WELLS HATFIELD

My Life as an Album
"This Beautiful Life is a gripping, potent and blisteringly well-written story of family, dilemma, and consequence. . . . I read this book with white-knuckled urgency, and I finished it in tears. Helen

Schulman is an absolutely brilliant novelist."
—Elizabeth Gilbert, author of *Eat, Pray, Love*
The events of a single night shatter one family's sense of security and identity in this provocative and deeply affecting domestic drama from Helen Schulman, the acclaimed author of *A Day at the Beach* and *Out of Time*. In the tradition of Lionel Shriver, Sue Miller,

and Laura Moriarty, Schulman crafts a brilliantly observed portrait of parenting and modern life, cunningly exploring our most deeply-held convictions and revealing the enduring strengths that emerge in the face of crisis.
[My Beautiful Life](#) Pushkin Press
At the one-year anniversary of his death, legendary musician

Prince's first wife shares a uniquely intimate, candid, and revelatory look inside the personal and professional life of one of the world's most beloved icons. In *The Most Beautiful*, a title inspired by the hit song Prince wrote about their legendary love story, Mayte Garcia for the first time shares the deeply personal story of their relationship and offers a singular perspective on the music icon and their world together: from their unconventional meeting backstage at a concert

(and the long-distance romance that followed), to their fairy-tale wedding (and their groundbreaking artistic partnership), to the devastating losses that ultimately dissolved their romantic relationship for good. Throughout it all, they shared a bond more intimate than any other in Prince's life. No one else can tell this story or can provide a deeper, more nuanced portrait of Prince -- both the famously private man and the pioneering, beloved artist -- than Mayte, his partner during some of

the most pivotal personal and professional years of his career. *The Most Beautiful* is a book that will be returned to for decades, as Prince's music lives on with generations to come.

Enchanted Lion Books

"The writing sings" says *Publisher's Weekly* in this

"inspiring autobiography." Dr. Mae Jemison, the first African-American woman in space, is truly a modern hero with a remarkable, inspirational story to tell. Mae Jemison made history as the first woman of color in space. But she's also taken center stage as an actress, scientist, doctor, and teacher--not to mention all of the "top ten" lists she's made, including People's 50 Most Beautiful People and the 1999 White House Project's list of the seven women most likely to be elected President. The

adventures of her life make for a truly compelling read. To top it all, with her charming sense of humor, Mae is a remarkable storyteller. The variety and richness of Mae Jemison's experiences will inspire every reader who picks up this book. "One thing I was consistent about was testing limits--mine and other people's--especially adults." --Dr. Mae Jemison *Find Where the Wind Goes* The Most Beautiful The book, *A Beautiful Life*, is meant for people of all ages and across all stages

or roles of one's life, whether one is a man or woman, son or daughter, brother or sister, husband or wife, grandfather or grandmother, maternal grandfather or grandmother, among others. As its name suggests, this book teaches the art of living. True to its title, this book will inspire people to live life to the fullest. This book is important for all people, be it a child learning the nuances of life and living or a person entering their twilight years.

Ginger North Atlantic Books

"Angular, smart, and fearless, Arisa White's newest collection takes its titles from words used internationally as hate speech against gays and lesbians, reworking, re-envisioning, and re-embodiment language as a conduit for art, love, and understanding." --

How can he make sense of the world when he can't even make sense of himself? Joe is not like

other boys. At 14 he is obsessed with birds and the weather - but to this sensitive and gentle young man, other people are a mystery. When Joe is sent away to stay with his quirky artist aunt in Holland, only his relationships with his aunt and his new friend, Emmie, help him as he struggles to make sense of the world. Fifteen years later, Joe is a man - but still at odds with other people, and a virgin. Returning to Amsterdam, the place where he was closest to happiness, Joe

witnesses a tragedy and discovers a secret that throws his life into turmoil - but this may ultimately lead him to find the one thing he has always craved... The Most Beautiful Thing is a coming-of-age tale with a twist that will appeal to fans of Ann Enright and Penelope Lively. Tender and insightful, it will make you see the world with new eyes. "Robyn is the real thing. A gifted writer who understands the complexities of the human soul." Jacqui Lofthouse "A thoughtful

and moving writer who has a great sense of human emotion." Michael Kimball
A Life in Science
Macmillan
Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens

than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in

meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention

To get the best answer-in
 business, in life-you have
 to ask the best possible
 question. Innovation
 expert Warren Berger

