The bilingual relationship between the English and the Indian vernaculars has long been crucial to the construction of ideology as well as cultural and political hierarchies. Print was vital for colonial literacy; it was thereby instrumental in initiating a shift in the relation between 'high' and 'low' languages. Here, Dr Naregal examines the relationship between linguistic hierarchies, textual practices and power in colonial western India. Whereas most studies of colonialism focus on India's 'high' literary culture, this book looks at how local intellectuals exploited their 'middling' position through such initiatives as the establishment of newspapers and of influential channels of communication. How were the 'native' intelligentsia able to achieve a position of ideological influence? Dr Naregal shows that, despite their minority position, such people negotiated the arenas of education policy, the press and voluntary associations to advance their social class. In doing this, she sheds light on the process of self-definition among the Indian intelligentsia before anticolonial thinking articulated its hegemonic claims as a nationalistic discourse.

This book looks at a leader who rose on the strength of strong values and principles. The purpose of this book is to learn from those principles which made Chhatrapati Shivaji rise to the top as a great leader, and make these lessons available to aspiring and current leaders today. The beauty of this book is that every chapter is divided into three parts. The first part deals with anecdotes from this great leader's life. The second part looks at the leadership leanings from these anecdotes and how they can be applied by today's leaders. The third part contains crisp "action points" or "mantras" for the readers.

Explores the construction of the Aryan myth and its uses in both India and Europe.

Leadership Learning From Chhatrapati Shivaji Maharaj Good Night books

Ray Bradbury's Fahrenheit 451 depicts a dystopian society where technology, particularly in the form of mass media and censorship, plays a central role in controlling and manipulating the populace. However, the novel also explores the paradoxical relationship between technology and

human connection, highlighting both its potential for liberation and its capacity for oppression. This research paper aims to analyze the multifaceted portrayal of technology in Fahrenheit 451, examining its role in fostering isolation and conformity while also exploring its subversive potential as a tool for resistance and introspection. Through a close reading of the novel's themes, characters, and narrative structure, this paper elucidates Bradbury's nuanced commentary on the complex interplay between technology, knowledge, and freedom.

The Marathas 1600-1818 Routledge

State domination in the non-Western world is hallmarked by its constantly shifting character. This stimulating book develops a new approach to the study of state formation and state erosion to explain dynamics that neither follow the pathways of development nor the rule of stagnation that dependency theory once suggested. Carefully edited by Klaus Schlichte, this book provides a fresh angle to the study of states with an attempt to 'overcome Weber with Weber'. The approach focuses on the historical authenticity of states and their institutional frameworks, describing the trajectories taken as they react to the effects of changes in their international and local social environments. The emphasis laid on the specific characteristics of individual states does not however lead to the theoretical difficulty of a new contextual relativism. The conceptual design employs sociological categories developed by Max Weber, Norbert Elias, Michel Foucault, Pierre Bourdieu and others.

Good Night Delhi True Sign Publishing House

"States fall, empires break up, dynasties become extinct, but the memory of a true "hero as King" like Shivaji remains an imperishable historical legacy..." - Jadunath Sarkar, House of Shivaji (1919) Shivaji Bhonsle was an Indian warrior king who went on to lay the foundation of the strong Maratha Empire. The first Chhatrapati, he is known to have outdone his predecessors as well as successors in giving an identity and status to Marathas. A tactful military commander and skilled administrator, he steadily built his army from a mere two thousand soldiers to almost five-fold, and also developed a naval force. He defeated Afzal Khan and Adil Shah, giving strong resistance to the Mughal forces. From forming guerilla forces to immensely contributing in the development of the civilization of Marathas, he carved a niche in all spheres of operation. Shivaji: The Great Rebel explores the lifespan of Shivaji as an Indian king who instigated a new fire in the hearts of people against the Mughal Empire and taught them to fight for their rights. It highlights Shivaji as one of the prominent rulers to inspire people to fight for Hindu pride and raise their voice against cruelty. He stood up to guard and preserve the nation's honour, and is a great source of inspiration till date.

The Life of Shivaji Maharaj, Founder of the Maratha Empire Cambridge University Press

The History Of TamilNadu Kings (Cholas,Nayakas) and accomplishments during their rule,with the Brief history of The Great Maratha warrior Chatrapathi Shivaji,his son Dharmaveer Sambhaji, their spiritual guru Samarth Ramdas and their visit to Tamilnadu has been included . When Kings Rode to Delhi Disha Publications

The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947. It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers. It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India, and which possibly gained a pan-Indian or even trans-Indian significance. Structured according to the states of the Indian union, contributors raise several key questions, including: What themes were ethnographers interested in? What are the significant ethnographic contributions? How are peoples, communities and cultural areas represented? How has the ethnographic research in the area developed? Filling a significant gap in the literature, the book is an invaluable resource to students and researchers in the field of Indian anthropology/ethnography, regional anthropology and postcolonial studies. It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India.

Hindu-pad-padashahi FSP Media Publications

In this book, Dr. Stewart Gordon presents the first comprehensive history of the Maratha polity, which was an important regional kingdom in the seventeenth century and the largest political entity of eighteenth century India. He focuses on the origins of the elite families, problems of legitimacy and loyalty, military organization and change, and the development of administration, tax collection and religious patronage. Through the use of a vast array of documents, the author also gives a picture of everyday life in the Maratha polity.

Aryans, Jews, Brahmins Springer Nature

"Chhatrapati Shivaji Maharaj: Founder of the Maratha Empire" by Roma Sen is a comprehensive and engaging biography that provides a vivid account of the life and legacy of Shivaji Maharaj, the legendary Indian warrior king. Sen's writing style is clear and accessible, making the book a pleasure to read. She weaves together a wealth of historical detail with captivating anecdotes to create a vivid portrait of Shivaji's character, his achievements, and the turbulent times in which he lived. Sen's attention to historical context is particularly impressive, as she places Shivaji's life and career in the larger political and social landscape of 17th century India. Overall, "Chhatrapati Shivaji Maharaj: Founder of the Maratha Empire" is an excellent biography that offers a fascinating glimpse into the life of one of India's most revered historical figures.
