From the New York Times–bestselling author of *School for Dangerous Girls* comes a suspenseful stunner of siblings caught up in a sinister deception. Abby Goodwin is sure her sister Maya isn't a murderer. But her parents don't agree. Her friends don't agree. And the cops definitely don't agree. Maya is a drop-out, a stoner, a girl who's obsessed with her tutor, Jefferson Andrews . . . until he ends up dead. Maya runs away, and leaves Abby following the trail of clues. Each piece of evidence points to Maya, but it also appears that Jefferson had secrets of his own. And enemies. Like his

brother, who Abby becomes involved with . . . until he falls under suspicion. Is Abby getting closer to finding the true murderer? Or is someone leading her down a twisted false path? "The Deadly Sister is riddled with red herrings and told by an unreliable narrator, which make the surprise ending all the more shocking. Well-drawn characters, realistic dialogue, and suspenseful twists and turns add to the appeal. Teens crave mystery, and this book will suit them just fine." —School Library Journal (starred review) "The page-turning action and the potent relationship between the two sisters will keep teens' attention right up to the final confession." —Booklist "Let me tell you, *The Deadly Sister* was so creepily good, I would rather you read it yourself . . . Eliot Schrefer is the author of another thrillingly creepy book—and serious page-turner—*The School for Dangerous Girls*. *The Deadly Sister* is a great follow-up and a perfect read-alike." —ThisGrrlReads "The Deadly Sister is a perfect summer thriller." —TeensReadToo

Adele is a girl like many others, finally she has finished her long course of studies in medicine. On the day of graduation, however, a discovery and an unexpected event change her life forever. While she is looking for some CDs, she finds a registered letter, which she may have never wanted to read. But she can't come back. Surprised and completely disoriented, she decided to leave for a long journey, with her best friend, Cristina, in search of her true identity, which will take her to Tenerife, theater and setting for exciting adventures. A pleasant place that the author describes minutely. Friendship, a short and intense love story with a married hotelier, the specialization course at university and finally Love with capital L, arrive. However nothing is as it seems, even the beloved lawyer hides a secret. And when Adele is about to approach the truth, a twist turns the cards upside

down and leaves the reader in suspense.

12 cold cases. 12 kidnapped women. One diabolical serial killer. In this bestselling suspense thriller, a brilliant FBI agent faces a deadly challenge: decipher the mystery before each one is murdered. FBI Special Agent Maya Gray, 39, has seen it all. She's one of BAU's rising stars and the go-to agent for hard-to-crack serial cases. When she receives a handwritten postcard promising to release 12 kidnapped women if she will solve 12 cold cases, she assumes it's a hoax. Until the note mentions that, among the captives, is her missing sister. Maya, shaken, is forced to take it seriously. The cases she's up against are some of the most difficult the FBI has ever seen. But the terms of his game are simple: If Maya solves a case, he will release one of the girls. And if she fails, he will end a life. Maya embarks with an urgency unlike any she's ever felt. In a race against time, and with her sister's life hanging in the balance, she must unravel the link between the 12 captives and end the killer's dark game once and for all. Is this killer toying with her? Does he truly have her sister? Will he ever give her back? Or will Maya end up sucked too deep into this killer's twisted cat-and-mouse game to notice that she, herself, is the prey? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the MAYA GRAY mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. It is a perfect addition for fans of Robert Dugoni, Rachel Caine, Melinda Leigh or Mary Burton. Books #2-#9 in the series—GIRL TWO: TAKEN, GIRL THREE: TRAPPED, GIRL FOUR: LURED, GIRL FIVE: BOUND, GIRL SIX: FORSAKEN, GIRL SEVEN: CRAVED, GIRL EIGHT: HUNTED, and GIRL NINE: GONE—are now also available.

NOW AVAILABLE IN PAPERBACK In 2082, a catastrophic explosion rocks the dedication ceremony of the new United Nations in New York City. Security Director Julia Moro is on the job, chasing after the misogynistic leader of Patria, a long-disbanded international terrorist organization now being whispered about again on the streets. This dangerous, shadowy figure has been linked to several bombing attempts and vicious attacks on women, including the Women of Peace—an organization headed by thirteen bold women who have risked their lives to restore worldwide peace. As Julia's investigation unfolds, a deep secret from her past threatens to strip her of everything she cherishes and plunge her into unrecoverable darkness. The Circle of Thirteen's gripping narrative weaves back and forth in time, from an act of domestic violence that created the disturbed personality of the Patria mastermind, to the two weeks leading up to the bombing at the UN, to events half a century before the bombing that directly influence it. The strong, relatable women and the unbreakable bond between them provide an emotionally grounded window into the future's unforgettable history.

