The president
of New York
University
offers a love
letter to

America's
most beloved
sport and a
tribute to its
underlying
spirituality.
For more than
a decade, John
Sexton has
taught a wildly
popular New
York
University

course about
two seemingly
very different
things:
religion and
baseball. Yet
Sexton argues
that one is
actually a
pathway to
the other.
Baseball as a
Road to God is

about touching that something that lies beyond logical understanding . Sexton illuminates the surprisingly large number of mutual concepts shared between baseball and religion: faith, doubt, conversion, miracles, and even sacredness among many others. Structured like a game and filled with riveting accounts of baseball's most historic moments,

Baseball as Road to God will enthrall baseball fans whatever their religious beliefs may be. In thought-provoking, beautifully rendered prose, Sexton elegantly demonstrates that baseball is more than a game, or even a national pastime: It can be a road to enlightenment .
Hearst's International Penguin Chase Alloway, age seventeen and the sole financial support of his

mother and crippled brother, decides that his factory job is an underpaid dead end position. Against his mother's advice and wishes, he quits, and leaves home to become a professional baseball player. *Hearst's International Combined with Cosmopolitan* Penguin Zane Grey (January 31, 1872 - October 23, 1939) was an American author best

known for his popular adventure novels and stories that presented an idealized image of the American frontier, including the novel *Riders of the Purple Sage*, his best-selling book. This is one of his stories. *The Captain* Simon and Schuster A disastrous error on the field sends five lives into a tailspin in this widely acclaimed tale about love, life, and baseball, praised by the New York

Times as "wonderful...a novel that is every bit as entertaining as it is affecting." Named one of the year's best books by the New York Times, NPR, The New Yorker, Los Angeles Times, Washington Post, Wall Street Journal, Christian Science Monitor, Bloomberg, Kansas City Star, Richmond Times-Dispatch, and Time Out New York. At Westish College, a

small school on the shore of Lake Michigan, baseball star Henry Skrimshander seems destined for big league stardom. But when a routine throw goes disastrously off course, the fates of five people are upended. Henry's fight against self-doubt threatens to ruin his future. College president Guert Affenlight, a longtime bachelor, has fallen unexpectedly

and helplessly in love. Owen Dunne, Henry's gay roommate and teammate, becomes caught up in a dangerous affair. Mike Schwartz, the Harpooners' team captain and Henry's best friend, realizes he has guided Henry's career at the expense of his own. And Pella Affenlight, Guert's daughter, returns to Westish after escaping an ill-fated marriage, determined to start a new life. As the

season counts down to its climactic final game, these five are forced to confront their deepest hopes, anxieties, and secrets. In the process they forge new bonds, and help one another find their true paths. Written with boundless intelligence and filled with the tenderness of youth, *The Art of Fielding* is an expansive, warmhearted novel about ambition and its limits, about family and friendship

and love, and about commitment -- to oneself and to others. "First novels this complete and consuming come along very, very seldom." -- Jonathan Franzen

 A three-time All-Star, Cecil Travis (1913–2006) was well on his way to a Hall of Fame career when he was drafted for World War II in 1941. When

he returned
To The game
in 1945, after
three and a
half years in
the army,
Travis was no
longer the
dominant
player he had
been. In the
three seasons
that
followed—the
last of his
career—only
once did
Travis play in
more than
seventy-five
games, and
his offensive
numbers
plummeted.
Yet his prewar
accomplishme
nts were such
that he
finished his
twelve-year
career with a
.314 batting

average, and
baseball
maven Bill
James put
Travis atop his
list of players
most likely to
have lost a
Hall of Fame
career To The

was his childhood home. Records & Briefs New York State Appellate Division HarperCollins I met Neil Berry in October 2013 when he was 91. I had recently met his daughter, Linda, and when she mentioned that her father was the "oldest living Detroit Tiger" I had no qualms about asking to meet him. In preparation for this first meeting, I combed eBay for any memorabilia

suitable for this former Tiger player to sign. To my surprise, when I handed over my vintage photograph of a play at the plate, Neil was immediately able to recognize the team and face of the catcher he had played against 65 years ago. Neil remembered his life in amazing detail and his anecdotes were colorful and razor sharp. Neil Berry was a star athlete for Kalamazoo Central and made the

majors in 1948. Berry is not a household name even among the most ardent Tiger fans, but Neil played with or against many of the greatest players in the game; Satchel Paige, Jackie Robinson, Yogi Berra, Ted Williams, Bob Feller, Hal Newhouser, and Don Larsen, to name a few. Through the ups and downs of his seven year Major League career, Neil Berry witnessed many unique

or one time events in the history of the sport. Neil was playing shortstop when the shortest player in the history of the Major Leagues made the only plate appearance of his short (pun intended) career. Neil witnessed a teammate throw a no hitter in his first major league start and another teammate set a record with 12 consecutive hits. Neil's favorite game forced the first playoff game

in the history of the American League. From that first meeting, he shared his stories and his scrapbooks with me almost weekly until he passed away in 2016. These scrapbooks had been dutifully and lovingly compiled by Neil's wife Gloria. She collected every word the press wrote about him starting with his high school days until his final days playing ball. From the perspective of

the sportswriters of the time to the hours of recorded conversations from the "oldest living Detroit Tiger," here is the life and times of the shortstop from Kalamazoo. *The Shortstop's Redemption* Scholastic Paperbacks Knocked out by a pitch, eleven-year-old shortstop Jake wakes up to discover he has developed ESP and wonders how ethical it is for him to be using his powers to

guide his team to victory. Original.

