"Never have I met a more dedicated and passionate coach, actor, and human being! Paul owns his craft and is willing and wanting to share with all who want to learn!"-Annie Hamilton-Null, Hamilton Casting  
"Paul Rohrer has proven his Listen, Feel, Respond process to success! Plain and simple, his actors consistently work from coast-to-coast-all due to this inspirational, practical, and refreshing process. Read it and reap!"-Peter deAnello, talent representative/producer; author *The Monologue from Mystery to Mastery*  
With over thirty years of industry experience, author Paul Neal Rohrer shows you how to strengthen your acting

ability with easy-to-follow tips and exercises. Divided into three sections, Rohrer guides you through the different processes used in his popular weekly acting workshops. Rohrer also introduces tools and techniques to help you fine-tune your craft and improve your chances in the competitive world of acting. Whether you're an amateur or a professional, Listen, Feel, Respond will propel you onto the path of success!

First Time in Print  
Updated and expanded To win a role in a movie or on network or cable TV, you must make a strong first impression in your brief, crucial audition—and the first person you have to impress is the casting director. In *How to Audition On Camera*, Casting Director Sharon Bialy answers the twenty-five questions actors ask most frequently about how to nail an audition. What is the casting director looking for? If you mess up, can you start over? What is the most common mistake

experienced actors make? Should you audition off book or can you look at the page? Should you dress in character? How much can you improvise? Actors—both novice and professional—are often misled by myths and outdated prescriptions. This guide replaces such misinformation with concise and accurate advice from someone who is in the room helping to make the decision on who gets the job. Bialy gets readers started immediately on the road to screen acting success. *Training of the American Actor (Large Print 16pt)* Taylor & Francis  
"The best and most important book about acting I've ever read."--Nathan Lane From the coauthor of *The World Only Spins Forward* comes the first cultural history of Method acting--an ebullient account of creative discovery and the birth of classic Hollywood. On stage and screen, we know a great performance when we see it. But how do actors draw from their bodies and minds to turn their selves into art? What is the craft of being an authentic fake? More than

a century ago, amid tsarist Russia's crushing repression, one of the most talented actors ever, Konstantin Stanislavski, asked these very questions, reached deep into himself, and emerged with an answer. How his "system" remade itself into the Method and forever transformed American theater and film is an unlikely saga that has never before been fully told. Now, critic and theater director Isaac Butler chronicles the history of the Method in a narrative that transports readers from Moscow to New York to Los Angeles, from *The Seagull* to *A Streetcar Named Desire* to *Raging Bull*. He traces how a cohort of American mavericks--including Stella Adler, Lee Strasberg, and the storied Group Theatre--refashioned Stanislavski's ideas for a Depression-plagued nation that had yet to find its place as an artistic powerhouse. The Group's feuds and rivalries would, in turn, shape generations of actors who enabled Hollywood to become the global dream-factory it is today. Some of these performers the Method would uplift; others, it would destroy. Long after its midcentury heyday,

the Method lives on as one of the most influential--and misunderstood--ideas in American culture. Studded with marquee names--from Marlon Brando, Marilyn Monroe, and Elia Kazan, to James Baldwin, Ellen Burstyn, and Dustin Hoffman--*The Method* is a spirited history of ideas and a must-read for any fan of Broadway or American film.

If Chins Could Kill:  
Confessions of a B Movie Actor

Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No--and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road

before. Scroll down to that Judy Garland biography. You know plenty about her already--great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too--great voice, troubled toupee. The truth is that though you might not have a clue who I am--unless you watch cable very late at night--there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill:  
Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff.

Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

[Film Actors Discuss Their Craft](#) Smith & Kraus Pub Incorporated

In *To the Actor* Michael Chekhov has recorded brilliantly the results of his many years of experimenting, testing and verifying in the professional theater and schools of the theater. He brings to actors far greater insight into themselves and the characters they are to portray, which enables them to approach any role with new ease and skill. "To the Actor is by far the best book that I have read on the subject of acting. Actors, directors, writers and critics will be grateful

for it. It should prove enlightening to theatergoers who wish to deepen their appreciation for fine acting and thus help to invigorate the theatrical art."—Gregory Peck "I think without a doubt every creative person in the theater will want to have it as a constant reference book, outside of its being, in my opinion, absorbing and entertaining reading."—Yul Brynner (from the Preface) "One of the most remarkable and practical books on the technique of acting I have ever read....Enthusiastically recommended to all theatre collections of whatever size."—Library Journal

**An Actor-Friendly Guide** A&C Black

In this updated rich resource for actors, renowned movement teachers and directors reveal the physical skills needed for the stage and the screen. Readers will gain remarkable insights into the physical skills and techniques used in a wide variety of performance styles through ready-to-use exercises and approaches. Included in this new edition are chapters covering: Stage combat Yoga for actors Martial arts Body-mind

centering Authentic movement Bartenieff fundamentals Grotowski-based movement Those who want to pursue serious training will be able to consult the appendix for listings of the best teachers and schools in the country. This inspiring collection is a must-read for all actors, directors, and teachers of theater looking for stimulation and new approaches. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