shows that ability is both
 an art and a science. It
 may be the most
 underappreciated tool at
 our disposal, one we learn
 to use well in infancy-and
 then abandon as we grow
 older. Critical to learning,
 innovation, success, even
 to happiness-yet often
 discouraged in our
 schools and workplaces-it
 can unlock new business
 opportunities and reinvent
 industries, spark creative
 insights at many levels,
 and provide a
 transformative new
 outlook on life. It is the
 ability to question-and to

do so deeply,
 imaginatively, and
 "beautifully." In this
 fascinating exploration of
 the surprising power of
 questioning, innovation
 expert Warren Berger
 reveals that powerhouse
 businesses like Google,
 Nike, and Netflix, as well
 as hot Silicon Valley
 startups like Pandora and
 Airbnb, are fueled by the
 ability to ask
 fundamental, game-
 changing questions. But
 Berger also shares human
 stories of people using
 questioning to solve
 everyday problems-from

“How can I adapt my career in a time of constant change?” to “How can I step back from the daily rush and figure out what really makes me happy?” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “Why,” “What if,” and “How” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

My Life and the Beautiful Game Rocky Nook, Inc.
Featuring a foreword by Beyoncé Knowles-Carter. When Prince wanted to document his One Nite Alone tour in 2002, he turned to Afshin Shahidi. Again in 2004, he went along on Prince’s record breaking Musicology Tour. Afshin met Prince in 1989 and became his cinematographer and later his photographer. He was the photographer closest to Prince for the last fifteen years of Prince’s life. Afshin is the

only photographer to shoot the legendary 3121 private parties in Los Angeles that became the most sought after invitations in Hollywood. Prince: A Private View compiles his work into a journey through Prince's extraordinary life. With many never-before-seen photos, this is the ultimate collection of – some intimate, some candid, some in concert – shots of Prince, but all are carefully directed in the artist-as-art style that we associate with him. Deep photo captions are brief,

but complete stories about Prince's life at that moment - some are incisive, others are personal and even funny.

The Most Beautiful Thing Zondervan

As seen on Oprah's Super Soul Sunday A beacon of hope in the face of our current world crises, this uplifting book demonstrates how embracing our interconnectedness is key to world transformation In a time of social and ecological crisis, what can we as individuals do to make the world a better

place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a

stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get ourselves in order, any action we take—no matter how good our intentions—will ultimately be wrong-headed and

wrong-hearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly

in a Story of Interbeing. The Beautiful Ones The Write Order Publication REGIONAL BESTSELLER Now a documentary narrated by Common, produced by Grant Hill, Dwyane Wade, and 9th Wonder, from filmmaker Mary Mazzio The moving true story of a group of young men growing up on Chicago's West side who form the first all-Black high school rowing team in the nation, and in doing so not only transform a sport, but their lives. Growing up on Chicago's Westside in the 90's,

Arshay Cooper knows the harder side of life. The street corners are full of gangs, the hallways of his apartment complex are haunted by drug addicts he calls "zombies" with strung out arms, clutching at him as he passes by. His mother is a recovering addict, and his three siblings all sleep in a one room apartment, a small infantry against the war zone on the street below. Arshay keeps to himself, preferring to write poetry about the girl he has a crush on, and spends his school days in the home-

ec kitchen dreaming of becoming a chef. And then one day as he's walking out of school he notices a boat in the school lunchroom, and a poster that reads "Join the Crew Team". Having no idea what the sport of crew is, Arshay decides to take a chance. This decision to join is one that will forever change his life, and those of his fellow teammates. As Arshay and his teammates begin to come together to learn how to row--many never having been in water before--the

sport takes them from the mean streets of Chicago, to the hallowed halls of the Ivy League. But Arshay and his teammates face adversity at every turn, from racism, gang violence, and a sport that has never seen anyone like them before. A Most Beautiful Thing is the inspiring true story about the most unlikely band of brothers that form a family, and forever change a sport and their lives for the better.

[The Most Beautiful Story](#)
Farrar, Straus and Giroux

"As the ironic title indicates, Parker's latest tells the story of an individual life that takes extraordinary turns. As the story begins, the nameless, dying narrator takes us back to his childhood home in a remote corner of the ubiquitous Empire. The second of three sons, he lives there with his mother in a state of unrelieved poverty. Life eventually becomes so dire that the mother -- who can only find work as a prostitute -- is forced to sell one of her children.