2016 eLit Gold Medalist - Best Romance Ebook 2016 IPPY Silver Medalist - Best Romance Ebook "Quint and Annie sitting in a

tree...K.I.S.S.I. N.G." Quint Lawson and Annie Weber heard that childhood song over and over and it never bothered them. Even though Quint was only five, Annie wasn't just his neighbor. She would become his best friend and the love of his life. Annie wasn't interested in dolls, or girly things when growing up. A tomboy at heart, having a boy as a best friend suited her just fine. That same boy

captured her heart. Quint had two passions, his girl and baseball. From kindergarten to college, Quint tore up every baseball diamond he played on. His position was shortstop. His talent was undeniable. Professional ball was most definitely in his future, and he was ready for it. Annie would be right by his side. When everything in life is perfect, it's hard to imagine heartbreak in any form. Quint wasn't

immune to its power. This shortstop had no idea what any form of heartbreak could do to his perfect world. When it hit, there were many casualties left in its wake...the most important one was Annie. Can a person be prepared for, understand, or even endure a misfortune if they've never experienced one before? In Quint Lawson's case the answer is no. *Old Well-Well* Dan Blewett

Zane Grey (January 31, 1872 - October 23, 1939) was an American author best known for his popular adventure novels and stories that presented an idealized image of the American frontier, including the novel *Riders of the Purple Sage*, his best selling book. This is one of his stories. **The Reformatory Press** Simon and Schuster The debut book in the New York Times

bestselling Contract series, *The Contract* is a middle grade baseball novel inspired by the youth of legendary sports icon and role model Derek Jeter. As a young boy, Derek Jeter dreams of being the shortstop for the New York Yankees. He even imagines himself in the World Series. So when Derek is chosen for the Little League Tigers, he hopes to play shortstop. But on the day of the

assignments, seasons and is titles, children's picture books, middle grade fiction, Ready-to-Read children's books, and children's nonfiction. For more about Jeter Publishing visit JeterPublishing.com. *The Shortstop's Son EverAfter* Romance What Does it Take to Have a Great Baseball Career? You daydream about one day seeing your face on a baseball card. You live for pressure and

Derek Starts at second base. Still, he tries his best while he wishes and dreams of that shortstop spot. And to help him stay focused on school, his parents make him a contract: keep up the grades or no baseball. Derek makes sure he always plays his best game—on and off the baseball field! Derek Jeter has played Major League Baseball for the New York Yankees for twenty

a five-time World Series Champion. He is a true legend in professional sports and a role model for young people both on the field and through his Turn 2 Foundation. Inspired by Derek Jeter's childhood, *The Contract* is the first book in Derek Jeter's middle grade baseball series, an important part of the Jeter Publishing program, which will encompass adult nonfiction

the green grass beneath your cleats. But as your career progresses, the game gets harder. You slump and struggle. You get injured and overlooked. Your confidence plummets. Can you keep improving? Are your big dreams still within reach? A Handbook for the Dedicated Player Clean Your Cleats is filled with stories and advice learned the hard way, over a long career on the

diamond. Develop better routines and improve your consistency. Handle the ups and downs with confidence and resolve. Strengthen relationships with teammates, parents and coaches. Learn mindset strategies to become the best version of you. Dan Blewett, in this practical guide, helps players understand all the little things in baseball that make a huge difference

over a long career. Why clean your cleats? Because every detail matters. **Cecil Travis of the Washington Senators** Simon and Schuster Tokyo, 1890. Toyo is caught up in the competitive world of boarding school, and must prove himself to make the team in a new sport called besuboru. But he grieves for his uncle, a samurai who sacrificed himself for his beliefs, at a time when

most of Japan is eager to shed ancient traditions. It's only when his father decides to teach him the way of the samurai that Toyo grows to better understand his uncle and father. And to his surprise, the warrior training guides him to excel at baseball, a sport his father despises as yet another modern Western menace. Toyo searches desperately for a way to prove there is a place for his

family's samurai values in modern Japan. Baseball might just be the answer, but will his father ever accept a Western game that stands for everything he despises? *The Shortstop Who Knew Too Much* Little, Brown
NEW YORK TIMES BESTSELLER
"Derek Jeter is undoubtedly the most talked about, argued about, cheered, booed and ultimately respected baseball player of his

generation. And as public a figure as he has been, he is in many ways the least known. That changes now as Ian O'Connor, one of the best sports writers anywhere, goes deep and does what no one has quite been able to do: Tell us a bit about who Derek Jeter really is."—Joe Posnanski, author of *The Machine*
"Deftly told."—The Washington Post
In *The Captain*, Ian O'Connor draws on unique access

to Derek Jeter and more than 200 new interviews to reveal how a biracial kid from Michigan became New York's most beloved sports figure and the face of the steroid-free athlete. O'Connor takes us behind the scenes of a legendary baseball life, from Jeter's early struggles in the minor leagues, when homesickness and errors threatened a stillborn career, to the heady days of Yankee

superiority and nightlife, to the battles with former best friend A-Rod. All along the way, Jeter has made his Hall-of-Fame destiny look easy. But behind that leadership and hero's grace there are hidden struggles and complexities that have never been explored, until now. *Caught Out* Cooper Publishing Group There is no available information at this time. *Nomar Garciaparra*

University of Arkansas Press A collection of stories about athletes who have been haunted by spirits, based in part on the files of noted ghost hunters. **Shortstop's Son: Essays and Journalism (c)** A collection of essays, some autobiographical and some less so, about the American experience. The essays are extremely varied, touching on subjects such as politics, ethics, music, race, culture,

and history. Topics include the KKK, Blind Lemon Jefferson, the NRA, baseball, JFK, and being a rich kid in a	private school. Annotation copyrighted by Book News, Inc., Portland, OR <u>How to Play</u>	<u>Baseball</u> <i>The Short-stop</i> Current Encyclopedia , a Monthly Record of Human Progress