A young man sets out on a quest to find his biological father. Along the way, he falls in with a plucky band of environmental activists, who call themselves eco-ops, operating in the wilds of Orange County. Each one among them possesses unique abilities. And one is The Dreamer an individual with a singular destiny: to weave, at a sub-conscious level, the totality of present and past world events. The murder of a prominent industrialist and Orange County developer catapults eco-ops into motion. Investigating the murder while trying to stay one step ahead of the authorities, eco-ops uncovers a nefarious plot to overthrow the government. A cynical, wealthy televangelist is engaged in a power grab to implement his sociopathic agenda and impose it on unsuspecting millions. Can eco-ops expose the plot before he and his minions can close the deal? *Sleeping Gods* is a mystical adventure thriller combining action and reflection, humor and pathos. It finds unlikely heroes and dastardly villains on a collision course in a world where reality is inextricably intertwined with the magical and mythical.

Marty English, advertising executive, seems to be leading the perfect life—no one knows that he is really the estranged son of Chicago's Mafia Don. When he pulls in a multi-million dollar account with Isaac Arrow Pharmaceuticals to promote its new herbal line, it looks like he's a shoe-in to replace the aging president of his agency. The only problem is that the ad must be completed for airing during the Superbowl, less than three weeks away—with practically no time to head to Belize and shoot a commercial that will highlight Isaac Arrow's ecological commitment. Unbeknownst to Marty, the heads of Isaac Arrow have long been in cahoots with the Mob, the CIA, and the heads of Planetlife, a bogus eco-resort that is really a front for the manufacture of a highly potent drug. When Tony Inglesia, Marty's father, refuses to go in on the distribution of this new drug, the others in the crime ring plan to "eliminate this roadblock" as soon as he relinquishes his CD-Rom disk which contains one third of the code necessary to access a Swiss bank account containing millions. But their plan is thwarted; Tony's right hand man murders his boss to get in on the action, and now all that matters to them is that they recover the disk (which is now, unmarked, with its significance unexplained, in Marty's possession). For the first time, Marty must depend on the help of a county cop, and his beautiful long-time companion Reiki to help him crack the mysterious code the disc contains and bring down the crime ring...and stay alive in the process.

Introducing feisty Asian-American private investigator Maya Mallick in the first of an intriguing new mystery series. During a morning stroll in Seattle's Green Lake district, Maya Mallick is horrified to see two young women, shrouded in white, set themselves ablaze in front of the temporary residence of the visiting Chinese foreign minister. She's even more shocked to recognize one of them: Sylvie Burton, a brilliant Tibetan-American biomedical scientist, who is the adopted sister of Maya's best friend. An onlooker informs her that the two women are martyrs, protesting the Chinese occupation of Tibet. Yet Maya has a nagging suspicion that all is not as it seems. With so much to live for, why would Sylvie wish to end her life in this horrific way? As Maya gets closer to the shocking truth, she finds her own life on the line.

A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors; new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives; and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually, but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.

Featuring ruffled PIs, shyster lawyers, corrupt politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days – and even before, looking at some of noir's ancestors in US and European cinema – as well as noir's more recent offshoots, from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world – from every continent save Antarctica – with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008), and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.

