comprehensive English translation of poetry from the renowned Portuguese author of The Book of Disquiet: "An arresting . . . body of work" (Newsday). Born in 1888, Fernando Pessoa is widely considered Portugal's

JAKOB HART

**An Anthology of
Twentieth-Century
Brazilian Poetry**

UPNE

The first

greatest modern poet and author. With an introduction that illuminates the life and work of this elusive literary giant, *Fernando Pessoa & Co.* is the most comprehensive and elegantly translated edition of Pessoa's poetry available in English. Pessoa was as much a creator of personas as he was of poetry, prose, and criticism. He wrote under what he referred to as "heteronyms," numerous alter egos with fully fleshed identities and writing styles, who supported and criticized each other's work in the margins of his drafts and in the literary journals of the time. Ranging widely over the possibilities of language, Pessoa's poetry echoes

symbolist verse, Portuguese folk song, and futurist manifesto. From spare minimalism to a revolutionary exuberance that recalls Walt Whitman's *Leaves of Grass*, Pessoa's oeuvre was radically new and anticipated contemporary literature to an unnerving degree. *Fernando Pessoa & Co.* is "a beautiful one-volume course in the soul of the twentieth century" (Booklist). Poems from the Portuguese Farrar, Straus and Giroux This volume offers a thorough introduction to Jewish world literatures in Spanish and Portuguese, which not only addresses the coexistence of cultures, but also the functions of a literary and linguistic space of negotiation in this

context. From the Middle Ages to present day, the compendium explores the main Jewish chapters within Spanish- and Portuguese-language world literature, whether from Europe, Latin America, or other parts of the world. No comprehensive survey of this area has been undertaken so far. Yet only a broad focus of this kind can show how diasporic Jewish literatures have been (and are) – while closely tied to their own traditions – deeply intertwined with local and global literary developments; and how the aesthetic praxis they introduced played a decisive, formative role in the history of literature. With this epistemic claim, the volume aims at steering clear of

isolationist approaches to Jewish literatures. *Library of the World's Best Literature, Ancient and Modern* Penguin Classics
 A temporary move to Toronto in the winter of 2000, a twisted ankle, an empty house -- all inspired Moure as she read Alberto Caeiro/Fernando Pessoa's classic long poem *O Guardador de Rebanhos*. For fun, she started to translate, altering tones and vocabularies. From the Portuguese countryside and roaming sheep of 1914, a 21st century Toronto emerged, its neighbourhoods still echoing the 1950s, their dips and hollows, hordes of wild cats, paved creeks. Her poem became a translation, a transcreation, the jubilant and

irrepressible vigil of a fervent person.

"Suddenly," says Moure impishly, "I had found my master."

Caeiro's sheep were his thoughts and his thoughts, he claimed, were all sensations. Moure's sheep are stray cats and from her place in Caeiro's poetry, she creates a woman alive in an urban world where the rural has not vanished, where the archaic suffuses us even when we do not beckon it, and yet the present tense floods us fully.

How the dissemination of Latin American literature in the U.S. was "caught between the desire to support the literary revolution of the Boom writers and the fear of

revolutionary politics" (John King).

The Best Poems of the English

Language University of Chicago Press

This bilingual and illustrated edition offers to all English-speaking readers interested in poetry, and in the cultural legacy of Lisbon, verses written by great poets who were born or lived in Portugal's legendary capital city. The globally celebrated Luís de Camões and Fernando Pessoa, along with the latter's heteronyms, are joined by three other poets widely praised within the Portuguese-speaking world—Cesário Verde, Mário de Sá-Carneiro, and Florbela Espanca—, whom we have the pleasure of introducing to you.

A Little Larger Than the Entire Universe Walter de Gruyter GmbH & Co KG

An important new reading of Portugal's greatest poet.

The Palgrave Handbook of Literature and the City Penguin

While the sociology of literary translation is well-established, and even flourishing, the same cannot be said for the sociology of poetry translation. *Sociologies of Poetry Translation* features scholars who address poetry translation from sociological perspectives in order to catalyze new methods of investigating poetry translation. This book makes the case for a move from the singular 'sociology of poetry translation' to the pluralist 'sociologies',

in order to account for the rich variety of approaches that are currently emerging to deal with poetry translation. It also aims to bridge the gap between the 'cultural turn' and the 'sociological turn' in Translation Studies, with the range of contributions showcasing the rich diversity of approaches to analysing poetry translation from socio-cultural, socio-historical, socio-political and micro-social perspectives. Contributors draw on theorists including Pierre Bourdieu and Niklas Luhmann and assess poetry translation from and/or into Catalan, Czech, English, French, German, Italian, Russian, Slovakian, Spanish, Swahili and