*Acting for the Camera*  
ReadHowYouWant.com

Book of Sides II: Original, Two-Page Scenes for Actors and Directors is the second book in the Book of Sides series by Dave Kost, featuring original, two-page, two-character scenes for use in acting, directing, and auditioning classes. While shorter than the traditional three-to-six-page scenes commonly used in classes, Book of Sides II features longer scenes than the first Book of Sides with greater character development, more reversals, and stronger climaxes. Balanced, structured scenes designed specifically for educational use challenge both actors and directors equally with objectives, obstacles, tactics, and subtext; Two-page length is ideal for high-intensity exercises and faster-paced workshops; Printed in easy-to-read film-script format with plenty of room for notes; Scenes are completely original and unencumbered by copyright, so students may film and post legally on the internet; Universally castable, so all roles can be played by actors of any gender, appearance, skill level, or ethnicity; Accessibly-written for modern students, helping them to

focus on the fundamentals of performance and directing; Simple and conducive to performing in a classroom without sets, costumes, or special props. This book was written by an educator for educators and designed for use in the classroom. Never search for scenes again! [How to Do Your Best Work in an On-camera Audition](#) Bantam  
The first comprehensive survey and study of the major techniques developed by and for the American actor over the past 60 years. Presented side-by-side, each of the 10 disciplines included is described in detail by one of today's foremost practitioners. An invaluable resource both for the young actor embarking on a career and for the theatre professional polishing his or her craft. "successful acting must reflect a society's current beliefs. The men and women who developed each new technique were convinced that previous methods were not equal to the full challenges of their time and place, and the techniques in this book have been adapted to current needs in order to continue to be successful

methods for training actors. The actor's journey is an individual one, and the actor seeks a form, or a variety of forms, of training that will assist in unlocking his own creative gifts of expression."

### **The Actor's Guide to Understanding How Your Face**

### **Communicates Emotion for TV and Film** Vintage

In this new edition, Patrick Tucker retains the engaging style and useful structure of the first edition while addressing significant changes in current technology, ensuring that this volume will remain an indispensable resource for contemporary students of screen acting. Updated for a new decade of screen performance possibilities, *Secrets of Screen Acting* is a magician's box of acting tricks for today's performer and makes the distinction between acting for the stage and for the screen. He explains that the actor, instead of starting with what is real and trying to portray that on screen, should work with the realities of the shoot itself, and then work out how to make it all appear realistic. Tucker has created and developed several screen acting of a courses, and

this book is an extension and explanation of a lifetime of work in the field. Containing over fifty acting exercises, this book leads the reader step-by-step through the elements of effective screen acting. Refreshing in its informal approach and full of instructive anecdotes, *Secrets of Screen Acting* is an invaluable guide for those who wish to master the art of acting on-screen.

**Taming the Cyclops** Hal Leonard Corporation  
*Secrets of Acting Shakespeare* isn't a book that gently instructs. It's a passionate, yes-you-can designed to prove that anybody can act Shakespeare. By explaining how Elizabethan actors had only their own lines and not entire playscripts, Patrick Tucker shows how much these plays work by ear. *Secrets of Acting Shakespeare* is a book for actors trained and amateur, as well as for anyone curious about how the Elizabethan theater worked.

[An Actor's Take on Movie Making](#) Rowman & Littlefield  
*Everyday Law for Actors* is a resource and reference book, providing both professional working actors, and those who

aspire to be, with clear, easy-to-read information about the everyday laws they need to know. The book is intended for actors just starting out, for those who have been making a living at acting for a long time, and for every actor in between. All actors can benefit from knowing more about the everyday law that affects their trade. Even well-established "stars" with a full team of lawyers, agents, managers, and business managers will still find this book useful because they can learn all about that "legalese" and "business mumbo jumbo" that maybe they never fully understood. *Everyday Law for Actors* features short chapters, numerous examples of legal principles in plain, understandable language, practical explanations about contract provisions and how to negotiate them, and useful and concise information about actors' unions, working with agents and managers, employment laws, landlord-tenant laws, and more. Actors are artists. But actors must also be smart business people. They don't call it "show business" for nothing. With this book in hand, actors will be much better

prepared to work the "business" side of "show business," and will have easy reference in one manageable volume to the wide variety of legal information they need to advance their careers.

**The Camera Smart Actor** Pickle Partners Publishing  
*Games for Actors and Non-Actors* is the classic and best selling book by the founder of Theatre of the Oppressed, Augusto Boal. It sets out the principles and practice of Boal's revolutionary Method, showing how theatre can be used to transform and liberate everyone – actors and non-actors alike! This thoroughly updated and substantially revised second edition includes: two new essays by Boal on major recent projects in Brazil Boal's description of his work with the Royal Shakespeare Company a revised introduction and translator's preface a collection of photographs taken during Boal's workshops, commissioned for this edition new reflections on Forum Theatre.  
[Integrating voice and the Stanislavski approach](#)  
 Smith & Kraus Pub Incorporated  
*In The Power of the Actor*, a Los Angeles Times

