of Covid-19 left millions of migrant labourers without jobs, food and shelter. Desperate and helpless, most took to the road, embarking on the long, often fatal, journey home. Their harrowing trip from Ghaziabad, Uttar Pradesh, to their hometown of Saharsa as they braved police lathis and insults, and battled

 In 1150 AD,  
 Bhaskaracarya (b. 1114 AD), renowned mathematician and astronomer of Vedic tradition composed Lilavati as the first part of his larger work called Siddhanta Siromani, a comprehensive exposition of arithmetic, algebra, geometry, mensuration, number theory and related topics. Lilavati has been used as a standard textbook for about 800

years. This lucid, scholarly and literary presentation has been translated into several languages of the world. Bhaskaracarya himself never gave any derivations of his formulae. N.H. Phadke (1902-1973) worked hard to construct proofs of several mathematical methods and formulae given in original Lilavati. The present work is an enlargement of his Marathi work and attempts a thorough mathematical explanation of definitions, formulae, short cuts and

methodology as intended by Bhaskara. Stitches are followed by literal translations so that the reader can enjoy and appreciate the beauty of accurate and musical presentation in Lilavati. The book is useful to school going children, sophomores, teachers, scholars, historians and those working for cause of mathematics.

Translated from the Urdu by Khushwant Singh.

Umrao Jan Ada is perhaps one of the most enigmatic

and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of

wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

В учебном пособии рассматриваются основы морфологии современного литературного языка хинди: структура слова, средства и механизмы словоизменения, части речи и их грамматические категории. Основное внимание сосредоточено на

знаменательных лексемах: именных частях речи и глаголе. Грамматическая теория излагается с позиций петербургской школы новоиндийской филологии и современного востоковедного языкознания в целом. Во избежание терминологических несоответствий производится сопоставление и критический анализ представленных в индологической литературе

интерпретаций спорных понятий. Языковой базой послужили литературные произведения, газеты и журналы на языке хинди, созданные в XX–XXI вв. Все постулаты снабжены датированными примерами. Предлагаемые в конце каждого раздела задания предназначены для развития навыков проведения лингвистических исследований и применения теоретических знаний

при работе с текстами. Предназначен о для студентов востоковедных учебных заведений, изучающих курсы «Теоретическая грамматика языка хинди» и «Практическая грамматика языка хинди», будет полезно преподавателям, специализирующимся по профилю «Язык хинди».

Umrao Jan Ada Litres A PUBLISHER'S WEEKLY BESTSELLER Mama of ten Abbie Halberstadt helps

women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and

thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you

are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it. [Instagram Marketing Full Course](#) Phoemixx Classics Ebooks  
In a 1914 movie, *Damaged Goods*, a doctor shows a character the horrific effects of venereal disease. In contrast, many of today's sex ed videos encourage viewers to realize their sexuality more fully as a source of pleasure. In *Sex Ed*, Robert Eberwein demonstrates how films

and videos used for sex education have provided a complex ideological framework in which questions of sexuality, gender, and race are compellingly foregrounded. Eberwein starts his investigation in the silent and early sound eras with educational films used both to warn audiences about venereal disease and to provide basic contraception information. World War II movies, he states, waged their own war against venereal disease-in the armed services and at

home. Newer works deal with birth control and focus in particular on AIDS. Sex Ed also highlights the classroom. Eberwein draws connections between the earliest and most recent examples of educational films as he analyzes their ideological complexity. He concludes by examining marriage-manual films of the early 1970s and very

recent videos for couples and individuals seeking instruction in sexual techniques to increase pleasure.