Swedish. A wide range of topics are featured in the book including: trends in poetry translation in the modern global book market; the commissioning and publishing of poetry translations in the United States of America; modern English-language translations of Dante; women poet-translators in mid-19th century Ireland; translations of Russian poetry anthologies into modern English; the translation of Shakespeare's plays and sonnets in post-colonial Tanzania and socialist Czechoslovakia; translations and translators of Italian poetry into 20th and 21st century Sweden; modern European poet-translators; and

collaborative writing between prominent English and Spanish poet-translators. [Index-guide to Library of the World's Best Literature, Ancient and Modern City Lights Books](#)
"After looking for him in the poems, we search for him in the prose. The pursuit of the Other in Pessoa's work is never-ending," writes Edwin Honig. Essential to understanding the great Portuguese poet are the essays written about (and by) his heteronyms-Alberto Caeiro, Ricardo Reis, and Alvaro de Campos-the several pseudonyms under which he wrote an extraordinary body of poetry. In *Always Astonished*, Pessoa and his several selves debate and discuss one

another's work, revealing how Portuguese modernism was shaped. Fernando Pessoa is one of the great voices of twentieth-century literature, and these manifestos, letters, journal notes, and critical essays range through aesthetics, lyric poetry, dramatic and visual arts, and the psychology of the artist. He gives us, too, a singularly heterodox political position in his strange work of fiction, *The Anarchist Banker*.

Always Astonished

Harper Collins

Written in the voices of four different alter egos, these verses express a maelstrom of conflicted thoughts and feelings

Pessoa: A Biography

Dedalus European

Classics

For the first time—and

in the best translation ever—the complete *Book of Disquiet*, a masterpiece beyond comparison. The *Book of Disquiet* is the Portuguese modernist master Fernando Pessoa's greatest literary achievement. An "autobiography" or "diary" containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in *The Book of Disquiet* are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This

existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa's death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa's entire writing life.

I Have More Souls Than One Wesleyan University Press
 Fernando Pessoa is Portugal's most important contemporary poet. He wrote under several identities, which he called heteronyms: Albet Caeiro, Alvaro de Campos, Ricardo Reis, and Bernardo Soares. He wrote fine poetry under his own name as well, and each of his "voices" is completely different in subject, temperament, and style. This volume brings back into print

the comprehensive collection of his work published by Ecco Press in 1986.

The Nightfields

Vanderbilt University Press

The first bilingual anthology of Brazilian Poetry to cover its entire 500-year-long history, this book drew the following comment from Yale's expert in world literature, Harold Bloom: *Poets of Brazil: A Bilingual Selection* is the only book available that gives these poets to us in both languages, Portuguese

and American English. The choice of poets is remarkably inclusive and various and is particularly enlightening in the works of the twentieth-century Republic of Brazil. In particular, the representation of Manuel Bandeira, of the three Andrades and of Archanjo are brilliantly rendered. The quality of the introduction and notes is also estimable. Azores Macmillan Take Six is a celebration of six remarkable Portuguese women writers: Sophia de Mello Breyner Andresen, Agustina Bessa-Luís, Maria Judite de Carvalho, Helia Correia, Teolinda Gersão and Lídia Jorge. They are all past mistresses of the short story form, and their subject matter ranges

from finding one's inner fox to a failed suicide attempt to a grandmother and grandson battling the wind on a beach. Stories and styles are all very different, but what the writers have in common is their ability to take everyday life and look at it afresh, so that even a trip on a ferry or an encounter with a stranger or a child's attempt to please her father become imbued with mystery and humour and sometimes tragedy. Relatively few women writers are translated into English, and this anthology is an attempt to rectify that imbalance and to introduce readers to some truly captivating tales from Portugal. The Works of the English Poets from

Chaucer to Cowper

Ohio University Press

This book is about the impact of literature upon cities world-wide, and cities upon literature. It examines why the city matters so much to contemporary critical theory, and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it. Gathering together 40 contributors who look at different modes of writing and film-making in throughout the world, this handbook asks how the modern city has engendered so much theoretical consideration, and looks at cities and their literature from China to Peru, from New York to Paris, from London to Kinshasa. It looks at

some of the ways in which modern cities – whether capitals, shanty-towns, industrial or ‘rust-belt’ – have forced themselves on people’s ways of thinking and writing.

