**Little Monkey** Open Road Media

A humorous bedtime story—now refreshed! It's time for these little squirrels to go to bed! Mick, Mack, and Molly, the three adorable squirrel siblings, are back in action—but not when they should be. This time, they are up and out in the middle of the night. After all, the owl children are wide-awake and playing. So why can't squirrel children stay up late and play, too? Every child who has ever begged to stay up late will understand just how the young squirrels feel. Children will relish every minute of this late night adventure. "Iwamura's adorable animals are well-matched by both his muted palette and his gentle story. Pleasantly reminiscent of Beatrix Potter, with the squirrels' little overalls and the domesticated woodland interiors..." —Kirkus Reviews "One of

the appeals of this tale is that the squirrel children solve their problem themselves. This unpretentious story with lovely art and endearing animals will be enjoyed by young children." — School Library Journal

*Disney Baby 100 First Words Lift-the-Flap* innovative KIDS

An utterly fabulous interactive book for clothes-obsessed toddlers *Bambi* Kumon Publishing North America

You are invited into a stunning and dreamlike voyage into the imagination—ideal for fans of Chris Van Allsburg and the Caldecott Honor Book *Journey* by Aaron Becker. Imagine a world without edges . . . where bunnies and bears ride bicycles, lions read books, and buses are fish that fly through the clouds. In the city of imagination, anything is possible, and an outing with their mother brings a world of adventure to two lucky children. With simple, evocative, rhyming text and page after page of unusual and mystical details to explore, this is a story that encourages readers to open their minds and dream of magical places filled with the unexpected. Enter a world of the past, present, and future, where wonders exist that we never thought possible. . . . "Who could resist hanging out with gargoyles while sipping tea?"—Kirkus "Hurst's sweeping pen-and-ink illustrations suggest a combination of midtown Manhattan and Hogwarts. . . . [Her] engrossing mashups of the urban and the fantastical present no shortage of fuel for readers' own imaginations."—Publishers Weekly "Imagination reigns in this flight of fantasy . . . Rabbits read newspapers, fish fly, and trees grow out of pictures. Readers will have tea with gargoyles and float on lily pad rafts, see books and umbrellas float by, walk among lions and bears, or ride on a fish bus with a bear conductor."—Booklist

*Muchachas* 3 Usborne Books

The powerful original novel that inspired the classic animated film—a story of nature, loss, survival, and becoming an adult. This moving and eventful story, translated from the original German by David Wyllie, opens with the birth of a fawn in a thicket. Little Bambi rises to his feet immediately, as an overly talkative magpie marvels over this beautiful newborn. We then follow his journey through the innocent joys of youth into experiences of love, loss, and the complexity and danger of the wider world—where

humans pose a mortal threat to his kind—and on to his years as an older and wiser prince of the forest. *Bambi* is a tale of beauty and allegorical depth that brings the realities of nature to vivid, emotional life.

**The Farts That Animals Parp** Caillou

"The World Through Picture Books (WTPB) is a programme of the IFLA Libraries for Children and Young Adults Section in collaboration with IBBY (International Board on Books for Young People) Children's Librarians all over the world understand how important picture books in both traditional and digital formats are for children, for their development, cultural identity and as a springboard into learning to read for themselves. The idea behind the World Through Picture Books was to create a selection of picture books from around the world that have been recommended by librarians, as a way of celebrating and promoting the languages, cultures and quality of children's book publishing globally. The 3rd edition highlights 530 picture books, from 57 countries and featuring 37 languages. It is fully digital and the catalogue as well as a poster and bookmark can be downloaded free of charge." --

**Lulu's Clothes** Make Your Own

Ring the doorbell and find out who comes to Peppa Pig's rainy day picnic! 5 additional buttons bring the story to life with fun sounds, and the voice of Peppa and her friends! Matching words with pictures and sounds enhances reading comprehension, and engages young readers at story time.

**We Live in Canada** Pi Kids

Know someone who loves creatures? Animal lovers will fixate on this giant book presenting thirty-two big, bold images of friendly beasts. From a star of children's design in Sweden comes an exquisite array of animals rendered with whimsy and stylish splendor. Every oversize page highlights a different specimen, from an adorable sheep to an elegant flamingo, from an endearing hippo to a silly-looking snake. Each animal's name appears in a different eye-catching type treatment, making for an attractive graphic keepsake sure to find a prominent place in nurseries and bookshelves everywhere.

