EMELY CASSANDRA

Sonata (Moonlight), op. 27, no. 2 in C# minor for the piano Oxford University Press

Nearly 250 photographs, some never before published, offer an intimate glimpse into one of the art world's most famous love affairs. Emilie Flöge was only a teenager when she met the painter Gustav Klimt, but their friendship soon evolved into a complex and loving relationship that lasted the rest of their lives. Alfred Weidinger, an acclaimed expert on Klimt and his contemporaries, has compiled an exhaustive collection of

photographs relating to the artist and his designer muse. While Klimt took many of these shots, other photographers include Carl Schuster, Victor von Spitzer, Hugo Henneberg, Pauline Kruger Hamilton, Anton Josef Trcka (Antios), and unknown individuals who had access to the couple's private lives. Presented chronologically, they offer insight into the creatively charged world that Klimt and Flöge inhabited - a world they influenced with their enormous talent and passions.

Ukulele Christmas Song Book 2 Hal Leonard Publishing Corporation
Richard Wagner (1813-1883) is one of the most influential - and also one of the most controversial - composers in the history of music. Over the course of his long career,

he produced a stream of spellbinding works that challenged musical convention through their richness and tonal experimentation, ultimately paving the way for modernism. This book presents an in-depth but easy-to-read overview of Wagner's life, work and times. It considers a wide range of themes, including the composer's original sources of inspiration; his fetish for exotic silks; his relationship with his wife, Cosima, and with his mistress, Mathilde Wesendonck; the anti-semitism that is undeniably present in the operas; their proto-cinematic nature; and the turbulent legacy both of the Bayreuth Festival and of Wagnerism itself. Making use of the very latest scholarship - much of it undertaken by the author himself in connection with his editorship of The

Wagner Journal - Millington reassesses received notions about Wagner and his work, demolishing ill-informed opinion in favour of proper critical understanding. It is a radical - and occasionally controversial - reappraisal of this most perplexing of composers. The volume's arrangement - unique among books on the composer - combines an accessible text, intriguing images and original documents, thus ensuring a consistently fresh approach. Bringing new insights to an endlessly fascinating subject, *The Sorcerer of Bayreuth* will charm anyone interested in music and in the wider cultural life of the 19th century and beyond.

Radio Hal Leonard Corporation

The Total Rock Keyboardist is an exciting journey through the diverse world of rock keyboard playing. This book is ideal for all skill levels, from absolute beginners to experienced prog-rockers. You'll learn everything you need to become a well-rounded player, from rhythm parts that support the band to flashy improvised solos. Along the way, you'll gradually learn important music theory such as chords, diatonic harmony, and scales. This book covers practicing tips, warm-ups, easy-to-

understand theory, discussion of various keyboard instruments and their place in music history, left-hand bass lines in a variety of styles, tips for improvising melodies and keyboard solos, a wide variety of chords, and great songs and examples in the styles of innovative rock keyboardists present and past. A CD is included with backing tracks to make practicing fun and easy.

FastTrack Keyboard Method - Book 1

Oxford University Press

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Middle School Math, Course 1 Hal Leonard Corporation

Combines head-shot photographs from vinyl record sleeves with inventive poses to create a hilarious series of more than two hundred images from around the globe, in a colorful volume that pays tribute to the international Internet craze. Original.

Woodman! Spare that Tree! Hal Leonard Corporation

"This new biography of Ludwig van

Beethoven offers connoisseurs and newcomers alike an unparalleled story of the composer's life and works, written by a renowned conductor and scholar of Beethoven's music. With unprecedented access to the archives at the Beethoven House in Bonn, Jan Caeyers expertly weaves together a deeply human and complex picture of Beethoven - his troubled youth, his unpredictable mood swings, his desires, relationships, and conflicts with family and friends, the mysteries surrounding his affair with the 'immortal beloved,' and the dramatic tale of his deafness. Caeyers also offers new insights into Beethoven's music, showing how it transformed from the work of a skilled craftsman to that of a consummate artist. Demonstrating an impressive command of the vast scholarship on this iconic composer, Caeyers brings Beethoven's world alive with elegant prose, memorable musical descriptions, and a vivid depiction of Bonn and Vienna, where Beethoven produced and performed his works. Caeyers explores how Beethoven's career was impacted by the historical and philosophical shifts taking place in the music world and how, in turn, his