Lisbon Poets. Camões, Cesário, Sá-Carneiro, Florbela, Pessoa

Bloomsbury Publishing
The largest and richest English-language volume of poetry from “the greatest twentieth-century writer you have never heard of” (Los Angeles Times) Edited, Translated, and with an Introduction by Richard Zenith, the author of the Pulitzer Prize finalist *Pessoa: A Biography* A Penguin Classic Writing obsessively in French, English, and Portuguese, poet Fernando Pessoa

(1888–1935) left a prodigious body of work, much of it credited to three “heteronyms”—Alberto Caeiro, Ricardo Reis, and Alvaro de Campos—alter egos with startlingly different styles, points of view, and biographies. Offering a unique sampling of his most famous voices, this collection features Pessoa’s major, best-known works and several stunning poems that have come to light only in this century, including his long, highly autobiographical swan song. Featuring a rich body of work that has never before been translated into English, this is the finest introduction available to the stunning breadth of Pessoa’s genius.

The Latin American Literary Boom and U.S. Nationalism During the Cold War City Lights Books

Like a voyage to the Portuguese islands of the title, the poems in Azores arrive at their striking and hard-won destinations over the often-treacherous waters of experience--a man mourns the fact that he cannot not mourn, a father warns his daughter about harsh contingency, an unnamed visitor violently disrupts a quiet domestic scene.

Modern Language

Notes Dedalus Press
The most important writer in Portuguese history and one of the preeminent European poets of the early modern era, Luís de Camões (1524–80) has been ranked as a sonneteer on par with

Petrarch, Dante, and Shakespeare. Championed by such influential English poets as William Blake and Elizabeth Barrett Browning, and admired in America by Edgar Allan Poe, Henry Wadsworth Longfellow, and Herman Melville, Camões was renowned for his intensely personal sonnets and equally intense adventurous life. He was banished for dueling and brawling at court, lost an eye fighting the Moors in North Africa, was shipwrecked off the coast of India, jailed in Goa, and exiled in Mozambique. Throughout these personal trials, he advanced poetry beyond the Petrarchin model of love won and lost to write of personal despair, history,

politics, war, religion, and the natural beauty of Portugal. The first significant English translation of Camões's sonnets in more than one hundred years, *Selected Sonnets: A Bilingual Edition* collects seventy of Camões's best—all musically rendered into contemporary, yet metrical and rhymed, English-language poetry by William Baer, with the original Portuguese on facing pages—and reintroduces the genius of a poet whom Cervantes called "the incomparable treasure of Lusus." A comprehensive selection of sonnets that demonstrates the full range of Camões's interests and invention, *Selected Sonnets* will prove indispensable for both students and

teachers in comparative and Renaissance literature, Portuguese and Spanish history, and the art of literary translation.

Selected Sonnets

Oxford University Press
Poet, short-story writer,
feverish inventor--

Fernando Pessoa was one of the most innovative figures shaping European modernism. Known for a repertoire of works penned by multiple invented authors-- which he termed heteronyms--the Portuguese writer gleefully subverted the notion of what it means to be an author.

Adverse Genres in Fernando Pessoa offers an introduction to the fiction and the "profusion of selves" that populates the enigmatic author's

uniquely imagined oeuvre. To guide readers through the eclectic work fashioned by Pessoa's heteronyms, K. David Jackson advances the idea of "adverse genres" revealing genre clashes to be fundamental to the author's paradoxical and contradictory corpus. Through the invented "coterie of authors," Pessoa inverted the usual relationships between form and content, authorship and text. In an inspired, paradoxical, and at times absurd mixing of cultural referents, Pessoa selected genres from the European tradition (Ricardo Reis's Horatian odes, Álvaro de Campos's worship of Walt Whitman, Alberto Caeiro's pastoral and

metaphysical verse, and Bernardo Soares's philosophical diary), into which he inserted incongruent contemporary ideas. By creating multiple layers of authorial anomaly Pessoa breathes the vitality of modernism into traditional historical genres, extending their expressive range. Through examinations of "A Very Original Dinner," the "Cancioneiro," love

letters to Ophelia Queirós, "The Adventure of the Anarchist Banker," Pessoa's collection of quatrains derived from Portuguese popular verse, the Book of Disquietude, and the major poetic heteronyms, Jackson enters the orbit of the artist who exchanged a normal life for a world of the imagination.
