Yours for Eternity Haymarket Books
Two years after Hurricane Maria hit, Puerto Ricans are still reeling from its effects and aftereffects. *Aftershocks* collects poems, essays and photos from survivors of Hurricane Maria detailing their determination to persevere. The concept of "aftershocks" is used in the context of earthquakes to describe the jolts felt after the initial quake, but no disaster is a singular event. *Aftershocks of Disaster* examines the lasting effects of hurricane Maria, not just the effects of the wind or the rain, but delving into what followed: state failure, social abandonment, capitalization on human misery, and the collective trauma produced by the botched response.

The Silk Road Lulu.com

The divine promises to Abraham have long been recognized as a key to the book of Genesis as a whole. But their variety, often noted, also raises literary and theological problems. Why do they differ each time, and how are they related to each other and to the story of Abraham? Williamson focuses on the promises in Genesis 15 and 17, and concludes that they are concerned with two distinct but related issues. Genesis 15 guarantees God's promise to make Abraham into a great nation, while Genesis 17 focuses chiefly on God's promise to mediate blessing (through Abraham) to the nations. The two chapters are connected, however, by the theme of an individual, royal descendant who will come from the nation (Israel) and mediate blessing to all the nations of the earth.

The Father of Us All Wipf and Stock Publishers

Recounts the story of Los Angeles. He tells a tale of greed, manipulation, power and prejudice that has made Los Angeles one of the most cosmopolitan and most class-divided cities in the United States. *The Prince of Paradise* Chicago Review Press

This uproarious prequel to *Snake Hips* brings to life Anne Thomas Soffee's wild days only alluded to in her first memoir.

Turning the Tables Random House
"Davis's accounts of small fights won by hot blood and cold steel are thrilling."—The Wall Street Journal From master historian William C. Davis, the definitive story of the Battle of New Orleans, the fight that decided the ultimate fate not only of the War of 1812 but the future course of the fledgling American republic. It was a battle that could not be won. Outnumbered farmers, merchants, backwoodsmen, smugglers, slaves, and Choctaw Indians, many of them unarmed, were up against the cream of the British army, professional soldiers who had defeated the great Napoleon and set Washington, D.C., ablaze. At stake was nothing less than the future of the vast American heartland, from the Gulf Coast to the Great Lakes, as the ragtag American forces fought to hold New Orleans, the gateway of the Mississippi River and an inland empire. Tipping the balance of power in the New World, this single battle irrevocably shifted the young republic's political and cultural center of gravity and kept the British from ever regaining dominance in North America. In this gripping, comprehensive study of the Battle of New Orleans, William C. Davis examines the key players and strategy of King George's Red Coats and Andrew Jackson's makeshift "army." A master historian, he expertly weaves together narratives of personal

motivation and geopolitical implications that make this battle one of the most impactful ever fought on American soil.

Moses and the Gods of Egypt Moody Publishers

This package contains all four books of An Introduction to the Old Testament set: An Introduction to the Old Testament Historical Books, An Introduction to the Old Testament Poetic Books, An Introduction to the Old Testament Prophetic Books, and An Introduction to the Old Testament Pentateuch. In An Introduction to the Old Testament Historical Books, incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. In An Introduction to the Old Testament Poetic Books, C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. In An Introduction to the Old Testament Prophetic Books, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In An Introduction to the Old Testament

Pentateuch, Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch.

The Greatest Fury Penguin

Most of us are vitally interested in answers to the big questions of life. Where did we come from? Why are we here? What is the nature of man? How did we get here? What is our future? We consider any literature that deals with these questions relevant and timely. Preeminent among literature about the big questions of life is the book of Genesis. Genesis is known as the book of beginnings, the book of firsts. It tells of the beginning of the world by creation, the beginning of mankind, the beginning of sin in the race, the beginning of salvation. Dr. Vos examines those and other beginnings in the book of Genesis. He explores the stories in this book, offering insightful and helpful comments and explanations that will aid you in comprehending the message and scope of Genesis. As a book of beginnings, Genesis is the seed plot and springboard for the concepts and history of the rest of the Old Testament. Through this commentary you will have a basis for understanding history as it unfolds in the other Bible books.

Aftershocks of Disaster Univ of California Press

Within Heaven's Gates During a nine-day visionary journey, Marietta Davis saw many breathtaking aspects of heaven and hell, including... The place where death, sin, and pain do not exist Infants who have perished being carried to heaven by guardian angels The peace and harmony that exist among all the inhabitants of heaven Ministering angels

going on errands of mercy The horrors of an eternity without God Here is an eyewitness account of the glorious beauty, pleasures, and joys of heaven that await every Christian, as well as a look at the coming torment for unrepentant souls.

