MADALYNN JUSTICE

The Languages of the World Simon and Schuster

When he left war-ravaged Vietnam some thirty years ago, journalist David Lamb averred "I didn't care if I ever saw the wretched country again." But in 1997, he found himself living in Hanoi, in charge of the Los Angeles Times's first peacetime bureau and in the midst of a country on

the move, as it progresses toward a free-market economy and divorces itself from the restrictive, isolationist policies established at the end of the war. This was a new country; in Vietnam, Now, David Lamb brings it--and us--forward from its dark, distant past. From the myriad personalities entwined in the dark, distant history of the war to those focused toward the future, Lamb reveals a rich and culturally diverse people as they share their memories of the country's past, and their hopes for a peacetime future. A portrait of a beautiful country and a

remarkable, determined people, Vietnam, Now is a personal journey that will change the way we think of Vietnam, and perhaps the war as well.

A woman struggling with burnout learns to embrace the unexpected—and the man she enlists to help her—in this new New York Times bestselling romance by Helen Hoang. When violinist Anna Sun accidentally achieves career success with a viral YouTube video, she finds herself incapacitated and burned out from her

attempts to replicate that moment. And when her longtime boyfriend announces he wants an open relationship before making a final commitment, a hurt and angry Anna decides that if he wants an open relationship, then she does, too. Translation: She's going to embark on a string of one-night stands. The more unacceptable the men, the better. That's where tattooed, motorcycle-riding Quan Diep comes in. Their first attempt at a one-night stand fails, as does their second, and their third, because being with Quan is more than sex—he accepts Anna on an unconditional level that she herself has just started to understand. However, when tragedy strikes Anna's family she takes on a role that she is ill-suited for, until the burden of expectations threatens to destroy her. Anna and Quan have to fight for their chance at love, but to do that, they also have to fight for themselves. Dumb Luck Cornell University Press In 3,254 verses, written in luc bat ("six-eight") meter, the poem recounts the life, trials and tribulations of Thuy Kieu, a beautiful and talented young woman, who has to sacrifice herself to save her family. To save her father and younger brother

from prison, she sells herself into marriage with a middle-aged man, not knowing that he is a pimp, and is forced into prostitution.

Winner of the PEN/Jerard Award Chicago Tribune Best Book of the Year Kiriyama Notable Book "[A] perfectly pitched and prodigiously detailed memoir." - Boston Globe As a Vietnamese girl coming of age in Grand Rapids, Michigan, Nguyen is filled with a rapacious hunger for American identity, and in the pre-PC-era Midwest (where the Jennifers and Tiffanys reign supreme), the desire to belong transmutes into a passion for American food. More exotic- seeming than her Buddhist grandmother's traditional specialties, the campy, preservative-filled "delicacies" of mainstream America capture her imagination. In *Stealing Buddha's Dinner*, the glossy branded allure of Pringles, Kit Kats, and Toll House Cookies becomes an ingenious metaphor for Nguyen's struggle to become a "real" American, a distinction that brings with it the dream of the perfect school lunch, burgers and Jell- O for dinner, and a visit from the Kool-Aid man.

Vivid and viscerally powerful, this remarkable memoir about growing up in the 1980s introduces an original new literary voice and an entirely new spin on the classic assimilation story.

"Beautiful and heartrending" fiction set in Vietnam and America from the Pulitzer Prize-winning author of *The Sympathizer* (Joyce Carol Oates, *The New Yorker*) In these powerful stories, written over a period of twenty years and set in both Vietnam and America, Viet Thanh Nguyen paints a vivid portrait of the experiences of people leading lives between two worlds, the adopted homeland and the country of birth. This incisive collection by the National Book Award finalist and celebrated author of *The Committed* gives voice to the hopes and expectations of people making life-changing decisions to leave one country for another, and the rifts in identity, loyalties, romantic relationships, and family that accompany relocation. From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco, to a woman whose

husband is suffering from dementia and starts to confuse her with a former lover, to a girl living in Ho Chi Minh City whose older half-sister comes back from America having seemingly accomplished everything she never will, the stories are a captivating testament to the dreams and hardships of migration. "Terrific."