*That's Not My Mermaid...* Bloomsbury Children's Books

Poke the dots to count the animals.

*The Wolf Who Travels Back in Time* Doubleday Books for Young Readers

Discover the wackiest facts about animals and their farts - and the scintillating science behind it! Hold your nose for the latest batch of wacky animal facts in *The Farts That Animals Parp!* Try not to faint as you take in the science behind these beasts' many ghastly gases ... you won't believe how much wind blows about in the animal kingdom! Following on from *The Poo That Animals Do* and *The Wee That Animals Pee*, this book combines gut-busting illustrations with fascinating and funny photos, making it perfect for any curious reader, but ideally pitched for 7+.

*Poke-A-Dot Good Night Animals* Disney Press

On each spread of this delightful book there's an animal hiding, which you can find by lifting the big flap. Charmingly illustrated by Gareth Lucas, this is a perfect way to make little children smile as they enjoy playing hide and seek with all the different animals around the pond.

*Poke-A-Dot: Who's in the Ocean* Ladybird Books

Mom's last words: Keep them safe. Help them be happy. Morgan promised, so she sacrifices soccer, free time, and friendships for her younger siblings. But when Dad's "talk therapy" campout ignites Morgan's anxiety, she makes a reckless decision to prove she can fill Mom's shoes . . . which leaves her literally fighting for survival.

**Play Hide & Seek with Frog** Little Simon

Caillou has been part of children's lives since 1989, first

accompanying them on their daily journey with the books and then enchanting them with the superb animation of the television series. The twenty-fifth anniversary storybook is embellished for this special occasion with foil edges and a glittering cover.

Preschoolers and their parents will love reading this treasury together. The *Caillou Storybook Treasury* includes ten bestselling adventures: 1. *Caillou Puts Away His Toys*: Daddy has a great new idea to help Caillou keep his toys tidy. 2. *The Phone Call*: Caillou feels left out when Mommy is busy on the phone all morning. 3. *The School Bus*: Caillou is excited when he gets to take his first ride on the big school bus. 4. *My Day Care Friends*: Caillou is going to day care for the first time. With help from his new friends, the day will pass very quickly. 5. *Caillou at the Zoo*: Caillou learns that animals too have families. 6. *Caillou at the Market*: Mommy takes Rosie and Caillou to the market to buy ingredients for a special cake. 7. *Where's Gilbert?*: Caillou is playing with Gilbert. When Caillou takes a break for a snack, Gilbert disappears. 8. *Caillou Learns to Skate*: Mommy and Daddy make a skating rink in the yard. 9. *The Picnic*: Caillou and Leo have fun pretending to be knights. 10. *The Favorite T-Shirt*: Caillou is sad when he realizes that he has grown too big for his favorite T-shirt.

*Peppa Pig Ding! Dong! Let's Play!* Wayland

"Practice counting up to ten with some cute sea creature friends! This charming board book combines bold text and bright colors to create the perfect early learning title for little readers. Each spread provides the reader with the numeral, word, and a

representation of the number to allow the reader to practice counting as they follow along. There is also a stylized guide throughout the book depicting icons that allow the reader to visually see what they have counted and how many numbers are left to learn." --

**Lemon Drop Falls** Macmillan Children's Books

It's beginning to look a lot like Christmas! Lift the flaps to find more than 35 festive surprises with Anna and Elsa, Remy, the Monster's, Inc. crew, and more!

**Animals** Melissa & Doug

An activity book brimming with terrifying dinosaurs from the Triassic period.

*My Animals* National Geographic Books

Once there was a little rabbit who only wanted to eat one thing ... spaghetti! This is the perfect picture book for toddlers who might recognise themselves in cheeky Simon, the fussy eater.

*Disney Baby Here Comes Christmas!* Nobrow Press

Expectant parents spend countless hours prepping for their baby's arrival, but once the baby is born, there are only six things a new dad really has to know how to do. *The Baby's Guide to Surviving Dad* teaches new dads those six things. Called a book for "adults who need a laugh to survive parenthood" by Kirkus Reviews, kids will also love this cute, quirky picture book, and the on-the-snotty-nose depiction of fatherhood told from a baby's point of view will have new parents laughing (and crying) their sleep-deprived eyes out. Perfect for a first Father's Day, a baby shower, or a baby welcoming gift.
