Shortly after Albert Cohen left France for  
London to escape the Nazis, he received  
news of his mother's death in Marseille.  
Unable to mourn her, he expressed his  
grief in a series of moving pieces for *La  
France libre*, which later grew into *Book  
of My Mother*. Achingly honest, intimate,  
and moving, this love song is a tribute to  
all mothers. Cohen himself expressed, "I  
shall not have written in vain if one of  
you, after reading my hymn of death, is  
one evening gentler with his mother  
because of me and my mother."

"I was a woman on the edge, shaken and shattered after a breakup that felt like it tore my entire world apart. My best friend, sick of watching me drown in misery and melancholy, harassed me until I agreed to go with her on a week-long wilderness retreat ... Nowhere in the glossy brochure did it say anything about the fact I was going to have to battle the insufferable but deliciously rugged and sexy trail guide instead of the elements. The brochure also forgot to mention the part that warned when you left civilization behind, there was no place to pack your inhibitions and fears"-Amazon.com.

"An instant classic...highly recommended!" —New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she's gaining an—um—intimate knowledge of her new neighbor's nocturnal adventures. Thanks to paper-thin walls and the guy's athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed "dating hiatus," and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-

never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.
