The Missing Years Penguin

Nothing is simple when you're thirty-fifth in line for the British crown, least of all marriage. But with love on their side, and plans to elope, Lady Georgiana Rannoch and her beau Darcy O'Mara hope to bypass a few royal rules... With Darcy driving me out of London in a borrowed motor car, I soon discover that he isn't planning to introduce me to the pleasures of sinning in secret--as I had hoped--but to make me his wife! Of course, there are some quibbles to be dealt with, such as my needing special permission from the King to marry a Roman Catholic and the question of where we might live after the honeymoon. Though he will inherit a title, Darcy is as broke as I am. Even his family's Irish castle has been sold to a rich American who now employes Darcy's father as a hired hand. Throwing these cares to the wind, nothing could deter us from our mission--except perhaps the news that my future father-in-law has just been arrested. It seems the rich American was murdered and Darcy's father had more than enough motive to do the deed. With the elopement postponed, we head for Ireland where he insists he's innocent, and it's up to us to prove it--for better or worse.

Heirs and Graces Vintage Crime/Black Lizard

Lady Georgiana Rannoch is off to solve a Hollywood homicide in the eighth mystery in the New York Times bestselling Royal Spyness series. England, 1934. Georgie's mother, the glamorous and much-married actress, is hearing wedding bells once again—which is why she must hop across the pond for a quickie divorce in Reno. To offer her moral support, Georgie agrees to go along on the all expenses paid voyage across the Atlantic. While her mother meets movie mogul Cy Goldman—who insists on casting her in his next picture—Georgie finds herself caught up in the secret investigation of a suspected jewel thief. Lucky for her, the lead investigator happens to be her dashing beau, Darcy! Her mother's movie and Darcy's larceny lead everyone to Cy's Hollywood home, where the likes of Charlie Chaplin are hanging about and there's enough romantic intrigue to fill a double feature. But they hardly get a chance to work out the sleeping arrangements before Cy turns up dead. As if there wasn't enough drama already...

On Her Majesty's Frightfully Secret Service Penguin

In the fifth Royal Spyness Mystery, Lady Georgiana Rannoch discovers that being a minor royal has its privileges when she visits the glamorous—and dangerous—French Riviera... London, 1933. Her Majesty the Queen is sending Georgie off to Nice with a secret assignment—to recover her priceless, stolen snuff box from the disreputable Sir Toby Groper. Her Majesty's trust is an honor, but an even greater honor is bestowed upon Georgie in Nice when none other than Coco Chanel asks her to model the latest fashions. Unfortunately, things go disastrously wrong on the catwalk and before Georgie can snatch the snuff box, someone's life is snuffed out in a very dastardly way. With a murderer on the loose—and Georgie's beau Darcy seen in the company of another woman—how's a girl to find any time to go to the casino?

Queen of Hearts Penguin

Now in one volume—the first three “charming and lighthearted” (Kirkus Reviews) Royal Spyness Mysteries from New York Times bestselling author Rhys Bowen, featuring the elegant, titled, and stony-broke sleuth Lady Georgiana Rannoch. HER ROYAL SPYNESS Georgie is forced to earn her keep as a housekeeper in London when the Queen summons her to spy on the playboy prince. But when a Frenchman winds up dead in Georgie's bathtub, it's her job to clear her very long family name. A ROYAL PAIN While entertaining a Bavarian princess at the Queen's behest, Georgie finds herself investigating the rather more worrisome matter of the dead body in the bookshop, as well as her royal guest's unwitting involvement in the communist party. ROYAL FLUSH After being saved from scandal by her on-again-but-mostly-off-again beau, Darcy O'Mara, Georgie is shipped home, where Queen Mary wants her to keep Wallis Simpson from seducing the Prince of Wales, and Scotland Yard wants her to stop one of the members of the shooting party at Balmoral from turning their sights from the quails to His Royal Highness.

