A collection of eighteen fables as told by Jean de La Fontaine, including "The Tortoise Who Ran a Race with the Hare" and "The Grapes Hang High for Reynard the Fox."

[Fables de La Fontaine](#) Simon and Schuster

By: Jean de La Fontaine (1621-1695)Livre 1. Voici le premier livre des Fables de Jean de La Fontaine publié par le fabuliste l'âge de 47 ans. Inspiré de l'oeuvre du fabuliste grec Esopé, Jean de La Fontaine met en scène les animaux pour mieux décrire les éternels comportements humains. Éternels ? Oui ! Car plus de trois siècles après leur première publication, les lecteurs y reconnaissent la société contemporaine.(de Jean Lambert)...

Les Fables de La Fontaine ne sont pas des petits récits divertissants au seul usage des enfants, elles disent surtout la variété et la beauté du monde et s'enracinent dans une véritable philosophie de l'existence, celle d'Épique. Dans ce recueil de quinze textes commentés, Anne-Laure Brisac montre comment le fabuliste, sans jamais cesser d'être une artiste, s'affirme philosophe. La lecture proposée concilie précision et clarté, elle est en tous points conforme aux exigences de l'épreuve orale de français du baccalauréat. Anne-Laure Brisac, ancienne élève de l'École normale supérieure (Saint-Cloud), est agrégée de grammaire. Elle est l'auteur du recueil de textes commentés consacrés à La tragédie racinienne, publié dans la collection Major Bac.

Fables de La Fontaine - Scholar's Choice Edition Hatier

A lone little boy finds his voice in Diana Jean La Fontaine's charming debut children's story, A Giant Step for Andy. Andy's favorite thing in his world is elephants. Finding it difficult to take that step to make friends, he finds companionship and comfort in his stuffed elephant, Oliphant, and his weekly trips to the zoo with his father. When a zookeeper tries to say "hi" to Andy, the little boy ignores any attempts at talking with her and quickly becomes frustrated. He just wants to watch the elephants. While his father tries to teach him how to get along with others, Andy is simply too overwhelmed by all the activity around him and feels he can't do it. But then something magical

happens...Andy's favorite elephant at the zoo, Tusker, decides to help! To Andy's amazement, Tusker and his elephant friends guide the little boy through the steps for meeting and making friends. Through their patience and lots of practice, Andy discovers he can learn the steps to stop, look, and listen to help him make new friends. Sure enough, the next time he and his father go to the zoo, Andy waves and greets the zookeeper. He's so proud of himself! As Andy arrives at the elephant slide, he is greeted by a little girl who asks him to play. Can Andy use the skills he's learned to make a new friend?

The Fables of La FontaineJean de La FontaineCOMPLETE - 12 BOOKS IN 1Translated from the French by Elizur Wright.With Notes by J. W. M. Gibbs.The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694. They are classics of French literature.The first edition of this translation of La Fontaine's Fables appeared in Boston, U.S., in 1841. It achieved a considerable success, and six editions were printed in three years. Since then it has been allowed to pass out of print, except in the shape of a small-type edition produced in London immediately after the first publication in Boston, and the present publishers have thought that a reprint in a readable yet popular form would be generally acceptable.The translator has remarked, in the "Advertisement" to his original edition (which follows these pages), on the singular neglect of La Fontaine by English translators up to the time of his own work. Forty years have elapsed since those remarks were penned, yet translations into English of the complete Fables of the chief among modern fabulists are almost as few in number as they were then. Mr. George Ticknor (the author of the "History of Spanish Literature," &c.), in praising Mr. Wright's translation when it first appeared, said La Fontaine's was "a book till now untranslated;" and since Mr. Wright so happily accomplished his self-imposed task, there has been but one other complete translation, viz., that of the late Mr. Walter Thornbury. This latter, however, seems to have been undertaken chiefly with a view to supplying the necessary accompaniment to the English issue of M. Doré's well-known designs for the Fables (first published as illustrations to a Paris edition), and existing as it does only in the large quarto form given to those illustrations, it cannot make any claim to be a handy-volume edition. Mr. Wright's translation, however, still holds its place as the best English version, and the present reprint, besides having undergone careful revision, embodies the corrections (but not the expurgations) of the sixth edition, which differed from those preceding it. The notes too, have, for the most part, been added by the reviser.

The Complete Fables of Jean de La Fontaine FeniXX

Inspired new translations of the work of one of the world's greatest fabulists Told in an elegant style, Jean de la Fontaine's (1621-95) charming animal fables depict sly foxes and scheming cats, vain birds and greedy wolves, all of which subtly express his penetrating insights into French society and the beasts found in all of us. Norman R. Shapiro has been translating La Fontaine's fables for over twenty years, capturing the original work's lively mix of plain and archaic language. This newly complete translation is destined to set the English standard for this work. Awarded the Lewis Galantière Prize by the American Translators Association, 2008.
