series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our

friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

Advantage Hollywood BoD - Books on Demand 'Set to be one of the coolest novels of the year' Stylist When journalist 'MS' interviews the mysterious 'XX' for a job at her Paris magazine, she hires

L'AGE D'HOMME  
An inspirational story of making it against all odds What are the chances that a shy, insecure kid from India could become one of the most successful producers in Hollywood? Ashok

Amritraj arrived in Los Angeles from Chennai with little more than a winning personality and a dazzling tennis game, honed at the U.S. Open and Wimbledon. He had fallen in love with movies as a child and now fell in love with Hollywood. He longed to make the motion picture business his career. But how? Thirty years later, Ashok has become one of the most successful producers in Hollywood. He has made over a hundred films with global revenues in excess of \$1 billion. From Chennai to Wimbledon to Hollywood, this is a gripping tale of grit and determination and of overcoming extraordinary obstacles. In the tradition of classic

movie-industry tales, the people who walk through these pages include Frank Sinatra, Sidney Poitier, Sandra Bullock, Steve Martin, Dustin Hoffman, Sylvester Stallone, Angelina Jolie, Bruce Willis and many more. *Red Apple* Penguin UK 1906. by grief and a dark secret she'd rather forget. But her new classmates Ren and Hector won't let her close herself off. They are determined to break down the walls she has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The problem is that the closer Cara gets to Hector, the more G slips away.
