Calendar and Barker's New York Times-bestselling Sad Animal Facts each

cult favorites. Celebrating the uniqueness that makes each person, and each relationship, special, Let's Be Weird Together includes a humorous timeline of how a loved one's oddball habits go from annoying to swoon-worthy over time. Illustrations celebrate the Tiny Acts of Heroism you do for your #1 person—like saying you're full when there's only one bite of cake left, so they can enjoy

it. Plus, fun facts on the habits of lovesick animals (they're just like us!): Bowerbirds collect blue items to impress mates. Perfect for Valentine's and anniversary gifts, it's a hip, not-at-all saccharine way to say, "I-love-you-slash-I-love-being-weird-with-you!" *Lets Fall in Weird Together* Penguin World of Warcrafters, LARPerS, Settlers of Catan? Weird.

Beliebers, Swifties, Directioners? Weirder. Paleos, vegans, carb loaders, ovolactovegetarians? Pretty weird. Mets fans, Yankees fans, Bears fans? Definitely weird. Face it. We're all weird. So why are companies still trying to build products for the masses? Why are we still acting like the masses even exist? Weird is the new normal. And only companies that figure that out have

any chance of survival. This book shows you how. **If He Had Been with Me** Workman Publishing Company From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a

workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for

it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanage d—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison

Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicatin g in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Bookli st (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships

in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—a nd to do so with grace, confidence,

and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager” is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Sometimes I Lie* Bantam My name is Amber Reynolds.

There are three things you should know about me: 1. I’m in a coma. 2. My husband doesn’t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can’t move. She can’t speak. She can’t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn’t remember what happened, but she has a suspicion her husband had something to do with it. Alternating

between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth? *It's Great to Work Together* CRC Press Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist

with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed

she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee

badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be

something more. Praise for *Let's Talk About Love* from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" —Macy Filia, reader on SwoonReads.com "There aren't many novels that have asexual characters and it's something people need more of." —Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day."

—Kiara, reader on SwoonReads.com
Let's Talk About Love
 Waterhouse Press
 How often does fear hold you back from living your life to the fullest? Join New York Times bestselling author, podcast host, and speaker Annie F. Downs as she shares a call to embrace the God-given courage living inside you. Annie is the first to admit that she's not exactly the bravest woman in the

world. Even now, she still cries sometimes when she leaves her parents' home in Georgia, she's never jumped out of a plane, and she only rides roller coasters to impress guys. But Annie knows that courage resides inside each one of us, and she's on a mission to conquer her own fears while encouraging you to do the same. *Let's All Be Brave* is more than a book; it's a battle cry. Annie uses

HarperCollins
Do you dream
of doing
something
great in life or

business, but think you must choose between success and fulfillment? What if you could do both, simply by being YOU? Have you always known you didn't quite fit into everyone else's definition of normal? Good news: Greatness is not normal. It is, by definition, extraordinary. You could even say, it's weird! Be Weird is not about changing YOU. It's about discovering

how you can best fill the hole in the universe only you can fill-if you have the courage to kick normal to the curb. People who leave a legacy of greatness learn to embrace everything that makes them not normal and live out their uniqueness with unrelenting passion. Greg Cagle guides you through his proven Be Weird process-grounded on behavioral science and applied

through powerful stories and real-world experiences. You'll discover how to: Know who YOU truly are at the core, Leverage the power of YOU to increase your influence, and Enjoy the deeply-fulfilling and satisfying life you've always felt was possible. Warning! If you're OK with living someone else's dream or trying to cram yourself into everyone else's expectations,

this book is
not for you.
But if you
want to
position
yourself for
greatness in
life and
business, start
reading right
now!

Shirley
Jackson is one

of the most
important
American
writers of the
last hundred
years. Since
her death in
1965, her
place in the
landscape of
twentieth-
century fiction
has grown
only more
exalted. As we
approach the
centenary of
her birth
comes this
astonishing
compilation of
fifty-six
pieces—more
than forty of
which have
never been
published
before. Two of
Jackson's
children co-
edited this
volume,

culling
through the
vast archives
of their
mother's
papers at the
Library of
Congress,
selecting only
the very best
for inclusion.
Let Me Tell
You brings
together the
deliciously
eerie short
stories
Jackson is best
known for,
along with
frank,
inspiring
lectures on
writing; comic
essays about
her large,
boisterous
family; and
whimsical
drawings.
Jackson's
landscape

here is most frequently domestic: dinner parties and bridge, household budgets and homeward-bound commutes, children's games and neighborly gossip. But this familiar setting is also her most subversive: She wields humor, terror, and the uncanny to explore the real challenges of marriage, parenting, and community—the pressure of social norms, the veins of distrust in

love, the constant lack of time and space. For the first time, this collection showcases Shirley Jackson's radically different modes of writing side by side. Together they show her to be a magnificent storyteller, a sharp, sly humorist, and a powerful feminist. This volume includes a Foreword by the celebrated literary critic and Jackson biographer Ruth Franklin. Praise for *Let Me Tell You*

“Stunning.”—*O: The Oprah Magazine* “Let us now—at last—celebrate dangerous women writers: how cheering to see justice done with [this collection of] Shirley Jackson's heretofore unpublished works—uniquely unsettling stories and ruthlessly barbed essays on domestic life.”—*Vanity Fair* “Feels like an uncanny dollhouse: Everything perfectly rendered, but something deliciously not quite

right.”—NPR
 “There are . . . times in reading [Jackson’s] accounts of desperate women in their thirties slowly going crazy that she seems an American Jean Rhys, other times when she rivals even Flannery O’Connor in her cool depictions of inhumanity and insidious cruelty, and still others when she matches Philip K. Dick at his most hallucinatory. At her best, though, she’s just

incomparable.
 ”—The Washington Post “Offers insights into the vagaries of [Jackson’s] mind, which was ruminant and generous, accommodating such diverse figures as Dr. Seuss and Samuel Richardson.”—The New York Times Book Review “The best pieces clutch your throat, gently at first, and then with growing strength. . . . The whole collection has a timelessness.”
 —The Boston Globe

“[Jackson’s] writing, both fiction and nonfiction, has such enduring power—she brings out the darkness in life, the poltergeists shut into everyone’s basement, and offers them up, bringing wit and even joy to the examination.”
 —USA Today “The closest we can get to sitting down and having a conversation with . . . one of the most original voices of her generation.”—The Huffington Post

Let's All Be Brave
Lulu.com
A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter

becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become

increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf

that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal* and *the White*

such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

Sad Animal Facts Vintage Collects poems that explore different types of friendships and what it means to be a good friend, with poems for two and four voices. [Be Weird, Be You](#) Ballantine Books The #1 New York Times bestselling

(mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor

in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let's Pretend This Never Happened, Lawson's long- suffering husband and sweet daughter help her uncover the surprising	discovery that the most terribly human moments—the ones we want to pretend never happened—ar e the very same moments that make us the people we are today. For every intellectual	misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