Gringo Simon and Schuster

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t

look like what you expect.

City of Quartz Bloomsbury Publishing USA

El autor combina un análisis histórico, lingüístico y teológico de cada pasaje del libro del Génesis, y expone la relación de los diversos relatos, personajes y sucesos entre sí. Se trata de una obra que, indudablemente, será un recurso exegético y teológico clave para asistir al predicador, al estudiante de la Biblia y a todos los de habla hispana que aman y desean crecer en el conocimiento de las Escrituras. The author combines a historical, linguistic and theological analysis of each passage of the book of Genesis, and examines how each story, character and event relates to each other. This is a work that will undoubtedly be a key exegetical and theological resource to assist preachers, students of the Bible and all Spanish speakers who love and desire to grow in the knowledge of the Scriptures.

Jesus, the Prophets, and the End of the World One World

No other piece of ancient Near Eastern literature that has survived the ravages of time compares favorably with the book of Genesis. Its theological perspectives and historical profiles of early man are unique. It is important not because it is older than other collections antedate it by many years-but because it completely transcends the primitive mythology of the ancient world. Reading and studying Genesis are not burdensome tasks. Its themes are varied and its personal portraits unparalleled. It immediately tackles one of man's most basic questions: What is the origin of all things? Its answer is as credible as it is captivating. From the origin of man the writer shifts attention to the fall of man and the human dilemma. The problem of evil is rarely discussed in such a manner

by other ancient writers. From this point the writer concentrates on the spiritual, moral, and practical consequences of sin. Great catastrophes, such as the flood and the confusion of tongues at Babel, demonstrate God's response to human rebellion. Where in the annals of history can we find more imaginative and frank portraits than those of Abraham and his descendants? Abraham's moments of great triumph and ecstasy are not reported to the exclusion of his hours of humility and disgrace; this balanced description is quite distinct from the idealism of ancient Near Eastern historiography. The detailed descriptions of Abraham's failures, therefore, constitute a remarkable proof for the inspiration of this book. The sensitive reader cannot help but be struck by this book's great contrasting emphases: on one hand majestic, cosmological truth; on the other hand personal, intimate, and individualistic narratives of a man, a wife, and their family. While theological abstractions are common, they do not exclude personal warmth and historical objectivity. There are also great contrasts between personalities; the most significant is between God and Satan, and based on this contrast is the one between good and evil and their practical effects. The book of Genesis, therefore, is of utmost value to the scientist, the historian, and the theologian: to the scientist for its cosmology, to the historian for its early history of Israel, and to the theologian for its basic philosophical implications. But one must approach the book properly; only then can one hope to understand it, not to mention the rest of the Bible and Jesus Himself. Jesus told his hostile contemporaries that "had ye believed Moses, ye would have believed

me: for he wrote of me. But if ye believe not his writings, how shall ye believe my words?" (John 5:46,47)

"Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation." —Damien Echols *Discover a Powerful Practice for Transforming Yourself and Your Reality* At age 18, Damien Echols was sentenced to death for a crime he didn't commit. "I spent my years in prison training to be a true magician," he recalls. "I used magick—the practice of reshaping reality through our intention and will—to stave off incredible pain, despair, and isolation. But the most amazing feat of all that practice and study was to manifest my freedom." With *High Magick*, this bestselling author shares his first teaching book on the powerful spiritual techniques that helped him survive and transcend his ordeal on death row. Though our culture has consigned "magic" to fiction, stage illusions, or superstitions about dark practices, the magick Damien learned is an ancient Western tradition equal the Eastern practices of Buddhism, Taoism, and yoga in its wisdom and transformative power. Here he brings you an engaging and highly accessible guide for bringing magick into your own life, including:

- What is High Magick? Damien clears away the stigma and reveals the history and core teachings of this extraordinary art.
- The Four-Fold Breath—a foundational meditation practice to train

your mind and body to channel subtle energies. • The Middle Pillar—how to bring divine energy into the central channel of your body for empowerment and healing. • The Qabalistic Cross—a centering technique to help you stay balanced and protected regardless of circumstances. • The Lesser Rituals of the Pentagram—powerful practices for banishing negative energies and invoking energy to manifest your goals. • Working with angelic beings and other spiritual allies to support your practice. • Creating thoughtforms to assist you in your ongoing magickal development. • Guidance for overcoming your doubts, enhancing your visualization skills, creating talismans, practicing magick ethically, and much more. “Magick is a journey,” writes Damien. “It’s a continuously unfolding path that has no end. You can study and practice magick for the rest of your life and you will still never learn everything that it has to teach you.” If you’re ready to discover your untapped potential for co-creating your reality with the energy of the divine, then join this extraordinary teacher to begin your training in High Magick.