trajectory changed the music industry. Equal parts an absorbing cultural history and a lively biography, *Beethoven, A Life* reveals a complex portrait of the musical genius that defined a style of music and went on to become one of the great pillars of Western art music"--

Mendelssohn CreateSpace

(Beginning Solo Guitar). The songs in this book have been carefully arranged for beginning fingerstyle guitar. Each solo combines melody and harmony in one full-sounding arrangement. Lyrics are also included. Gustav Klimt & Emilie Flöge Hal Leonard Corporation

Using Boomwhackers, colorful tubes tuned to different musical notes, students learn to play ten classic themes by great composers. Includes teaching suggestions and reproducible visuals.

A Big Band Christmas Hal Leonard

"A sheer delight and will have readers laughing out loud by the second page." —Daytona Beach News-Journal Southern manners, mint julips, cold-blooded larceny, and sweet revenge collide in this rollicking tale from the delightfully charming New York Times bestselling author of *Hissy Fit* and *Savannah Blues*. The Breeze Inn is a place where very classy Southern belle Bebe Loudermilk normally wouldn't be caught dead. But a brief, disastrous relationship with gorgeous "investment counselor" con man Reddy has cost her nearly all her worldly possessions. All that's left is the ramshackle 1950s motel on Tybee Island, a "drinking village with a fishing problem." Moving into the manager's unit, BeBe vows to make magic out of mud, and with the help of the inn's cantankerous caretaker, Harry, and her junking friend, Weezie, she soon has the motel spiffed up and attracting paying guests. But all it takes is one Reddy sighting in Fort Lauderdale for BeBe to drop everything and haul her hastily assembled posse south to participate in a somewhat outside-the-law sting. With a little luck,

BeBe might get her fortune back, Harry (who's looking hunkier every day) might get his boat back, and Reddy might get the prison stripes he so richly deserves.

Electric Bass Basics Alfred Music

The third book in The Graded Piano Player series offers popular repertoire for pianists at ABRSM Grades 3--5 and is filled with classic tunes and songs from Disney, TV and film, jazz, pop, and musical theater.

Each piece has been rigorously researched, edited, and fingered by top educationalists and meticulously arranged to progress in line with the ABRSM and Trinity graded piano examinations. Ideal for anyone seeking well-crafted arrangements of tunes they love---for leisure, exams, and to use as fun and technical repertoire between grades.

The Armageddon Rag Berkeley : University of California Press

(Super Easy Songbook). It's super easy! This series features accessible arrangements for piano, with simple right-hand melody, letter names inside each note, basic left-hand chord diagrams, and no page turns. This edition includes nearly 60 great songs: Bridge over Troubled Water * Can't Help Falling in Love * Every Breath You Take * Hallelujah * I Will Always Love You * Imagine * Just the Way You Are * Lean on Me * On Broadway * Right Here Waiting * Stand by Me * Tears in Heaven * The Wind Beneath My Wings * You Raise Me Up * You've Got a Friend * and many more.

Am I the Only One (Sheet Music) Haus Pub.

The Peer Gynt Suite may be Edvard Grieg's most famous composition. Its melodies have insinuated themselves into our culture so that they are now universally familiar. The movements are: Morning Song, Asa's Death, Anitra's

Dance, and In the Hall of the Mountain King. This edition presents, for the first time, the entire suite in a version for solo guitar. This is a substantial work for the guitarist that, while requiring solid technique, is quite rewarding for both the player and the audience. Also included is a transcription of Grieg's beautiful Solveig's Song.

Queen - Easy Piano Collection Jazz Band

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