Hidden Genius Harlequin

A radically inclusive, intersectional, and transnational approach to the fight for women's rights. Upper-middle-class white women have long been heralded as "experts" on feminism. They have presided over multinational feminist organizations and written much of what we consider the feminist canon, espousing sexual liberation and satisfaction, LGBTQ inclusion, and racial solidarity, all while branding the language of the movement itself in whiteness and speaking over Black and Brown women in an effort to uphold privilege and perceived cultural superiority. An American Muslim woman, attorney, and political philosopher, Rafia Zakaria champions a reconstruction of feminism in *Against White Feminism*, centering women of color in this transformative overview and counter-manifesto to white feminism's global, long-standing affinity with colonial, patriarchal, and white supremacist ideals. Covering such ground as the legacy of the British feminist imperialist savior complex and "the colonial thesis that all reform comes from the West" to the condensation of the white feminist-led "aid industrial complex" and the conflation of sexual liberation as the "sum total of empowerment," Zakaria follows in the tradition of intersectional feminist forebears Kimberlé Crenshaw, Adrienne Rich, and Audre Lorde. Zakaria ultimately refutes and reimagines the apolitical aspirations of white feminist empowerment in this staggering, radical critique, with Black and Brown feminist thought at the forefront.

Cover Flap This is the second book in the Maya's Aura series. It continues with both of the story timelines from the first book: *Maya's Aura - the Awakening*. Young Maya is thoroughly enjoying her extended vacation in Vancouver. She is boarding for free with a gay couple in return for letting them document her aura. She is earning pocket money picking up bit parts from movie casting calls. She is meeting lots of interesting people on Wreck Beach, at U.B.C., in the local acting scene, and in the local gay scene. The bummer is, her aura is starting to seriously scare her, and her new friends. Her aura is completely out of control. Dangerously out of control. She has no choice. She has to find someone to teach her how to control it and refine it. With the help of an aging Tai Chi master, a monk, a psychiatrist, an actress, and a gay makeover wizard she learns a lot. Not only how to refine her aura, but also how to refine herself. From the country girl who worked in a coffee shop, emerges a sophisticated young woman. And then her adventures really begin.... About the Author Skye Smith is my pen name. My family convinced me not to use my real name because they feared that predators would use the internet to find me. You'll understand why as you fall in love with sweet Maya, my main character. I wish I could use my own name, but I can't. Sorry. Originally I set out to write a story about vampires and witches, but those have been done to death in eBooks, so instead I gave Maya a strong aura, which allowed her to sense the presence of psychopaths. As I wrote the novel I came to realize that vampires are just psychopaths that stay up late and drink blood. Or maybe psychopaths are just vampires that have swapped their blood habit for good old fashioned greed, power, and lust. Other Novels By The Same Author: *The Hoodsmen* - 12 historical adventures set in the Norman conquest. *Knut* - many historical adventures set in the Viking Era. *The Pistoleer* - 9 historical adventures set in the English Civil War. *Maya's Aura* - 8 new age adventures while tripping around the world. 1. "The Awakening" - She discovers her strange aura. 2. "The Refining" - She learns how to use her aura. 3. "The Ashram" - She searches for answers in India. 4. "Goa to Nepal" - She follows a quest into the Himalayas. 5. "The Charred Coven" - She fights black craft in England. 6. "The Crystal Witch" - She learns psychic craft in England. 7. "The Redeemer" - Psychic dreams of her ancestor Britta. 8. "Destroy the Tea Party" - Britta's adventures in Boston in 1773.

Southern comfort food and multicultural recipes from the New York Times best-selling superstar chef Marcus Samuelsson's iconic Harlem restaurant. When the James Beard Award-winning chef Marcus Samuelsson opened Red Rooster on Malcolm X Boulevard in Harlem, he envisioned more than a restaurant. It would be the heart of his neighborhood and a meet-and-greet for both the downtown and the uptown sets, serving Southern black and cross-cultural food. It would reflect Harlem's history. Ever since the 1930s, Harlem has been a magnet for more than a million African Americans, a melting pot for Spanish, African, and Caribbean immigrants, and a mecca for artists. These traditions converge on Rooster's menu, with Brown Butter Biscuits, Chicken and Waffle, Killer Collards, and Donuts with Sweet Potato Cream. They're joined by global-influenced dishes such as Jerk Bacon and Baked Beans, Latino Pork and Plantains, and Chinese Steamed Bass and Fiery Noodles. Samuelsson's Swedish-Ethiopian background shows in Ethiopian Spice-Crusted Lamb, Slow-Baked Blueberry Bread with Spiced Maple Syrup, and the Green Viking, sprightly Apple Sorbet with Caramel Sauce. Interspersed with lyrical essays that convey the flavor of the place and stunning archival and contemporary photos, The Red Rooster Cookbook is as layered as its inheritance.