The Beautiful Ones Algonquin Books Illustrated Bible Survey introduces all the books of the Bible from Genesis to Revelation. Based on more than thirty years of scholarly research and classroom teaching, editors Ed Hindson, Elmer Towns, and scholars from Liberty University provide a visually engaging, practical, readable, and insightful overview of God’s Word and its eternal message. Ideally suited for undergraduate students, laymen, and pastors, this volume features: • More than 200 full-color photographs, maps, charts, and illustrations • Introductions to each book of the Bible, including

background, date, author, outline, and message • Introductory chapters on the themes of the Bible, how we got our Bible, and the people and places of the Bible • Sidebars on the unique features, beneficial insights, and practical applications of biblical truths • Study questions and recommended further reading ECPA Gold Medallion award winners Hindson and Towns draw from a lifetime of teaching more than 100,000 students. They represent quality evangelical scholarship, along with a passion to make the Scriptures come to life as they open windows of insight into the biblical text. This exciting survey highlights the key elements of the literature, history, archaeology, and wisdom of the biblical text with an eye on the practical application of its timeless truths, moral principles, and theological insights so desperately needed in today’s world.

Trickster Travels Macmillan

The Pentateuch Xlibris Corporation Convicted on federal fraud charges, Giudice was sentenced to fifteen months in prison. Her tiny prison cubicle in Connecticut felt so far removed from the glamorous world portrayed on *The Real Housewives of New Jersey*. What was a skinny Italian to do? Keep a diary, of course.... Now she comes clean on all things Giudice: growing up as an Italian-American, dealing with chaos and catfights on national television, and eventually, coming to terms with the reality of life in prison.

What Happened in the Garden

Macmillan

An engrossing study of Leo Africanus and his famous book, which introduced Africa to European readers Al-Hasan al-Wazzan--born in Granada to a Muslim family that in 1492 went to Morocco, where he traveled extensively on behalf of the sultan of Fez--is known to historians as Leo Africanus, author of the first geography of Africa to be published in Europe (in 1550). He had been captured by Christian pirates in the Mediterranean and imprisoned by the pope, then released, baptized, and allowed a European life of scholarship as the Christian writer Giovanni Leone. In this fascinating new book, the distinguished historian Natalie Zemon Davis offers a virtuoso study of the fragmentary, partial, and often contradictory traces that al-Hasan al-Wazzan left behind him, and a superb interpretation of his extraordinary life and work. In *Trickster Travels*, Davis describes all the sectors of her hero's life in rich detail, scrutinizing the evidence of al-Hasan's movement between cultural worlds; the Islamic and Arab traditions, genres, and ideas available to him; and his adventures with Christians and Jews in a European community of learned men and powerful church leaders. In depicting the life of this adventurous border-crosser, Davis suggests the many ways cultural barriers are negotiated and diverging traditions are fused.

Nerd Girl Rocks Paradise City Wipf and Stock Publishers

This Side of Paradise is a novel about post-World War I youth and their morality. Amory Blaine is a young Princeton University student with an attractive face and an interest in

literature. His greed and desire for social status warp the theme of love weaving through the story.

Caught Up Into Heaven Whitaker House Reprint. Originally published: Grand Rapids, Mich.: Baker Book House, 1990. *Abraham, Israel and the Nations* Full Court Press

The vivid account of a charming rogue who evaded capture for thirteen years as an international fugitive from U.S. law enforcement after being set up by a childhood friend for a crime he didn't commit.

The Biblical Aspect of Abraham's Life Sounds True

The Biblical Aspect of Isaac's Life is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today's Christians in many aspects, but was used by God to accomplish His plan and purpose. Written by pastors Ike and Queen Ozuome, this book offers some helpful insights into Isaac's wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life. „« It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how God interacts with His people. „« It is also a useful resource material for understanding your strengths and weaknesses, and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ. „« It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past so as to avoid the same mistakes or pitfalls. „« It is a book that will help you link the things that have happened in the past with experiences that you have in the present.
