When Morning Gilds the Skies University
Press of Kentucky

The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South. Religion has always been part of the cultural heritage of that region, but scholarly investigation had been sporadic. Since the original publication of the ERS, however, the South has changed significantly in that Christianity is no longer the primary religion observed. Other religions like

Judaism, Buddhism, and Hinduism have begun to have very important voices in Southern life. This one-volume reference, the only one of its kind, takes this expansion into consideration by updating older relevant articles and by adding new ones. After more than 20 years, the only reference book in the field of the Religion in the South has been totally revised and updated. Each article has been updated and bibliography has been expanded. The ERS has also been expanded to include more than sixty new articles on Religion in the South. New articles have been added on such topics as Elvis Presley, Appalachian Music, Buddhism, Bill Clinton, Jerry Falwell, Fannie Lou Hamer, Zora Neale Hurston, Stonewall Jackson, Popular Religion, Pat Robertson, the PTL, Sports and Religion in the South, theme parks, and much more. This is an indispensable

resource for anyone interested in the South, religion, or cultural history. *Stories Behind the Hymns That Inspire America* Mercer University Press
From the song of Moses on the shore of the Red Sea, to the hymn at the close of our Lord's first communion, the singing of psalms, hymns and spiritual songs is an essential part of worship for God's people. In the wisdom of the Glorious Creator, God created man in his image, which included a voice - a uniquely human instrument capable of producing melody. And so, our Lord delights in worship with the voice of praise. From the psalms composed by David on the grassy hillsides of Bethlehem, to the thunderous chorus of "Holy! Holy! Holy!" offered by the seraphim in the throne room of heaven, expressions of singing in worship are evident. And notably, Zephaniah declared

the Lord rejoices in singing Himself: "The LORD thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing." (Zephaniah 3:17). Truly, God's people rejoice in songs of praise through the ages. By singing Psalms in the early church, in quiet whispers of praise in dens and caves of the earth during persecution, singing praises to our Lord endures. In recent centuries, times of revival and despair alike have sown seeds of creativity, and hymns of praise blossomed and bloomed. As such, visionary men like Elder Lee Hanks, saw fit to collect hymns, true to God's word in sentiment, and place them in hymnbook form to use in worship. To commemorate the 100th year of the Old School Hymnal, with hearts set on the glory of God, and enveloped by our rich history of worship in song, we the members of the newly restructured, non-profit Old School Hymnal Foundation Board, humbly present to you the Centennial Edition. In 1920, the founding members of the 1st edition presented a compilation of beloved hymns. In updating the hymnal, we prayerfully labored to honor their focus, endeavoring to maintain treasured, long-standing hymns, while also offering new compositions. We believe the Lord blessed us to remain true to scripture and honor Him with the words and melodies selected. In following the footsteps of our forefathers in hymnody, we echo the words of Elders Monsees and Pittman, in the preface to the 3rd edition, as we tried to include "the best old songs, and some of the new good ones..." In recent years, the Holy Spirit has blessed the creation of new hymns, born from the souls of redeemed children of God, moved and affected by the influence of grace. In honoring the spirit of past editions, and striving to obey the unction of the Holy Spirit, we are united in the desire to share some new songs. Having begun in the fall of 2019, and concluded in the midst of uncertain times, we believe a Providential blessing is in the timing of this effort. As unprecedented upheaval and abject fear prevails, we are compelled to present a point of light to push back against the darkness. While angry, dispirited voices reach a fever pitch, as the vitriolic squawk of malicious accusations command our attention, amidst the din of hard speeches and great swelling words, our prayer is that a different sound rises above the fray. In Christian homes, among congregations of Spirit-led worship, and from hearts of weary sinners, may songs of praise and voices of worship rise to adorn and adore the worthy name of Jesus. Accepting full

responsibility for omissions, oversights and mistakes, and pleading for the mercy and blessing of God, we give to you this Centennial Edition, trusting the voice of praise will lift up to glorify our resurrected, reigning and returning Savior.

My Faith Looks Up to Thee Wipf and Stock Publishers

(Piano/Vocal/Guitar Artist Songbook). This songbook includes all 15 songs from the 2006 release, Jackson's first ever gospel album. Songs: Blessed Assurance * How Great Thou Art * I'll Fly Away * In the Garden * The Old Rugged Cross * Softly and Tenderly * What a Friend We Have in Jesus * and more.