A Royal Pain Penguin

When royal sleuth Georgie Rannoch receives a letter from her dearest friend Belinda, who's in an Italian villa awaiting the birth of her illegitimate baby, she yearns to run to her side. If only she could find a way to get there! But then opportunity presents itself in a most unexpected way - her cousin the queen asks her to attend a house party in the Italian Lake Country. The Prince of Wales AND the dreadful Mrs. Simpson have been invited, and Her Majesty is anxious to thwart a possible secret wedding. What luck! A chance to see Belinda, even if it is under the guise of stopping unwanted nuptials. Only that's as far as Georgie's fortune takes her. She soon discovers that she attended finishing school with the hostess of the party - and the hatred they had for each other then has barely dimmed. Plus, she needs to hide Belinda's delicate condition from the other guests. And her dashing beau, Darcy is (naturally) working undercover on a dangerous mission. Then her actress mother shows

Masked Ball at Broxley Manor Penguin

Georgie and Darcy are finally on their honeymoon in Kenya's Happy Valley, but murder crashes the party in this all-new installment in the New York Times bestselling series. I was so excited when Darcy announced out of the blue that we were flying to Kenya for our extended honeymoon. Now that we are here, I suspect he has actually been sent to fulfill another secret mission. I am trying very hard not to pick a fight about it, because after all, we are in paradise! Darcy finally confides that there have been robberies in London and Paris. It seems the thief was a member of the aristocracy and may have fled to Kenya. Since we are staying in the Happy Valley—the center of

upper-class English life—we are well positioned to hunt for clues and ferret out possible suspects. Now that I am a sophisticated married woman, I am doing my best to sound like one. But crikey! These aristocrats are a thoroughly loathsome sort enjoying a completely decadent lifestyle filled with wild parties and rampant infidelity. And one of the leading lights in the community, Lord Cheriton, has the nerve to make a play for me. While I am on my honeymoon! Of course, I put an end to that right off. When he is found bloodied and lifeless along a lonely stretch of road, it appears he fell victim to a lion. But it seems that the Happy Valley community wants to close the case a bit too quickly. Darcy and I soon discover that there is much more than a simple robbery and an animal attack to contend with here in Kenya. Nearly everyone has a motive to want Lord Cheriton dead and some will go to great lengths to silence anyone who asks too many questions. The hunt is on! I just hope I can survive my honeymoon long enough to catch a killer. . . .

Royal Flush Penguin

Lady Georgiana Rannoch is just back from her honeymoon with dashing Darcy O'Mara when a friend in need pulls her into a twisted Gothic tale of betrayal, deception and, most definitely, murder. . . . I am a bit at loose ends at the moment. My cook, Queenie, is making my new role as mistress of Eynsleigh something akin to constant torture as Darcy is off on another one of his top secret jaunts. And Grandad is busy helping wayward youths avoid lives of crime. So when my dearest friend, Belinda, inherits an old cottage in Cornwall and begs me to go with her to inspect the property, I jump at the chance. After a heart-stopping journey in Belinda's beast of a motorcar, we arrive at the creaky old cottage called White Sails and quickly realize that it is completely uninhabitable. Just when I'm starting to wonder if I would have been better off trying to get Queenie to cook a roast that hasn't been burnt beyond all recognition, we meet Rose Summers, a woman Belinda knew as a child when she spent time in Cornwall. Rose invites us to stay at Trewoma Hall, the lovely estate now owned by her husband, Tony. Belinda confesses that she never liked Rose and had a fling with Tony years ago, so staying with them is far from ideal but beggars can't be choosers as they say. Trewoma is not the idyllic house Belinda remembers. There's something claustrophobic and foreboding about the place. Matters aren't helped by the oppressively efficient housekeeper Mrs. Mannering or by the fact that Tony seems to want to rekindle whatever he and Belinda once had right under his wife's nose. Our increasingly awkward visit soon turns deadly when a member of the household is found murdered and all clues point to Belinda as the prime suspect. I soon learn that some long buried secrets have come back to haunt those in residence at Trewoma Hall and I'll need to sift through the ruins of their past so Belinda doesn't lose her chance at freedom in the present. . . .

won world peace.