Vietnam as if... follows five young people who have moved from the countryside to the city. Their dramatic everyday lives illuminate some of the most pressing issues in Vietnam today: 'The Sticky Rice Seller' explores gender roles; 'The Ball Boy' is all about the struggles of sexual and ethnic minorities; 'The Professional' examines relations between rich and poor; 'The Goalkeeper' delves into politics and ideology; and 'The Student' reflects upon family and faith. The stories also reboot several classics of Vietnamese literature for the twenty-first century, including 'Floating Dumplings' by feminist poet Ho Xuan Huong, Vu Trong Phung's satire of

French colonialism Dumb Luck, Nguyen Du's epic account of fate and sacrifice 'The Tale of Kieu', and the proclamations of Ho Chi Minh. These novellas reveal the deepest sentiments of Vietnamese youth as they – like youth everywhere – come of age, fall in love and contest their destiny. In 2011 Kim Huynh returned to Vietnam, having left more than three decades earlier. He had few plans other than to experience as much of his birthplace as possible. That year he came into contact with a wide range of people and took on many trades. Kim drank and dined with government officials, went on pilgrimages with corporate tycoons and marched in the streets against foreign aggression. He sold sticky rice, was a tennis player and also a ball boy, attended all manner of rituals and celebrations, eavesdropped on people in cafés and restaurants, and went back to the classroom as both a student and a teacher. Rich in detail and broad in scope, these tales capture Kim's experiences and imaginings of Vietnam as if....

An immensely pleasurable biography of two interwoven, tragic figures: John Keats and F. Scott Fitzgerald In this radiant dual

biography, Jonathan Bate explores the fascinating parallel lives of John Keats and F. Scott Fitzgerald, writers who worked separately—on different continents, a century apart, in distinct genres—but whose lives uncannily echoed. Not only was Fitzgerald profoundly influenced by Keats, titling *Tender is the Night* and other works from the poet's lines, but the two shared similar fates: both died young, loved to drink, were plagued by tuberculosis, were haunted by their first love, and wrote into a new decade of release, experimentation, and decadence. Both were outsiders and Romantics, longing for the past as they sped blazingly into the future. Using Plutarch's ancient model of "parallel lives," Jonathan Bate recasts the inspired lives of two of the greatest and best-known Romantic writers. Commemorating both the bicentenary of Keats' death and the centenary of the Roaring Twenties, this is a moving exploration of literary influence.

Finding Wisdom in East Asian Classics is an essential, all-access guide to the core texts of East Asian civilization and culture.

Essays address frequently read, foundational texts in Chinese, Japanese, Korean, and Vietnamese, as well as early modern fictional classics and nonfiction works of the seventeenth century. Building strong links between these writings and the critical traditions of Confucianism, Buddhism, and Daoism, this volume shows the vital role of the classics in the shaping of Asian history and in the development of the humanities at large. Wm. Theodore de Bary focuses on texts that have survived for centuries, if not millennia, through avid questioning and contestation. Recognized as perennial reflections on life and society, these works represent diverse historical periods and cultures and include the Analects of Confucius, Mencius, Laozi, Xunxi, the Lotus Sutra, Tang poetry, the Pillow Book, The Tale of Genji, and the writings of Chikamatsu and Kaibara Ekken. Contributors explain the core and most commonly understood aspects of these works and how they operate within their traditions. They trace their reach and reinvention throughout history and their ongoing relevance in modern life. With fresh interpretations of familiar readings, these essays inspire renewed appreciation

and examination. In the case of some classics open to multiple interpretations, de Bary chooses two complementary essays from different contributors. Expanding on debates concerning the challenges of teaching classics in the twenty-first century, several pieces speak to the value of Asia in the core curriculum. Indispensable for early scholarship on Asia and the evolution of global civilization, *Finding Wisdom in East Asian Classics* helps one master the major texts of human thought.

The Heart Principle Penguin

"Tells the darkly humorous story of the French colonial state's failed efforts to impose its vision of modernity upon the colonial city of Hanoi, Vietnam. This book offers a case study in the history of imperialism, highlighting the racialized economic inequalities of empire, colonization as a form of modernization, and industrial capitalism's creation of a radical power differential between "the West and the rest." On a deeper level, The Great Hanoi Rat Hunt will engage the contradictions unique to the French Third Republic's colonial "civilizing mission," the development of Vietnamese resistance to

French rule, the history of disease, and aspects of environmental history"--
Spring Essence Routledge
For half a century the housewives of Pont-l'Eveque had envied Madame Aubain her servant Felicite. For a hundred francs a year, she cooked and did the housework, washed, ironed, mended, harnessed the horse, fattened the poultry, made the butter and remained faithful to her mistress—although the latter was by no means an agreeable person. Madame Aubain had married a comely youth without any money, who died in the beginning of 1809, leaving her with two young children and a number of debts. She sold all her property excepting the farm of Toucques and the farm of Geffosses, the income of which barely amounted to 5,000 francs; then she left her house in Saint-Melaine, and moved into a less pretentious one which had belonged to her ancestors and stood back of the market-place. This house, with its slate-covered roof, was built between a passage-way and a narrow street that led to the river. The interior was so unevenly graded that it caused people to stumble. A narrow hall separated the kitchen from the

parlour, where Madame Aubain sat all day in a straw armchair near the window. Eight mahogany chairs stood in a row against the white wainscoting. An old piano, standing beneath a barometer, was covered with a pyramid of old books and boxes. On either side of the yellow marble mantelpiece, in Louis XV. style, stood a tapestry armchair. The clock represented a temple of Vesta; and the whole room smelled musty, as it was on a lower level than the garden.

