**Practice Makes
Progress** Walter
Foster Publishing
From fancy to fun,
serious to whimsical,
this "how-to" book

illustrates a whole
range of hand-lettering
styles for you to copy,
adapt and use in your
own creative way.
Highlight letters, then
add a twirl, swirl, curly-
q, border and doodad
to make it your own.
Make a card,
chalkboard sign,
poster, gift tags and jar

labels; illuminate meaningful scriptures and verses in your Bible and journal, or send a meaningful message to a friend. We'll give you lots of examples and hints to show you how to get started. You'll love being able to express yourself creatively!

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy

reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York

Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Hand Lettering for Self-Care DaySpring
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be

professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little

problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Big Awesome Book of Hand & Chalk Lettering

Workman Publishing
 Improve your hand lettering skills with inspiring quotes With a little practice, you can create exquisite works of original art with

hand lettering and modern calligraphy. Build up your skills with this guided journal, filled with meaningful quotes to practice your hand lettering and lift your spirit. What sets this creative lettering journal apart: Hand lettering how-tos--It doesn't matter if you're a total beginner; this book explains basic guidelines, the tools you'll need, how to master brush lettering and faux calligraphy, and more. Seven unique alphabets-- Become a hand lettering pro as you practice seven different alphabets in various lettering styles and learn how to add your own artistic flair. Insights and questions--Add a dose of positivity to your day with thought-provoking questions and words of

wisdom to ponder as you hand letter the inspirational quotes. Take your hand lettering to the next level with the Creative Hand Lettering Journal. Hand Lettered Quilting Ballantine Books
Anyone can doodle--and this book proves it! Your intrepid doodling guide Kamo is the author of many bestselling drawing guides, and in this one she shows you how to create simple doodles anywhere using just a ballpoint pen. You'll learn to use Kamo's motto: "Once you know the basics, you can draw anything!" This book provides hundreds of examples showing you how to create doodles that are lively and entertaining in three easy steps. Unlike fine-art or manga drawings, there

are no rules and no fancy techniques. All that's needed is a free hand and a free spirit! This book makes an ideal gift for doodlers of all ages, beginners and amateurs alike. It shows you how to doodle anywhere--at home, in the office and on the go--on loose scraps of paper or in a notebook. Learn to use your decorative doodles to dress up and enliven things you use everyday--from letters, gift cards and invitations to journals, appointment books, household labels, business cards and scrapbooks. Doodles are useful and fun--and their applications are endless!
Hand Lettering for Laughter Simon and Schuster
"The ABCs of Hand Lettering is your guide

and the first step to starting a new hobby. Learn the difference between serif, sans serif, script, and decorative fonts; find out how to put together letters and words; and come up with your very own hand-lettered work. Practice with the exercises to discover your most creative side!"--Backcover.

Exquisite Expressions

of Faith If you have

ever admired a

homemade card or gift

and wished you could produce beautiful writing, this book is for you. Artist Jenny Highsmith wants you to know that even if you don't consider yourself to be naturally gifted, you can learn how to hand letter. She will teach you how to get started by selecting the right supplies and setting up your workspace. Next, you'll get step-by-step instructions showing you basic techniques with space in the book to practice. And once you've acquired this new skill, Jenny will explain how you can use it to bless others, share your faith, and commit God's Word to memory by hand lettering Scripture verses. Invite your friends to join you in your new hobby and encourage one another

on your lettering and your faith journeys. God made you to be creative. This helpful guide can show you how.

Letters to Milena

Moody Publishers
With more than 50 tips, techniques, and lessons for creating beautiful illuminated letters and sophisticated lettering

projects, The Joy of Lettering takes hand lettering to a whole new level. Gabri Joy Kirkendall (Creative Lettering & Beyond) and Jaclyn Escalera guide readers through a dynamic exploration of the craft, focusing on typography and illuminated letters and numbers using pencil, ink, and marker in a variety of styles and themes. From there, artists will learn how to create letters using a variety of alternative materials and media, such as watercolor, gouache, and wood. Easily customized DIY projects invite artists to finesse their skills as they learn to letter on different types of surfaces while creating lettered murals, stationery, and signage. Packed with creative techniques

and easy-to-follow lessons, this all-inclusive resource is a must-have for anyone who wants to learn or grow their expertise in the art of hand lettering.

Lettering in the Whimsical Woodlands
Penguin

Hand Lettering Off the Page Monsa

Publications

Get creative, express yourself, and add that personal touch with hand lettering! Lettering isn't penmanship; it's a form of drawing. With illustrated step-by-step instructions, *The Big Awesome Book of Hand & Chalk Lettering* shows the complete beginner how to master the art of hand lettering, the composition/design of phrases on the page, and flourishes to embellish the design. It also includes chalk lettering, fun prompts for writing and 15 projects and gift ideas, ranging from gift tags to a lettered poster to chalk-lettered signs for special events. Covers 15 lettering styles-- from Black Letter and "melting" to circus and Victorian, as well as

serifs and scripts-- along with numerous borders, corners, banners, bursts, frames and other accents.

Give Yourself Grace Page Street Publishing Create Pretty and Inspirational Hand Lettering Projects for Your Family, Friends, and Yourself! Hand lettering is making a comeback, spurred by platforms like Instagram and Pinterest. And not just adults are getting into hand lettering and calligraphy. Kids, too, can find relaxation as well as enjoyment in using hand lettering to create handmade projects for themselves and their families. *The Kids' Book of Hand Lettering* will introduce young crafters to the joys of hand lettering through 20 fun and

inspired DIY projects that are easy to create at home. Nicole Miyuki Santo will walk children through the basics of hand lettering, including different lettering styles and tools (markers, brush pens, and paint pens) before they begin their projects, which include room art, bookmarks, picture frames, tote bags, party balloons and more. With full-color instructional and inspired photos and pep talks throughout to help spark creative juices, *The Kids' Book of Hand Lettering* is sure to become a modern-day hand-lettering staple for crafty kids (and their parents too).

Hand Lettering Step by Step Simon and

Schuster

In no other work does Franz Kafka reveal himself as in *Letters to Milena*, which begins as a business correspondence but soon develops into a passionate but doomed epistolary love affair. Kafka's Czech translator, Milena Jesenská, was a gifter and charismatic twenty-three-year-old who was uniquely able to recognize Kafka's complex genius and his even more complex character. For thirty-six-year-old Kafka, she was "a living fire, such as I have never seen." It was to Milena that he revealed his most intimate self and, eventually, entrusted his diaries for safekeeping.