Southern Crossroads Emerald House Group

This new edition has faithfully retained all seventy-seven line scores of the songs and added four new ones, Loving Hannah, Lovin' Henry, Her Mantle So Green, and The Reckless and Rambling Boy. The original headnotes and photographs tell the history of the song as well as how it became a part of the family's life. Chords are indicated for accompaniment; however, music notation and the printed word can present only a reasonable facsimile of any actual song.

Lining Out the Word Hal Leonard Publishing Corporation

"No attempt has been made to present a critical study of Frances Jane Crosby, but simply to retell the life of the Sightless Singer as she, herself, told it to me on various occasions when visiting my home" - p. 11.

Slave Songs of the United States Shawnee Press (TN)

This book, a milestone in American music scholarship, is the first to take a close look at an important and little-studied component of African American music, one that has roots in Europe, but was adapted by African American congregations and went on to have a profound influence on music of all kinds—from gospel to soul to jazz. "Lining out," also called Dr. Watts hymn singing, refers to hymns sung to a limited selection of familiar tunes, intoned a line at a time by a leader and taken up in turn by the congregation. From its origins in seventeenth-century England to the current practice of lining out among some Baptist congregations in the American South today, William Dargan's study illuminates a unique American music genre in a richly textured narrative that stretches from Isaac Watts to Aretha Franklin and Ornette Coleman. Lining Out the Word traces the history of lining out from the time of slavery, when African American slaves adapted the practice for their own uses, blending it with other

music, such as work songs. Dargan explores the role of lining out in worship and pursues the cultural implications of this practice far beyond the limits of the church, showing how African Americans wove African and European elements together to produce a powerful and unique cultural idiom. Drawing from an extraordinary range of sources—including his own fieldwork and oral sources—Dargan offers a compelling new perspective on the emergence of African American music in the United States. Copub: Center for Black Music Research **Baptist Hymn Writers and Their Hymns** Univ of North Carolina Press
In *The Sound of the Dove*, Beverly Bush Patterson explores one of the oldest traditions of American religious folksong, a national heritage of great beauty and dignity that remains vital in the lives and worship of predestinarian Primitive Baptists in the southern mountains. This unaccompanied and frequently unharmonized congregational singing challenges our assumptions about creativity, aesthetics, meaning, and identity. Patterson's revealing study incorporates interviews, field observations, historical research, song transcriptions, and musical analysis. She uses seventeenth-century English documents to trace historical antecedents of Primitive Baptist singing and to frame her discussion of religious belief and gender roles as they intersect with singing. One chapter is devoted to the role of women in this church.

The Baptist Hymn Book Franklin Classics Together, and separately, black and white Baptists created different but intertwined cultures that profoundly shaped the South. Adopting a biracial and bicultural focus, Paul Harvey works to redefine southern religious history, and by extension southern culture, as the product of such interaction--the result of whites and blacks having drawn from and influenced each other even while remaining separate and distinct. Harvey explores the parallels and divergences of black and white religious institutions as manifested through differences in worship styles, sacred music, and political agendas. He examines the relationship of broad social phenomena like progressivism and modernization to the development of southern religion, focusing on the clash between rural southern folk religious expression and models of spirituality drawn from northern Victorian standards. In tracing the growth of Baptist churches from small outposts of radically democratic plain-folk religion in the mid-eighteenth century to conservative and

culturally dominant institutions in the twentieth century, Harvey explores one of the most impressive evolutions of American religious and cultural history. *In Christ Alone* University of Illinois Press This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. From the moment the pilgrims landed on the shores of the New World, to the dark days following September 11, songs of faith have inspired, comforted, and rallied our beloved country. *Stories Behind the Hymns That Inspire America* describes the people, places, and events that have shaped the heart and soul of America. The stories behind these songs will fascinate you and bring new meaning and richness to special spiritual moments in the history of our nation. Discover how: § "Faith of Our Fathers," sung at Franklin Delano Roosevelt's funeral, had its roots not with

