## **ALEXIA FRENCH**

---

Composer, G.  
Tautenhahn Pendragon  
Press  
(PWM). The most  
famous and popular  
edition of Chopin's  
works prepared by I. J.  
Paderewski, L.

Bronarski and J.  
Turczynski. The edition  
has been based  
primarily on Chopin's  
autograph  
manuscripts, copies  
approved by him and  
first editions. The  
principal aim of the  
Editorial Committee  
has been to establish a  
text which fully reveals  
Chopin's thoughts and

corresponds to his intentions as closely as possible. The full version of this edition includes 21 volumes. Duet (after the Piano Sonata in A Major, K. 331) G Schirmer, Incorporated  
The author tells of his own development as a student, "of how he and his intrepid colleagues were converted to chamber music ... [and of how] four individualists master and then overcome the confining demands of ensemble playing."--Jacket.

**Sleigh Ride Duet Fantasy** Pwm

Through his intense devotion to the colt Flicka, a young boy, living on a Wyoming ranch, begins to learn about responsibility and gain a better understanding of his brusque father.

*Scales for Advanced Violists* Alfred Music  
Samuel Barber (1910-1981) is one of the most admired and honored American composers of the twentieth century. An unabashed Romantic, largely independent of worldwide trends and the avant-garde, he infused his works with poetic lyricism and gave tonal language and forms new vitality. His rich legacy includes every genre, including the famous Adagio for Strings, Knoxville: Summer of 1915, three concertos, a plethora of songs, and two operas, the Pulitzer prize-winning *Vanessa*, and *Antony and Cleopatra*, the commissioned work that opened the new Metropolitan Opera House at Lincoln Center in 1966.

Generously documented by letter, sketches, autograph manuscripts, and interviews with friends, colleagues, and performers with whom he worked, this ASCAP-Award winning book is still unquestionably the most authoritative biography on Barber, covering his entire career and interweaving the events of his life with his compositional process. This second edition benefits from many new discoveries, including a Violin Sonata recovered from an artist's estate, a diary Barber kept his seventeenth year, a trove of letters and manuscripts that were recovered from a suitcase found in a dumpster, documentation that dispels earlier myths

about the composition of Barber's Violin Concerto, and research of scholars that was stimulated by Heyman's work.

Barber's intimate relations are discussed when they bear on his creativity. A testament to the lasting significance of Romanticism, Samuel Barber stands as a model biography of an important musical figure.

La folia Stellar Books  
In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful

“pops” concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral “pops” concerts that is comprehensive, informative, and current. Manning’s emphasis on clarity and accuracy gives users an indispensable tool for gathering vital

information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral “Pops” Music* includes at least 1,000 new title listings. *Orchestral “Pops” Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

**Variations for piano**  
Alfred Music  
Mozart's Piano Sonata  
in A Major, K. 331

arranged for two violins in three movements: Theme and Four Variations, Minuetto, and Rondo Alla Turca. Kalmus Editions are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a must for students, teachers, and performers.

*Ghost Variations* Alfred Music

The Bolsheviks' 1917 political coup caused a seismic disruption in Russian culture. Carried by the first wave of emigrants, Russian culture migrated West, transforming itself as it interacted with the new cultural environment and clashed with exported Soviet trends. In this book, Klára Móricz explores the

transnational emigrant space of Russian composers Igor Stravinsky, Vladimir Dukelsky, Sergey Prokofiev, Nicolas Nabokov, and Arthur Lourié in interwar Paris. Their music reflected the conflict between a modernist narrative demanding innovation and a narrative of exile wedded to the preservation of prerevolutionary Russian culture. The emigrants' and the Bolsheviks' contrasting visions of Russia and its past collided frequently in the French capital, where the Soviets displayed their political and artistic products. Russian composers in Paris also had to reckon with Stravinsky's disproportionate

influence: if they succumbed to fashions dictated by their famous compatriot, they risked becoming epigones; if they kept to their old ways, they quickly became irrelevant. Although Stravinsky's neoclassicism provided a seemingly neutral middle ground between innovation and nostalgia, it was also marked by the exilic experience. Móricz offers this unexplored context for Stravinsky's neoclassicism, shedding new light on this infinitely elusive term.

**Introduction and air with variations for the Violin, with an accompaniment for the Piano-forte** Alfred Music

With this concert-worthy duet setting of

"Happy Birthday to You," pianists will delight audiences with inventive variations of the familiar tune. Some sections are driving and rhythmic, while others are inspired by Classical and Romantic styles. Powerful chords and brilliant octave passages create thrilling musical moments. Audiences will enjoy a number of other musical surprises along the way.

**Air with variations for the Violin, with an accompaniment for a Violoncello ad libitum** Scarecrow

Press

Leroy Anderson's "Sleigh Ride" is a holiday favorite, and this setting for advanced piano duet gives it a fresh twist. It begins with Anderson's jingling melody and some musical banter

between the primo and secondo players, and then it launches into a series of variations that take the listener on a journey through a variety of styles, from gently swirling, impressionistic arpeggios to a triumphant coda with brilliant, virtuosic passagework.

