The 7th Day Bridge Logos Foundation
The Book of Ruth is venerated in college literature classes as one of the most elegant love stories of all time. What most people don't realize, is that it is one of the most significant "New Testament" books located in the Old Testament—and it stands as a pivotal study in Bible

Prophecy! It is an essential prerequisite to understanding the Book of Revelation! This tiny, 4-chapter book is one of the most inexhaustible sources of spiritual insight in the entire Bible. While it has been summarized in many of Chuck's broader studies, Chuck explores the many surprises hidden in the text of this charming treasure (including some hidden secrets that will astonish most Biblical scholars!) Every detail of the text will evidence a skillful design beyond the skills of any human editor. Join Dr. Chuck Missler for another series of exciting teaching from the beautiful River Lodge, New

Zealand as he explores this great little book.

The Way of the Master Koinonia House
This bible is a comfortable King James Version. It is easier to read than the traditional King James Version.

Be Ye Transformed Textbook Koinonia House

When did Satan fall? We know that the angels were created prior to the Earth. We find Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic

judgment that ensued. This raises the whole issue of the origin of evil. And why hasn't God simply wiped him, and sin, out completely? It is also disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?

Did God institute the Sabbath just for Israel? Is a Christian supposed to keep the Ten Commandments? Does a Christian have to keep the Sabbath? How did Sunday replace Saturday as "the holy day"? How does our freedom in Christ affect this memorial of the Creation? What is the significance of the Sabbath day prophetically? Many Christians remain uncomfortable with the issue of Sunday worship replacing the traditional Sabbath of Saturday. Anyone who thinks this is a simple issue hasn't studied it carefully. From forty years of intensive Bible study, internationally recognized Bible scholar Chuck Missler explores this continuing controversy.

The Christmas Story Koinonia House

The Book of Acts covers about 30 years: Chapters 2 and 3 of the Book of Revelation cover the next 2,000. This study will explore the seven letters by Jesus Christ to actual historical churches and the church ages they represent. These letters describe, with amazing precision, the unfolding of all church history in advance. This chronicle fills the gap between the 69th and 70th Week of Daniel. We will also find many insightful personal applications as we apply each letter to ourselves.

The Bible Codes Koinonia House
Where did our Bible come from? How good are the texts? Why do we believe its origin is supernatural? How do we know that it really is the Word of God? How accurate are our translations? Which version is the best? Chuck Missler, an internationally recognized Biblical authority, reviews the origin of both the Old and New Testaments in light of recent discoveries and controversies.

Personal Application Workbook Koinonia House

Why do scientists now believe we live in a 10-dimensional universe? Has physics finally reached the very boundaries of reality? There seems to be evidence to

suggest that our world and everything in it are only ghostly images: projections from a level of reality so beyond our own that the real reality is literally beyond both space and time. The main architect of this astonishing idea is one of the world's most eminent thinkers- physicist David Bohm, a protege of Einstein's. Earlier, he noticed that, in plasmas, particles stopped behaving like individuals and started behaving as if they were part of a larger and inter connected whole. He continued his work in the behavior of oceans of these particles, noting their behaving as if they know what each on the untold trillions of individual particles were doing.

Cosmic Codes Koinonia House
This book explores the issue of Bible Accuracy, internally and externally. It is an attempt to include items not usually found in Apologetic Discourses. It covers such topics as Equidistant Letter Spacing (ELS), Fourier Analysis and Holograms, The Bible Witness in the Stars, Fulfilled Bible Prophecies and their relation to Probability Theory, and much more. Although the book has been written with the 'unsophisticated' reader in mind, it should also provide information for those more

well-schooled individuals. We're publishing this book for the Glory of God, in hopes that those so agnostically and atheistically inclined may find answers to the eternal questions they may have unbelievably framed.

The Kingdom, Power Glory challenges Christians to become "overcomers" by laying before them the magnificent future they can inherit in the Millennial Kingdom, if they are faithful and obedient here.

What Really Happened? Most reasonably informed Christians are well aware that many of the traditions that surround the Christmas holidays have pagan origins and very little correlation with the actual events as recorded in the Bible. However, most of us are surprised when we discover that some of what we have been taught about Easter is not only in error, but deliberately so!

The Trinity Koinonia House

Chuck and Nancy Missler share principles for learning to love and be loved, a principle they see as epitomizing the essence of the will of God. They call their program, "The Way of Agape".

Footprints of the Messiah Bridge-Logos

The Way of Agape Bible Study is taught by Nancy Missler and is presented in a seminar format on 4 DVD's. She teaches the truths in God Word discovering God's Agape Love vs. Human Love. This Bible Study is Life Changing and will transform

relationships dramatically.

[Behold a White Horse](#) Koinonia House

The Mystery of Melchizedek Who was this strange Priest/King that received tithes from Abraham? (...and administered bread and wine to him?) How is Melchizedek relevant to the Messiah of Israel? Did Melchizedek have a temple that predated Solomon's? Is the Jewish Kingdom as portrayed in the Old Testament simply an intermediate parenthesis within a larger expanse? Why are the distinctives so divergent from the enforced separation of the kingship and priesthood under David? Were the bread and wine served by Melchizedek eschatological? Did they embrace the Cross? (They, too, echo across the pages of the OT) Was the Lord's Communion anticipated in Gen. 14? Deriving from some very recent discoveries in Jerusalem (although some are yet to be confirmed) these studies may challenge many of the comfortable traditions that have shaped our classic Biblical perspectives. Join us as we explore some fascinating challenges to our previous understandings of things that shape our ultimate destiny...

Hermeneutics 101 Grove/Atlantic, Inc.

Has God abandoned Israel? Has the Church “replaced” Israel? What does the Bible say? As we watch the world events, it is clear that Israel is following her prophetic scenario, and a new chapter is about to be written—and there may be a big surprise on our near horizon!

How We Got Our Bible Koinonia House
 What Happens When You Die? We don't like to think about death. It's not a pleasant subject, and we avoid even discussing it seriously or giving it any diligent study. Yet our appointment with death is the most certain event in our future. We all know of personal examples when death has come suddenly to people, without warning, without preparations; car accidents, stray bullets, unforeseen strokes. When it comes our time, what do we expect death to be like? How will we enter eternity?

"The Way of the Master" is the flagship work of Ray Comfort and Kirk Cameron's organization. It anchors their television program, radio program, and website. Considered by many to be the definitive text in evangelism, this book is coming to Bridge-Logos to be updated, expanded, and illustrated with photographs for Spring 2006 release. It's an anecdotal, loaded with commentary and remarks that are more conversational than academic. It's an easy read with a hard message that has already changed the face of sharing faith.