bestseller, premier acting teacher and coach Ivana Chubbuck reveals her cutting-edge technique, which has launched some of the most successful acting careers in Hollywood. The first book from the instructor who has taught Charlize Theron, Brad Pitt, Elisabeth Shue, Djimon Hounsou, and Halle Berry, *The Power of the Actor* guides you to dynamic and effective results. For many of today's major talents, the Chubbuck Technique is the leading edge of acting for the twenty-first century. Ivana Chubbuck has developed a curriculum that takes the theories of the acting masters, such as Stanislavski, Meisner, and Hagen, to the next step by utilizing inner pain and emotions, not as an end in itself, but rather as a way to drive and win a goal. In addition to the powerful twelve-step process, the book takes well-known scripts, both classic and contemporary, and demonstrates how to precisely apply Chubbuck's script-analysis process. *The Power of the Actor* is filled with fascinating and inspiring behind-the-scenes accounts of how noted actors have mastered their craft and have

accomplished success in such a difficult and competitive field. *Everyday Law for Actors* Bloomsbury Publishing  
*The Science and Art of Acting for the Camera* provides a precise yet practical approach to help unlock the mysteries of acting for film and television. Written by veteran actor, producer, and director John Howard Swain, the book offers a clear-cut, no-nonsense technique that equips aspiring or working actors with the necessary skills to succeed on camera. The technique teaches you how to build multi-dimensional characters; construct truthful and exciting relationships; ignite stimulating emotions; craft a series of discoveries guaranteed to energize your work; and much, much more. The book also provides instruction for actors working in commercials—from slating, to the dreaded "tell us about yourself" interview, to nailing "the tag" and embracing the cliché—and supplies sample commercial copy for students to practice. *A Practical Handbook for the Actor* Tilbury House Publishers and Cadent Publishing  
 The legendary acting

coach shares his inspirational philosophy and effective techniques—including case studies, exercises, and professional insights—designed to help actors connect personally with a script, develop a character from the inside out, overcome fear and inhibitions, hone technical skills, and more. Reprint. 17,500 first printing. *William Esper Teaches the Meisner Technique* CRC Press  
 This simple and essential book about the craft of acting describes a technique developed and refined by the authors, all of them young actors, in their work with Pulitzer Prize-winning playwright David Mamet, actor W. H. Macy, and director Gregory Mosher. *A Practical Handbook for the Actor* is written for any actor who has ever experienced the frustrations of acting classes that lacked clarity and objectivity, and that failed to provide a dependable set of tools. An actor's job, the authors state, is to "find a way to live truthfully under the imaginary circumstances of the play." The ways in which an actor can attain that truth form the substance of this eloquent book.

**Auditioning** Routledge  
Culled from Tony Barr's 40 years' experience as a performer, director and acting teacher in Hollywood, this highly praised handbook provides readers with the practical knowledge they need when performing in front of the camera. This updated edition includes plenty of new exercises for honing on-camera skills; additional chapters on imagination and movement; and fresh material on character development, monologues, visual focus, playing comedy and working with directors. Inside tips on the studio system and acting guilds make it particularly helpful for people new to the business, and numerous anecdotes from actors such as Morgan Freeman and Anthony Hopkins and examples from current movies illustrate its many lessons. It is perfect for acting classes, workshops, all actors who work in front of the camera -- and all those who want to.

Film and Television Acting  
Bloomsbury Publishing  
USA  
Film and Television Acting offers solid techniques for creating a natural, believable performance

for film and television. The reader will discover techniques for listening and reacting, blocking and business, character, focus, the closeup, and comedy as they pertain to acting in front of a camera. The book analyzes the differences between theatre, film, and television acting, providing the theatre trained actor with specific approaches for making the transition to on-camera work. This second edition is thoroughly revised and updated. The book contains numerous scenes and exercises, including sample scenes from Cheers and Seinfeld, which provide the reader with ways to practice the specific techniques outlined by the author. Included are interviews with well-know actors and directors: Don Murray, Norman Jewison, and Emmy award winner, Glenn Jordan, to name a few. These interviews illustrate how the professionals apply their training and technique to filmed performances. There is also a chapter-length interview with John Lithgow, in which the actor provides a first-hand account of the differences of acting for the theatre

and for the camera.

Screen Acting Trade Secrets Simon and Schuster  
Practiced by such actors of stature as Marlon Brando, Robert De Niro, Julie Harris, Dustin Hoffman, and Ellen Burstyn (not to mention the late James Dean) the Method offers a practical application of the renowned Stanislavsky technique. On Method Acting demystifies the "mysteries" of Method acting -- breaking down the various steps into clear and simple terms, including chapters on:  
Sense Memory -- the most vital component of Method acting  
Improvisation -- without it, the most integral part of the Method is lost  
Animal Exercises -- just one way to combat the mental blocks that prevent actors from grasping a character  
Creating The Outer Character -- so actors can give the freshness of originality to a role while at the same time living the life of the character  
On Method Acting is also an indispensable volume for directors, designers, lighting technicians, and anyone in the dramatic arts interested in creating a believable and realistic effect in their productions.