The oldest son, Nico, volunteers to be sold in order to protect his family, and that decision sets in motion everything that follows. Nico's journey takes him, in time, to the heart of the Empire and the very center of power. Over time, he acquires considerable power of his own and uses it to bring his younger brothers into the circle of his influence, changing their lives forever. Under Nico's guidance, the middle brother -- our nameless narrator -- achieves a

destiny that will alter not only his own life, but the life of the Empire itself."-- Provided by publisher Normal People St. Martin's Press

The real Prince in the words of those who knew him best—from award-winning author Touré. *Nothing Compares 2 U* is an oral history built from years of interviews with dozens of people who were in Prince's inner circle—from childhood friends to band members to girlfriends to managers to engineers to photographers, and

more—all providing unique insights into the man and the musician. This revelatory book is a deeply personal and candid discussion of who Prince really was emotionally, professionally, and romantically. It tackles subjects never-before-discussed, including Prince's multiple personalities, his romantic relationships, his traumatic childhood and how it propelled him into his music career, and how he found the inspiration for some of his most

important songs, including “Purple Rain,” “Starfish and Coffee,” and the unheard “Wally.” Nothing Compares 2 U paints the most complete picture yet written of the most important and most mysterious artist of his time.

My Mother is the Most Beautiful Woman in the World Chronicle Books
 "A fascinating, revelatory portrait of the Metropolitan Museum of Art and its treasures by a former New Yorker staffer who spent a decade as a museum guard"--

The Most Beautiful Simon and Schuster
 A six-year-old peasant girl is lost and searches for her mother. The story proves an old Russian proverb: We do not love people because they are beautiful, but they seem beautiful to us because we love them.

A More Beautiful Question Courier Corporation
 ONE OF PUBLISHERS WEEKLY'S TEN MOST ANTICIPATED MEMOIRS OF THE SEASON IF YOU THINK IT SUCKS TO LIVE WITH YOUR PARENTS

WHEN YOU'RE THIRTY-SIX AND NINE MONTHS PREGNANT, JUST WAIT TILL THE DEA COMES KNOCKING (WITH THE IRS IN TOW): WELCOME TO VICTORIA FEDDEN'S LIFE. When a squad of federal agents burst through her parents' front door, Victoria Fedden felt ill-prepared to meet them: She was weeks away from her due date and her T-shirt wasn't long enough to hide her maternity undies. As for the question of how to raise a child when you've just discovered that your

mother and stepfather have allegedly masterminded a pump-and-dump scheme? She was pretty sure that wasn't covered in *What to Expect When You're Expecting*—and she really hoped that Bradford Cohen, the noted criminal defense attorney who famously waived his exemption on *The Apprentice*, would prove them innocent. *This Is Not My Beautiful Life* is the story of how Victoria lost her parents to prison and nearly lost her mind. No one ever said motherhood

would be easy, but as she struggles to change diapers, install car seats, and find the right drop-off line at pre-school—no easy task, when each one is named for a stage in the lifecycle of a f*cking butterfly—she's also forced to ask herself whether a jump-suit might actually complement her mom's platinum-blond extensions and fend off the cast of shady, stranger-than-fiction characters (like the recovering addict who scored a reality show when he started an escort

service for women) who populated her parents' world. A real-life *Arrested Development* that could only unfold in southern Florida, *This Is Not My Beautiful Life* is a hilariously funny and unexpectedly moving memoir of a just-functional family you'll never forget.

Hands Free Mama

Harper Collins

A testament to the power of the imagination and the saving power of storytelling.

Beautiful World, Where Are You Simon and

Schuster

An emotional, small-town, first-love romance between a spirited athlete and her football hero neighbor. Feisty, dive queen Cam Swayne refuses to give up on her destiny. For as long as she can remember, her heart has belonged to the dreamy boy next door. But despite their lifelong friendship, the three years separating them seems like an insurmountable hurdle to the relationship she really wants. Until one summer night, when everything changes and

Jake finally sees her for the woman she's become. Can Cam's sheer determination keep them together when college, illness, and fate come calling? Or will she be left to pick up the pieces without him? "You were my only wish. My only dream come true. But what if I couldn't keep you?" Inspired by Taylor Swift's "Begin Again," this heartbreaking story of love, resilience, and unexpected happily ever afters might just leave a permanent mark on your soul. Warning: tears may

fall... Start the complete, interconnected series today.