the pilgrims but with a Catholic fighting for the right to worship freely in Anglican England § World events, from the downing of Flight 007 in Russian airspace to Desert Storm and September 11, propelled Lee Greenwood's "God Bless the U.S.A." § The author of "Battle Hymn of the Republic" lived the words "His truth is marching on" until the day she died § Combining African rhythms and southern folk melodies, slaves brought Bible truths to life with songs such as "Roll, Jordan, Roll" The songs in this book have energized movements, illuminated dark paths, commemorated historic events, taken the message of freedom and faith across this nation and beyond, healed broken spirits, and righted wrongs. Their stories will make you proud of your heritage as you realize anew that in America, even one voice can make a lasting influence.

Old School Hymnal Franklin Classics This hymnal contains a wide variety of songs for use in Baptist worship services. The songs are organized by theme and include traditional hymns as well as more contemporary selections. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. The Sound of the Dove Hal Leonard Corporation

The South has always been one of the most distinctive regions of the United States, with its own set of traditions and a turbulent history. Although often associated with cotton, hearty food, and rich dialects, the South is also noted for its strong sense of religion, which has significantly shaped its history. Dramatic

political, social, and economic events have often shaped the development of southern religion, making the nuanced dissection of the religious history of the region a difficult undertaking. For instance, segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture. Editors Walter H. Conser and Rodger M. Payne and the book's contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion's place in southern culture now and in the future. *Southern Crossroads: Perspectives on Religion and Culture* takes a broad, interdisciplinary approach that explores the intersection of religion and various aspects of southern life. The volume is organized into three sections, such as "Religious Aspects of Southern Culture," that deal with a variety of topics, including food, art, literature, violence, ritual, shrines, music, and interactions among religious groups. The authors survey many combinations of religion and culture, with discussions ranging from the effect of Elvis Presley's music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion. The book explores the experiences of immigrant religious groups in the South, also dealing with the reactions of native southerners to the groups arriving in the region. The authors discuss the emergence of religious and cultural acceptance, as well as some of the apparent resistance to this development, as they explore the experiences of Buddhist Americans in the South and Jewish foodways. *Southern Crossroads* also looks at distinct markers of religious identity and the role they play in gender, politics, ritual, and violence. The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching, with its themes of blood sacrifice and atonement. *Southern Crossroads* offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change.

Hymns of Grace University Press of Kentucky

Originally published in 1867, this book is a collection of songs of African-American slaves. A few of the songs were written after the emancipation, but all were inspired by slavery. The wild, sad strains tell, as the sufferers themselves could, of crushed hopes, keen sorrow, and a dull, daily misery, which covered them as

hopelessly as the fog from the rice swamps. On the other hand, the words breathe a trusting faith in the life after, to which their eyes seem constantly turned.

Worthy of Worship Univ of California Press

"An easy piano edition of our popular collection featuring 116 hymns!" -- Publisher's website.

Folk Songs of the Southern Appalachians as Sung by Jean Ritchie HarperChristian + ORM

Beyond sound equipment and music charts, eleven noted worship leaders from around the United States write about the ministerial part of their work as it relates to the gospel, mission, disciple-making,

liturgy, the Trinity, justice, creativity, family, and more.

A Brief History of the Baptists and Their Distinctive Principles and Practices, from the "beginning of the Gospel" to the Present Time Zondervan (Glory Sound Simply Sacred). The increasing treasury of modern hymns and sacred songs by Keith and Kristyn Getty and collaborator Stuart Townend are explored in this new resource designed for choirs of any level. Many of this writing team's biggest successes are included, all lovingly adapted by some of our most gifted arrangers. Music for the entire church year is contained in this collection.

Transcending stylistic boundaries, the music and message are home in both contemporary-styled worship venues and traditional programs. Creative instrumental adornments offer additional options for performance while sensitive arranging make this compilation accessible to choirs of any size. Available separately: SAB, Listening CD, Preview Pack (Book/CD Combo), 10-Pack Listening CDs, Instrumental CD-ROM (Score & parts for flute, penny whistle, oboe, acoustic guitar, electric bass, drum set, percussion, violin 1 & 2, viola, cello *Note, instrumentation varies on each song), StudioTrax CD (Accompaniment Only), SplitTrax CD.