Audiences will enjoy a number of other musical surprises along the way.

Indivisible by Four Univ of California Press

This is the first and only scholarly book to date on George Rochberg (b. 1918), the pre-eminent post-WWII American composer and essayist. It was compiled with his assistance and gathers into one volume previously scattered and hard-to-find material by and

about the composer. Included are traditional types of scholarly information on Rochberg, e.g., his WORKS (date of composition, publisher, timing, commission, premiere, instrumentation, program notes by the composer, etc.), DISCOGRAPHY, BIOGRAPHY (a chronological listing of his compositions and the major events of his life), AUTOGRAPH MANUSCRIPTS & DOCUMENTS (housed in public collections/libraries), TEXTS (used in the works with voice), and BIBLIOGRAPHY (books, articles, and reviews by and about Rochberg). This is an essential guide for any performer, scholar, critic, or student of George Rochberg's

music.

**Six Aires with Variations for the Violin and a Bass**

Houghton Mifflin  
Harcourt

An annotated reference guide to Barber's life, works and achievements, it will prove valuable for anyone seeking information on him.

*Theme and Variations on Happy Birthday*

Unbound Publishing

Available for the first time in English, this book has been considered the best single encyclopedia of the violin for 20 years. All aspects of the violin are covered:

construction, history, and literature; violin playing and teaching; and violin virtuosos through the ages.

*George Rochberg*

Amadeus

Jan H    \_mal  \_

(1844-1915) was an influential Czech violinist and teacher, associated with Moscow Conservatory for 46 years. These are his progressive scale studies in 10 sections.

*Violin Dreams*

Dorrance Publishing

The practice of scales need never be monotonous! Scales for Advanced Violists is a user-friendly scale book with each of the twelve keys complete. Dozens of bowings and rhythmic variants are offered to develop and improve evenness, clarity, agility, speed, and intonation. An innovative introduction to double-stops takes the guess work out of this important technique. The Circle of 5ths explains key signatures. The book includes three octave major, melodic minor,

harmonic minor, arpeggios, broken 3rds, and chromatic scales. Double-stops in octaves, thirds, sixths, and harmonics are presented in two octaves. This is the only scale book that most violists will ever need!

### **Violin variations**

Routledge

"A rapturous, witty, and passionate memoir ... Violin Dreams is not only the story of a man becoming an artist, it's a history of twentieth-century music." -- John Guare, Tony Award-winning playwright Arnold Steinhardt, for more than forty years an international soloist and the first violinist of the Guarneri String Quartet, brings warmth, wit, and fascinating insider details to the story of his lifelong obsession

with the violin, that most seductive and stunningly beautiful instrument. His story is rich with vivid scenes: the terror inflicted by his early violin teachers, the sensual pleasure involved in the pursuit of the perfect violin, the charged atmosphere of high-level competitions.

Steinhardt describes Bach's Chaconne as the holy grail for the solo violin, and he illuminates, from the perspective of an ardent owner of a great Storioni violin, the history and mysteries of the renowned Italian violinmakers. Violin Dreams includes a remarkable CD recording of Steinhardt performing Bach's Partita in D Minor as a young violinist forty

years ago and playing the same piece especially for this book. A conversation between the author and Alan Alda on the differences between the two performances is included in the liner notes.

The Amadeus Book of the Violin Alfred Music

The strangest detective story in the history of music – inspired by a true incident. A world spiralling towards war. A composer descending into madness. And a devoted woman struggling to keep her faith in art and love against all the odds. 1933. Dabbling in the fashionable “Glass Game” – a Ouija board – the famous Hungarian violinist Jelly d’Arányi, one-time muse to composers

such as Bartók, Ravel and Elgar, encounters a startling dilemma. A message arrives ostensibly from the spirit of the composer Robert Schumann, begging her to find and perform his long-suppressed violin concerto. She tries to ignore it, wanting to concentrate instead on charity concerts. But against the background of the 1930s depression in London and the rise of the Nazis in Germany, a struggle ensues as the “spirit messengers” do not want her to forget. The concerto turns out to be real, embargoed by Schumann’s family for fear that it betrayed his mental disintegration: it was his last full-scale work, written just before he suffered a nervous

breakdown after which he spent the rest of his life in a mental hospital. It shares a theme with his *Geistervariationen* (Ghost Variations) for piano, a melody he believed had been dictated to him by the spirits of composers beyond the grave. As rumours of its existence spread from London to Berlin, where the manuscript is held, Jelly embarks on an increasingly complex quest to find the concerto. When the Third Reich's administration decides to unearth the work for reasons of its own, a race to perform it begins. Though aided and abetted by a team of larger-than-life personalities – including her sister Adila Fachiri, the pianist Myra Hess, and

a young music publisher who falls in love with her – Jelly finds herself confronting forces that threaten her own state of mind. Saving the concerto comes to mean saving herself. In the ensuing psychodrama, the heroine, the concerto and the pre-war world stand on the brink, reaching together for one more chance of glory.

*Etudes-caprices Opus 18* Oxford University Press, USA

At an auction, an old, battered violin receives scant attention until a kindly violinist sees its worth and in playing it, calls forth beautiful music.