A stunning psychological thriller about friship, drugs, and murder from the author of *The Vanishing*. Egon Wagter and Axel van de Graaf met when they were both fourteen and on vacation in Belgium. Axel is fascinating, filled with an amoral energy by which the more prudent, less adventurous Egon is both mesmerized and repelled. Even as a teen, Axel has a strange power over those around him. He defies authority, seduces women, breaks the law. Axel chooses Egon as a friend, a friendship that somehow ures over time and ends up determining Egon's fate. During his university studies, Egon

frequents Axel's house in Amsterdam, where there is a party every night and women fill the rooms. Though Egon chooses geology over Axel's life of avarice and drug dealing, he remains intrigued by his friend's conviction that the only law that counts is the law he makes himself. Egon believes that Axel is a demonic figure who tempts others only because he knows they want to be tempted. By the time he is in his forties, Egon finds himself divorced and with few professional prospects. He turns for help to Axel, who sends him to Ratanakiri, a fictional country in Southeast Asia. Axel gives Egon a suitcase to deliver-and Egon never returns. Utterly compelling and resonant, *The Cave* is an unforgettable story of betrayal in the spirit of Tim Krabbé's remarkable first novel, *The Vanishing*. *Vietnam, Now* Random House
He has organized the poems - which range from ancient to very recent works - around nine main themes that include Vietnamese views of society, responses to foreign influences, and feelings about such universal themes as relationships between men and women, the role of art in life, and conflicts among social classes.

A Companion to World Literature is a far-reaching and sustained study of key authors, texts, and topics from around the world and throughout history. Six comprehensive volumes present essays from over 300 prominent international scholars focusing on many aspects of this vast and burgeoning field of literature, from its ancient origins to the most modern narratives. Almost by definition, the texts of world literature are unfamiliar; they stretch our hermeneutic circles,

thrust us before unfamiliar genres, modes, forms, and themes. They require a greater degree of attention and focus, and in turn engage our imagination in new ways. This Companion explores texts within their particular cultural context, as well as their ability to speak to readers in other contexts, demonstrating the ways in which world literature can challenge parochial world views by identifying cultural commonalities. Each unique volume includes introductory chapters on a variety of theoretical viewpoints that inform the field, followed by essays considering the ways in which authors and their books contribute to and engage with the many visions and variations of world literature as a genre. Explores how texts, tropes, narratives, and genres reflect nations, languages, cultures, and periods Links world literary theory and texts in a clear, synoptic style Identifies how individual texts are influenced and affected by issues such as intertextuality, translation, and sociohistorical conditions Presents a variety of methodologies to demonstrate how modern scholars approach the study of world literature A significant addition to the field, A Companion to World Literature

provides advanced students, teachers, and researchers with cutting-edge scholarship in world literature and literary theory.

Vietnam as if... Cornell University Press Winner of the Gardner-Lasser Aerospace History Literature Award Flying Camelot brings us back to the post-Vietnam era, when the US Air Force launched two new, state-of-the art fighter aircraft: the F-15 Eagle and the F-16 Fighting Falcon. It was an era when debates about aircraft superiority went public—and these were not uncontested discussions. Michael W. Hankins delves deep into the fighter pilot culture that gave rise to both designs, showing how a small but vocal group of pilots, engineers, and analysts in the Department of Defense weaponized their own culture to affect technological development and larger political change. The design and advancement of the F-15 and F-16 reflected this group's nostalgic desire to recapture the best of World War I air combat. Known as the "Fighter Mafia," and later growing into the media savvy political powerhouse "Reform Movement," it believed that American weapons systems were too complicated and expensive, and thus vulnerable. The

group's leader was Colonel John Boyd, a contentious former fighter pilot heralded as a messianic figure by many in its ranks. He and his group advocated for a shift in focus from the multi-role interceptors the Air Force had designed in the early Cold War towards specialized air-to-air combat dogfighters. Their influence stretched beyond design and into larger politicized debates about US national security, debates that still resonate today. A biography of fighter pilot culture and the nostalgia that drove decision-making, Flying Camelot deftly engages both popular culture and archives to animate the movement that shook the foundations of the Pentagon and Congress.

During the Vietnam War Bao Ninh served with the Glorious 27th Youth Brigade. Of the five hundred men who went to war with the brigade in 1969, he is one of only ten who survived. *The Sorrow of War* is his autobiographical novel. Kien works in a unit that recovers soldiers' corpses. Revisiting the sites of battles raises emotional ghosts for him and the memory of war scenes are juxtaposed with dreams and remembrances of his childhood sweetheart. *The Sorrow of War* burns the tragedy of war in our minds.
