Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives “making it” in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca's Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe

Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising “I'm a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of *Miracles Now Rise* Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Joseph is the pampered favorite son of the patriarch Jacob. His older brothers, deeply resentful of his status in the family, take advantage of the chance to get rid of him, selling him to slave traders and deceiving their father about his fate. While Joseph is accused of rape and imprisoned, Judah attempts to flee the memory of his complicity in the betrayal of his younger brother. After decades apart, the brothers will come face-to-face in a stunning role reversal that sees Joseph in a position of great power while Judah begs for mercy. 'We have to shift from a mindset of shame, which sees anxiety as evidence of brokenness, to a mindset of curiosity, which recognizes that anxiety is evidence of our sensitive heart, our imaginative mind and our soul's desire to grow towards wholeness.' Three million people are thought to suffer from anxiety in the UK, and it is an issue that affects a growing number of people across all ages. For anyone troubled by obsessive thoughts, insomnia and other manifestations of anxiety, counsellor Sheryl Paul offers shelter in the storm. In *The Wisdom of Anxiety*, Paul reveals that anxiety, like any emotion, is a signal - a clear bodily invitation to heal and renew your trust in your choices, self-image and core values. Weaving together practical exercises with personal stories, Paul offers medication-free approaches for accessing the gifts in different kinds of anxiety,

and especially the anxiety summoned by life's transitions, for example a career change, becoming parents or becoming carers for loved ones. Chapters include recognising the symptoms of anxiety, its origins, the myth of 'normal', the expectation of happiness and a timeline of healing that includes exercises for the body and mind. There are also chapters on parenting in an age of anxiety and the vulnerability of connection and relationships.
